Pre-Paid Legal Announces 2007 Year End Results  
15th Consecutive Year of Increased Membership Revenues  
2007 Membership Revenues Up 4%; 2007 EPS Up 11%;

ADA, OK, February 19, 2008 - Pre-Paid Legal Services, Inc. (NYSE:PPD), announced results for the fourth quarter and year ended December 31, 2007. Net income for the fourth quarter of 2007 decreased 11% to \$11.7 million from \$13.2 million for the prior year's fourth quarter due to a fourth quarter 2007 charge of \$2.9 million relating to income taxes. In the fourth quarter, we discovered and corrected a clerical error in the amount of net operating loss reported in a 2003 state income tax return which resulted in nonpayment of income taxes in that state for several years. The \$2.9 million charge was comprised of \$2.0 million pertaining to 2006 and prior years and \$900,000 pertaining to the first

3 quarters of 2007. This charge was not individually material to the 2007 prior quarters or 2006 or prior years. Diluted earnings per share decreased 2% to 92 cents per share from 94 cents per share for the prior year's comparable quarter due to a decrease in net income of 11% and 9% decrease in the weighted average outstanding shares. Membership revenues in the fourth quarter of 2007 increased 5% to \$108.9 million from \$103.8 million for the same period last year.

Net income for the full year of 2007 decreased 1% to \$51.2 million from \$51.8 million for 2006. Diluted earnings per share for 2007 increased 11% to \$3.88 per share from \$3.51 per share for the prior year due to decreased net income of 1% and a 10% decrease in the weighted average number of outstanding shares. Membership revenues for 2007 were up 4% to \$427.4 million from \$412.2 million for the prior year marking the fifteenth consecutive year of increased membership revenue.

Net cash provided from operating activities increased 24% to \$67.2 million for 2007 from \$54.4 million for 2006. During 2007 we purchased and formally retired 1,318,721 shares of our common stock for \$66.5 million, or an average price of \$50.40 per share. From April 1999 to year-end 2007, we invested \$362.4 million in the repurchase of 12.7 million shares at an average price of \$28.56 per share, reducing the number of shares outstanding at year-end 2007 to 12.4 million. At December 31, 2007, we had \$73.7 million of debt outstanding and \$58.9 million in cash and cash equivalents and unpledged investments.

Fourth quarter 2007 membership fees increased 1% to \$108.9 million from \$107.7 million for the 2007 third quarter while associate services revenues remained unchanged at \$6.0 million vs. the third quarter of 2007. Commissions decreased 4% while associate services and direct marketing expenses decreased approximately 22%. Membership benefits were 35% of membership fees for both periods. Commissions, as a percent of membership fees, were 30% and 31%, respectively, for the two periods while general and administrative expenses were 10% and 13%, respectively, for the two periods. These general and administrative expenses were reduced during the 2007 fourth quarter by a \$2.1 million reclassification of certain state taxes from general and administrative expenses to the provision for income taxes.

After our earnings conference call later this week, we expect to continue our open market share purchases as we have remaining authorization from the Board to purchase an additional 307,836 shares and funds available for share purchases of approximately \$14 million.

We will conduct a conference call to present the year end results on Thursday, February 21, 2008 at 8:30 a.m. Eastern Time. The conference call will be web cast on the investor relations' page of [www.prepaidlegal.com](http://www.prepaidlegal.com) or may be accessed by dialing (719) 325-4904.
