Team members,

The attached press release was issued this evening announcing that the Board of Directors has reached agreement with an affiliate of Privet Fund Management LLC to acquire the company for a price of \$18.50 per share. The transaction was negotiated directly with Privet by a special committee of the independent members of the Board, and provides for a 45 day “go-shop” period in which the company can solicit competing offers. The closing of this transaction is subject to required regulatory approvals and the approval of the company’s shareholders. We anticipate that the transaction will close by the end of the second quarter of this year.

As I noted a few months ago when Privet expressed their desire to explore a potential acquisition, Privet’s interest in the company has been driven by the improved performance of the business and the long-term potential we all see for the company. This is a result of your efforts. I am confident that the Privet team believes strongly in the path we have laid out for the company and expects us to move forward and execute on our strategy. The most important thing we can do during this period is to remain focused and continue to operate the way we have been!

You have my commitment to keep you updated as this continues to progress towards closing. We will be having our normal quarterly webcast in a few weeks, at which time I will provide additional updates.

Thank you for all your efforts.

Chuck Dougherty
President and CEO
