Item 8.01: Other Events

As discussed in our Current Report on Form 8-K filed with the Securities and Exchange Commission on January 18, 2011, we requested a hearing before the Listing Qualifications Panel (the "Panel") of The NASDAQ Stock Market ("NASDAQ"). At the hearing on February 24, 2011, we requested the continued listing of our securities on The NASDAQ Capital Market pursuant to an extension within which to regain compliance with the applicable minimum \$2.5 million stockholders' equity requirement for continued listing on NASDAQ, and on March 17, 2011, the Panel granted our request subject to the satisfaction of certain conditions.

In accordance with the terms of the Panel's decision, on or before May 11, 2011, we are required to demonstrate compliance with all applicable requirements for continued listing on NASDAQ and, in particular, must publicly

announce stockholders' equity of at least \$2.5 million and provide the Panel with an update regarding the components of the Company's plan to evidence continued compliance with the minimum stockholders' equity requirement through 2011. In that regard, we believe we satisfy the minimum \$2.5 million stockholders' equity threshold as of the date of this filing. The basis for our belief that we satisfy the minimum equity threshold is that we successfully completed an equity offering of \$6 million on May 2, 2011, as described in Note 14 (Subsequent Events) to the Financial Statements in our Form 10-Q for the quarter ended March 31, 2011 and in the Liquidity and Capital Resources section of Management's Discussion and Analysis of Financial Condition and Results of Operations.
