- (1) In March 2001, each optionee exercised all options listed above that were exercisable at the end of 2000. Also, each optionee exercised additional options that became exercisable on March 9, 2001 in the following amounts: Mr. Sottile - 125,000; Messrs. Jones, Freeman and Wherry - 41,666.

On January 15, 1985, the Company entered into an employment agreement with John H. Sottile. Such agreement, as amended on February 25, 1986, September 23, 1988, February 27, 1990, January 29, 1992, September 15, 1995 and September 20, 1999, expires on December 31, 2009 and provides for continuous employment until December 31, 2009. This contract currently entitles Mr. Sottile to a salary of \$330,333, which salary may be increased as a result of future annual increases in the Consumer Price Index. If his employment by the Company is terminated (which will be deemed to have occurred if he is relocated), Mr. Sottile is entitled to receive, within ten days of notice of termination, an amount equal to the full cash salary that he would have received in the absence of such termination from the date of termination through December 31, 2009. In the event of his permanent disability or death, he or his estate will be entitled to his salary through the end of the month of his permanent disability or death and for one year thereafter. In addition, on January 11, 1986, a subsidiary of the Company entered into an employment agreement with Mr. Sottile. Such agreement, as amended on September 13, 1988, January 29, 1992, September 11, 1995 and September 20, 1999, provides for continuous employment until December 31, 2009 and thereafter from year to year until terminated and entitles him to be paid \$50,000 per year. If his employment by the subsidiary is terminated without cause (which will be deemed to have occurred if he is relocated), he is entitled to receive an amount equal to his full cash salary from the date of such termination through December 31, 2009. In the event of permanent disability or death, he or his estate will be entitled to his salary for one year.

Directors who are also employees of the Company are not paid any fees or other remuneration for service on the Board or on any Board committee. Each non-employee director receives an aggregate annual fee of \$15,000, with \$1,250 paid each month, and an additional \$500 paid for each Board meeting attended in person.

Employee Benefit Agreements

Beginning in 1989, the Company entered into Employee Benefit Agreements (each, a "Benefit Agreement") with Messrs. Sottile, Jones, Freeman and

Wherry and certain employees of the Company. Under the terms of each Benefit Agreement, the Company owned life insurance policies that accumulated cash surrender value for the retirement of the employee, at age sixty-five, while also providing a life insurance benefit for the employee. Under the terms of each Benefit Agreement, the Company was entitled to a refund of the lesser of the previously paid premiums or the cash surrender value of the insurance policy, either upon retirement of the employee, the death of the employee or upon the termination of the Benefit Agreement. The Company had the right to terminate the Benefit Agreement without any future obligation by giving written notice to the employee. If the Benefit Agreement was terminated, the Company was entitled to receive the lesser of the cash surrender value of the insurance policy or the total of all previously paid premiums. In 2000, the Board of Directors reviewed the Benefit Agreements and related insurance policies and decided it was in the best interest of the Company to terminate the Benefit Agreements to eliminate the annual insurance premium obligations. During the second quarter of 2000, the Company entered into Cancellation and Release

Agreements pursuant to which the Benefit Agreements were terminated. In consideration of terminating the future retirement benefit associated with the Benefit Agreements, the Company decided to compensate the affected employees. The net expense to the Company was \$425,311. Although the Company does not anticipate making any further cash premium payments, the Company will continue to own the policies and has granted each employee the right to name the beneficiary for the death benefits in excess of premiums previously paid by the Company, less any outstanding loans.
