FOR RELEASE: Wednesday, Sept. 17, 2003

AMR PRICES SENIOR CONVERTIBLE NOTES DUE 2023

FORT WORTH, Texas - AMR Corp. (NYSE:AMR), the parent company of American Airlines, Inc., today announced the pricing of a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933 (the "Securities Act") of \$300 million principal amount of 4.25 percent senior convertible notes due 2023. The sale of the notes is expected to close on Sept. 23, 2003 subject to customary closing conditions.

Interest on the notes will be payable semiannually in arrears. Each note will be convertible, under certain circumstances, into AMR common stock at a conversion ratio of 57.61 shares per \$1,000 principal amount of notes. This represents an equivalent conversion price of \$17.36 per share (subject to adjustment in certain circumstances), or a 32 percent premium over the New York Stock Exchange closing price for the company's common shares of \$13.15 on Sept. 17, 2003.

AMR may redeem the notes, in whole or in part, in cash on or after Sept. 23, 2008. Up to an additional \$50 million principal amount of the notes may be sold upon the exercise of a 30-day option granted to the initial purchaser of the notes.

AMR said the notes are to be guaranteed by American Airlines, Inc. AMR plans to use the net proceeds from the offering for working capital and general corporate purposes.

This announcement is neither an offer to sell nor a solicitation to buy any of these notes and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.

The notes and the common stock issuable upon conversion of the notes have not been registered under the Securities Act, or any state securities laws, and may not be offered or sold in the United States absent registration under, or an applicable exemption from, the registration requirements of the Securities Act and applicable state securities laws.
