REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Plan Administrator of
Moog Inc. Employee Stock Purchase Plan

We have audited the accompanying statement of net assets available for benefits of the Moog Inc. Employee Stock Purchase Plan (the "Plan") as of September 30, 2017, and the related statement of changes in net assets available for benefits for the period from inception (February 15, 2017) through September 30, 2017. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of September 30, 2017, and the changes in net assets available for benefits for the period from inception (February 15, 2017) through September 30, 2017, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following is a brief description of the Moog Inc. Employee Stock Purchase Plan (the "Plan") and is provided for general information purposes only. Participants should refer to the Plan Document and the Prospectus for complete information.

General

On February 15, 2017, Moog Inc.'s (the "Company's") shareholders approved the Moog Inc. Employee Stock Purchase Plan. The Plan is administered by the Executive Compensation Committee of the Board of Directors (the "Committee") and is intended to qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code of 1986, as amended, pursuant to which the Plan is not subject to taxation. The Plan is not subject to any provisions of the Employee Retirement Income Security Act of 1974, as amended, and is not qualified under Section 401 of the Internal Revenue Code of 1986, as amended.

Eligibility

An employee of a Moog Inc. entity, that provides services in the United States, is eligible to participate in the Plan if employed for at least 20 hours per week and more than five months in any calendar year or at the discretion of the Committee.

Employees owning shares representing 5% or more of the total combined voting power or value of all classes of Company stock are not permitted to purchase any shares of Company common stock under the Plan.

The initial offering period under the Plan began on September 1, 2017 and will end on December 31, 2017. After the the initial offering period, all subsequent offering periods will be a six-month period beginning on January 1st and July 1st of each year (the "Offering Period"). Each eligible employee may enroll in the Plan during the open enrollment period, which is typically the month prior to the start of an Offering Period.

Contributions

Plan participants may contribute from 1% to 15% of the participant's compensation, as defined in the Plan, through payroll deductions during the Offering Period. Participants may increase, decrease or suspend their withholding percentage during the enrollment period, effective for the next offering period. The Company holds contributions until the end of the Offering Period at which point the Company issues shares for the contributions received. In accordance with the Plan, the Company has no obligation to segregate employee payroll deductions from any other funds of the Company or to hold funds representing the same pending application of such amount to the purchase of shares at the end of each Offering Period.

Any contribution amount remaining after the purchase of whole shares of common stock at the end of an Offering Period is held in the participant's account for the share purchase in the following offering period.

Share Purchases

The Plan has reserved 2,000,000 shares of the Company's common stock for issuance. The Committee shall designate whether the participant may purchase shares in the form of Class A common stock or Class B common stock prior to the beginning of the Offering Period. The Plan will issue Class B common stock for the first offering period.

The Plan allows for qualified employees to purchase the Company's common stock at a discounted price. The maximum discounted purchase price of a share of the Company's common stock is 85% of the fair market value at the lower of the beginning or the end of the semi-annual offering period. The Plan purchases only whole shares of the Company's common stock. Additionally, participants are prohibited from purchases of shares with an aggregate fair market value in excess of \$25,000 in any one calendar year.

The maximum aggregate number of shares subject to the Plan is 2,000,000 shares. There were no shares of the Company's common stock purchased during the period ended September 30, 2017. Under the Plan, 2,000,000 shares remain reserved for future issue.

Participant Withdrawals

Participants may choose to withdraw from the Plan by providing notice at least 30 business days prior to the last pay period of the Offering Period. Participants who terminate their employment with the Company are not eligible to continue participation in the Plan. Upon withdrawal, termination from employment or death, any contributions credited to the participant's account will be returned to the participant, by the Company. Refunds from participant withdrawals have not been significant.

Plan Administration

All expenses for Plan administration are paid by the Company and are not reflected in the accompanying financial statements.
