Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

(a)

On June 30, 2016, the board of directors of Cardinal Health, Inc. ("Cardinal Health") adopted an amendment and restatement of Cardinal Health's Restated Code of Regulations (the "Regulations") to implement proxy access and make related changes to the advance notice provision.

New Section 1.6 of the Regulations provides for a shareholder, or a group of up to 20 shareholders, that has owned at least 3% of outstanding common shares continuously for at least three years to nominate and include in Cardinal Health's proxy materials up to the greater of two directors or 20% of the number of Cardinal Health's directors then serving if the shareholder(s) and the nominee(s) satisfy the requirements specified in the Regulations.

The amendments to the Regulations also revise the period for delivering notice to Cardinal Health of nominations and proposals intended to be presented by shareholders and the information to be included in the notice. The amendments to the Regulations are effective immediately, except that the amendment to Section 1.5(a)(iii), setting forth the period for advance notice of business or nominations to be presented at an annual meeting of shareholders, is effective as of August 29, 2016, so that the notice period with respect to Cardinal Health's 2016 annual meeting of shareholders remains as set forth in the 2015 proxy statement.

The foregoing description of the Regulations is qualified in its entirety by reference to the Regulations, which are filed as Exhibit 3.2 to this Form 8-K.

Item 9.01. Financial Statements and Exhibits.
