Item 8.01 Other Events

Avis Budget Group, Inc. (the “Company”) is filing this Current Report on Form 8-K to recast certain prior period amounts to conform with the segment reporting changes made in connection with the change in our management structure, as well as to disclose a revision to our definition of Adjusted EBITDA, with respect to the financial information contained in our Annual Report on Form 10-K for the year ended December 31, 2013 (“2013 Form 10-K”). During the first quarter of 2014, we changed our management structure and revised our definition of Adjusted EBITDA to exclude restructuring expense. As a result, the financial results of the Company’s Zipcar operations outside of North America are now reported in the Company’s International segment, rather than in the Company’s North America segment. In addition, Adjusted EBITDA now represents income from continuing operations before non-vehicle related depreciation and amortization, any impairment charge, restructuring expense, early extinguishment of debt costs, transaction-related costs, non-vehicle related interest and income taxes. We began to report comparative results under the new organization structure with the filing of our Quarterly Report on Form 10-Q for the quarter ended March 31, 2014.

The rules of the Securities and Exchange Commission require that when a registrant prepares, on or after the date a registrant reports an accounting change such as the changes noted above, a new registration, proxy or information statement (or amends a previously filed registration, proxy, or information statement) that includes or incorporates by reference financial statements, the registrant must recast the prior period financial statements included or incorporated by reference in the registration, proxy or information statement to reflect these types of changes. Accordingly, the Company is filing this Form 8-K to recast our consolidated financial statements as of December 31, 2013 and 2012 and for each of the three years in the period ended December 31, 2013, to reflect the changes in segment reporting and our definition of Adjusted EBITDA, as described above. The recast of Items contained in the Company’s 2013 Form 10-K is presented in Exhibits 99.1, 99.2, 99.3 and 99.4 to this Form 8-K.

The information included in this Form 8-K is presented for informational purposes only in connection with the reporting changes described above and does not amend or restate any of our previously issued financial statements, which were included in our 2013 Form 10-K. In particular, there have been no changes to the Company’s consolidated results of operations, balance sheets or statements of cash flows. This Form 8-K does not reflect events occurring after we filed our 2013 Form 10-K and does not modify or update the disclosures therein in any way, other than to illustrate the realignment of our management structure and the revision our definition of Adjusted EBITDA. For significant developments which have occurred subsequent to the filing of the 2013 Form 10-K, refer to our Quarterly Report on Form 10-Q for the quarter ended March 31, 2014.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this Report to be signed on its behalf by the undersigned hereunto duly authorized.
