to the Prospectus dated October 6, 2003

2,694,664 Shares of Common Stock
(\$0.01 par value)

The information in this prospectus supplement supplements the prospectus dated October 6, 2004 of Cytogen Corporation, a Delaware corporation, relating to an aggregate of 2,694,664 shares of common stock, \$0.01 par value per share, including shares of our common stock underlying immediately exercisable warrants, that may be sold or otherwise transferred from time to time by the stockholders and warrant holders who received such shares and warrants in connection with our private offering of common stock and warrants consummated on July 10, 2004, or by such other permitted pledgees, donees, transferees or other permitted successors in interest that may receive such shares or warrants as a gift, pledge, distribution to members or partners or other non-sale-related transfer.

This prospectus supplement should be read in conjunction with, may not be delivered or utilized without, and is qualified by reference to, the prospectus except to the extent that the information herein contained supplements or supersedes the information contained in the prospectus. SELLING STOCKHOLDERS

Subsequent to the filing of the prospectus, BayStar Capital II L.P. transferred a total of 125,000 warrants to North Sound Legacy International, Ltd., North Sound Legacy Fund LLC and North Sound Legacy Institutional Fund LLC. None of the foregoing transferees were specifically named in the prospectus.

The following table lists the Selling Stockholders not previously specifically identified in the prospectus as a Selling Stockholder, and the number of warrants each such Selling Stockholder beneficially owns and may exercise and sell pursuant to the prospectus from time to time. The information in the table appearing under the heading "Selling Stockholders" in the prospectus is hereby amended by the information set forth below.

This information was furnished to us by the listed Selling Stockholders on or before December 28, 2004. Because the Selling Stockholders may, at any time, acquire or dispose of shares of our common stock without providing notice of such transactions to us, the table below may not reflect the exact beneficial ownership of our common stock held by the Selling Stockholders on the date hereof.

Beneficial ownership is determined in accordance with the rules of the SEC, and includes voting or investment power with respect to shares. Shares of common stock issuable under stock options and

warrants that are exercisable within 60 days after December 28, 2004 are deemed outstanding for computing the percentage ownership of the person holding the options and warrants but are not deemed outstanding for computing the percentage ownership of any other person. Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their shares of common stock, except to the extent authority is shared by spouses under applicable law. The inclusion of any shares in this table does not constitute an admission of beneficial ownership for the person named below.
