Edgar Filing: CYTOGEN CORP - Form 8-K

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On April 21, 2006, Cytogen Corporation ("Cytogen") and Savient Pharmaceuticals, Inc. ("Savient") announced the execution of a distribution agreement granting Cytogen exclusive marketing rights for SOLTAMOX(TM) (tamoxifen citrate) in the United States. SOLTAMOX, a cytostatic estrogen receptor antagonist, is the first oral liquid hormonal therapy approved in the U.S. It is indicated for the treatment of breast cancer in adjuvant and metastatic settings and to reduce the risk of breast cancer in women with ductal carcinoma in situ (DCIS) or with high risk of breast cancer.

Under the terms of the final transaction, Cytogen paid Savient an upfront licensing fee of \$2 million and will pay additional contingent sales-based milestone payments of up to a total of \$4 million to Savient and its wholly owned subsidiary, Rosemont Pharmaceuticals Ltd ("Rosemont"). Savient and Rosemont will also receive royalties on net sales of SOLTAMOX

Additionally, Cytogen has entered into a supply agreement with Rosemont for the manufacture and supply of SOLTAMOX. Cytogen expects to launch SOLTAMOX during the third quarter of 2006.

Attached hereto and incorporated by reference herein as Exhibit 99.1 is a copy of the related press release of Cytogen and Savient, dated April 24, 2006. A copy of the Exclusive Distribution Agreement and the Manufacture & Supply Agreement will be filed as exhibits to Cytogen's upcoming quarterly Report on Form 10-Q for the quarter ended March 31, 2006.

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS.

(c) Exhibits.
