PROPOSAL NUMBER ONE

ELECTION OF DIRECTORS

The Company's bylaws provide for the Board of Directors to consist of a minimum of three directors with the exact number to be voted on by the Company's stockholders at the Meeting. The Board of Directors has recommended for this Meeting that the number of directors be fixed at seven and has nominated six persons for election as directors as noted below, leaving one vacancy. Each director will hold office until the next Annual Meeting of Stockholders (or Special Meeting in Lieu of Annual Meeting of Stockholders) and until his successor is duly elected by the stockholders. For information regarding the independence of the Company's directors, see “Corporate Governance Matters” below.

Unless otherwise instructed, the persons named in the proxy will vote to fix the number of directors at seven and to elect the six nominees named below as directors, leaving one vacancy. Although the Board does not contemplate that any of the nominees will be unavailable to serve as a director, should any unexpected vacancies occur, the enclosed proxy will be voted for such substituted nominees, if any, as may be designated by the Board. In no event will the proxy be voted for more than seven directors.

The Board of Directors recommends a vote "FOR" fixing the number of directors at seven and for electing the six nominees listed above, leaving one vacancy.

PROPOSAL NUMBER TWO

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee annually considers and selects the Company's independent registered public accountants. On March 20, 2014, the Audit Committee selected McGladrey LLP to act as the Company's independent registered public accountants for the fiscal year ending December 31, 2014.

The persons named in the enclosed proxy will vote to ratify the selection of McGladrey LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2014 unless otherwise directed by the stockholders. Stockholder ratification of McGladrey LLP as the Company's independent registered public accountants is not required by the Company's bylaws or otherwise. However, the Company is submitting the selection of McGladrey LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection of McGladrey LLP as the Company's independent registered public accountants, the Audit Committee will reconsider the selection of such independent registered public accountants. Even if the selection is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public

accountant at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

The Board of Directors recommends a vote “FOR” the ratification of the selection of McGladrey LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2014.

3

CORPORATE GOVERNANCE MATTERS

The Board of Directors

The Board of Directors of the Company held four meetings during 2013. Each incumbent director attended 75% or more of the aggregate of: (1) the total number of Board meetings; and (2) the total number of meetings of the committee(s) of which he is a member, if any. The Company does not have a written policy on board attendance at annual meetings of stockholders; however, it does schedule a board meeting immediately after the annual meeting (or special meeting in lieu thereof) for which members attending receive compensation. In 2013, all Board members were present during the Special Meeting held in Lieu of the 2013 Annual Meeting of Stockholders. The table below describes the Board's committees.

Committee Name	Members	Number of Meetings in 2013	Principal Functions
Audit Committee	U. Henseler D. Lipinski R. Redmond	7	<ul style="list-style-type: none"> - Oversee the Company's auditing, accounting and financial reporting processes. - Appoint, compensate, evaluate and, where appropriate, replace independent accountants. - Oversee the Company's compliance with tax, legal and regulatory requirements.
Compensation Committee	U. Henseler M. Magliochetti R. Redmond	2	<ul style="list-style-type: none"> - Oversee and evaluate the Company's compensation programs and compensation of its executives. - Annually determine Chief Executive Officer's base salary and payments under the Company's annual incentive bonus program and long-term deferred compensation plan. - Recommend or approve other executive officers' compensation, including annual performance objectives. - Recommend compensation of Directors to the full Board of Directors.

Director Independence

The Board of Directors has determined that Drs. Henseler and Magliochetti and Messrs. Lipinski and Redmond are "independent," as independence is defined in the listing standards for the Nasdaq Stock Market. Accordingly, four of the six director nominees are independent.

Board Leadership Structure

The Company currently has separate individuals serving as Chairman of the Board of Directors and its principal executive officer. Roger G. Little served as the Company's Chief Executive Officer and President since founding the Company in 1969 until his retirement on December 31, 2013. He continues to serve as Chairman of the Board of Directors, a position he has held since the Company's formation. Mr. LaFavre was appointed the Company's President and Chief Executive Officer on January 1, 2014. Mr. LaFavre, as the Company's Chief Executive Officer, manages the business, while Mr. Little, as the Company's Chairman, leads the Board in overseeing management.

The Board believes that the separation of these positions is currently serving the Company well, and intends to maintain this separation where appropriate and practicable in the future. However, the Board does not believe that it is appropriate to prohibit one person from serving as both Chairman and Chief Executive Officer and, for a company of

its size, that there is a uniform solution for a board leadership structure. In the past, the Company has combined the positions of Chairman and Chief Executive Officer. The Board believes that the right structure should be informed by the needs and circumstances of the Company, the Board and its stockholders, and it may return to its prior leadership structure if the separation of these positions is no longer practicable.

As described above, four of the Company's six director nominees are independent. In addition, all of the directors on each of the Audit Committee and Compensation Committee are independent directors and each of these committees is led by a committee chair. The committee chairs set the agendas for their committees and report to the full Board on their work. Furthermore, nominees for director are recommended for the Board's selection by a majority of the independent directors. The Company does not have a lead director, but the Company's independent directors meet in executive session without management present as frequently as they deem appropriate, typically at the time of each regular Board meeting. All of the Company's independent directors are highly accomplished and experienced business people in their respective fields, who have demonstrated leadership in significant enterprises and are familiar with board processes. The Company's independent directors bring experience, oversight and expertise from outside the Company and industry, while Roger G. Little, the Company's Chairman and former Chief Executive

Officer; and Mark C. Little, the former Chief Executive Officer of its Spire Biomedical division, bring company-specific experience and expertise.

Risk Oversight

While the Board of Directors is responsible for overseeing the Company's risk management, the Board has delegated many of these functions to the Audit Committee. Under its charter, the Audit Committee is responsible for discussing with management and the independent auditors the Company's major financial risk exposures, the guidelines and policies by which risk assessment and management is undertaken, and the steps management has taken to monitor and control risk exposure. In addition to the Audit Committee's work in overseeing risk management, the full Board regularly engages in discussions of the most significant risks that the Company is facing and how those risks are being managed, and the Board receives reports on risk management from senior officers of the Company and from the chair of the Audit Committee. In addition, the Chairman's extensive knowledge of the Company uniquely qualifies him to lead the Board in assessing risks. The Board of Directors believes that the work undertaken by the Audit Committee, together with the work of the full Board along with the Chairman and Chief Executive Officer, enables the Board to effectively oversee the Company's risk management function.

The Audit Committee

The Board of Directors has determined that all members of the Audit Committee are "independent," as independence for the Audit Committee members is defined in the listing standards for the Nasdaq Stock Market. The Company's Board of Directors has determined that Dr. Udo Henseler, member of the Audit Committee, is an "audit committee financial expert" within the meaning of applicable regulations of the Securities and Exchange Commission, based on Dr. Henseler's business experience, as described in his biography. For further information regarding the Audit Committee, see the "Audit Committee Report" beginning on Page 14 of this Proxy Statement.

The Nomination Process

The Company does not currently have a standing nominating committee or a charter for the nomination process. The Company does not have a nominating committee because it believes that obtaining opinions and advice from all directors in connection with Board nominations enhances the nomination process. Nominees for directors are recommended for the Board's selection by a majority of the independent directors. In March 2005, the Company adopted a Board resolution addressing the nominations process, which provides substantially as follows:

1. A majority of the independent directors (the "Majority") shall identify individuals believed to be qualified as candidates to serve on the Board and shall recommend that the Board select the candidates for all directorships to be filled by the Board or by the shareholders at an annual or special meeting. In identifying candidates for membership on the Board, the Majority shall take into account all factors it considers appropriate, which may include strength of character, mature judgment, relevant skills and the extent to which the candidate would fill a present need on the Board.

2. The Majority shall conduct all necessary and appropriate inquiries into the backgrounds and qualifications of possible candidates and, in that connection, shall have sole authority to retain any search firm to be used to assist it in identifying candidates to serve as directors.

3. The Majority shall review and make recommendations, as it deems appropriate, regarding the size and composition of the Board in order to ensure that the Board has the requisite expertise and that its membership consists of persons with sufficiently diverse backgrounds. The Majority is aware that one member of the Board should meet the criteria for an "audit committee financial expert" as defined by Securities and Exchange Commission rules, and that a

majority of the members of the Board must be comprised of “independent directors” as defined in the rules of the Nasdaq Stock Market. The Majority also believes it is appropriate for certain members of the Company's management to participate as members of the Board.

4. The Majority will consider candidates for director recommended by stockholders of the Company. There are no differences in the manner in which the Majority evaluates director nominees recommended by stockholders. Stockholders who wish to recommend director candidates should communicate names of such candidates, with relevant information on their qualifications, to the Secretary, at the address on the first page of this Proxy Statement. The Secretary will forward copies of such stockholder recommendations to the independent directors for their consideration.

5

While the Company does not have a formal diversity policy for Board membership, as noted above, the Board does seek to ensure that its membership consists of sufficiently diverse backgrounds, meaning a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. In considering candidates for the Board, the independent directors consider, among other factors, diversity with respect to viewpoint, skills and experience.

As indicated above, the independent directors will consider candidates for director recommended by stockholders of the Company. The procedures for submitting stockholder recommendations are explained below under "Stockholder Proposals" beginning on Page 16.

The Compensation Committee

The Compensation Committee of the Board of Directors is composed of three members, all of whom satisfy the independence standards for Compensation Committee members under the rules of the Nasdaq Stock Market, and operates under a written charter. A copy of the Compensation Committee Charter is available to stockholders on the Investors - Corporate Governance page of the Company's website at www.spirecorp.com. In 2013, the Compensation Committee was composed of Dr. Magliochetti (chairman), Dr. Henseler and Mr. Redmond.

STOCKHOLDER COMMUNICATIONS TO THE BOARD

The Company will initially receive and process communications before forwarding them to the addressee. The Company generally will not forward to the directors a stockholder communication that it determines to be primarily commercial in nature or relates to an improper or irrelevant topic, or that requests general information about the Company.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission reports of ownership and changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on review of the copies of such reports furnished to the Company or written or oral representations that no other reports were required, the Company believes that during 2013, all filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Bedford Lease

On November 30, 2007, the Company entered into a new Lease Agreement (the “Bedford Lease”) with SPI-Trust, a Trust of which Roger G. Little, Chairman of the Board of the Company, is the sole trustee and principal beneficiary, with respect to 144,230 square feet of space comprising the entire building in which the Company has occupied since December 1, 1985. The term of the Bedford Lease commenced on December 1, 2007 and was originally set to expire on November 30, 2012. The annual

rental rate for the first year of the Bedford Lease was \$12.50 per square foot on a triple net basis, whereby the tenant is responsible for operating expenses, taxes and maintenance of the building. The annual rental rate increased on each anniversary by \$0.75 per square foot.

On September 17, 2010, the Company entered into the First Amendment to Lease Agreement with SPI-Trust to amend the Bedford Lease. The term of the Bedford Lease was extended for an additional five years and will expire on November 30, 2017. The annual rental rate for the first year of the extended term (December 1, 2012 through November 30, 2013) was \$16.00 per square foot on a triple net basis, whereby the tenant is responsible for operating expenses, taxes and maintenance of the building. After the first year of the extended term of the Bedford Lease, the annual rental rate increases on each anniversary by \$0.50 per square foot. The Company has the right to further extend the term of the Bedford Lease for an additional five year period. If the Company exercises its right to further extend the term of the Bedford Lease, the annual rental rate for the first year of the further extended term will be the greater of: (a) the rental rate in effect immediately preceding the commencement of the extended term; or (b) the market rate at such time, and on each anniversary of the commencement of the extended term the rental rate will increase by \$0.50 per square foot. Additionally, SPI-Trust agreed to reimburse the Company up to \$50,000 for all costs incurred by the Company in connection with any alterations or improvements to the premises, or repairs or replacements to the heating and air conditioning systems.

On September 18, 2013, the Company entered into the Second Amendment to Lease Agreement with SPI-Trust to amend the Bedford Lease. The leased portion of the premises and annual base rent in Bedford, Massachusetts was reduced by approximately 19%. All other material terms and conditions related to the Bedford Lease remain unchanged as of such date. The Company believes that the terms of the Bedford Lease, as amended, are commercially reasonable. Rent expense from continuing operations under the Bedford Lease was \$2.2 million for the year ended December 31, 2013.

N2 Biomedical, LLC

On September 18, 2013, the Company and its subsidiary, Spire Biomedical, Inc. entered into an Asset Purchase Agreement (the "Purchase Agreement") with N2 Biomedical, LLC ("N2") pursuant to which N2 agreed to (i) acquire substantially all of the assets of the Company's biomedical business (the "Business") and (ii) assume and pay certain liabilities related to the purchased assets as set forth in the Purchase Agreement (collectively, the "Transaction"). The Transaction closed on September 18, 2013.

At the time of the Transaction, Mark C. Little was the Chief Executive Officer of the Subsidiary and is the current President and Chief Executive Officer of N2. He was also a director of the Company at the time of the Transaction, and continues to serve as a director of the Company. Mark C. Little is the son of Roger G. Little, the Company's Chief Executive Officer at the time of the Transaction and the Company's current Chairman of the Board. The Company's Board of Directors, including all of the disinterested directors, unanimously approved the Transaction after full disclosure of all material facts of the Transaction and each director's interest in the Transaction.

The purchase price for the Business was \$10.5 million plus the assumption of liabilities of approximately \$0.1 million, with \$6.0 million paid in cash at closing, a \$2.4 million subordinated convertible promissory note, and 310,549 Series A Preferred Units of N2 valued at approximately \$2.1 million (\$6.72 per share). The parties determined the purchase price through negotiation, as well as the parties' determination of fair market value of, and solicitation of third party bids on, the Business. The subordinated promissory note (i) bears interest at 9% per annum until paid in full, (ii) is convertible, at the Company's option, into common units of N2 at a conversion price of \$6.72 per share, (iii) has a seven year term, (iv) is unsecured and (v) is subordinate in right of payment to all senior bank indebtedness of N2.

The Series A Preferred Units (i) represent an equity ownership interest of 19.9% in N2, (ii) are governed by the terms of the Amended and Restated Limited Liability Company Agreement of N2 dated September 18, 2013, (iii) rank senior to the common units on liquidation, dissolution and winding up, and (iv) vote together with the common units on an as-converted basis. The Company has the right to appoint one director to the N2 Board of Directors. N2 is subject to certain affirmative and negative operating covenants in favor of the holder of N2 Series A Preferred Units.

On September 18, 2013, the Company and N2 also entered into a Shared Services Agreement whereby the Company will provide N2 certain services (the “Shared Services”) for a period of three years. It is the intent of the parties that the aggregate fees for the Shared Services shall equal approximately \$500,000 during the first year. Following the first anniversary, N2 may terminate any specific Shared Service with 20 days’ written notice to the Company.

On September 18, 2013, N2 entered into a Lease Agreement (the “N2 Bio Bedford Lease”) with SPI-Trust with respect to 27,000 square feet of space in the Company’s premises in Bedford, Massachusetts under the Bedford Lease. The term of the

N2 Bio Bedford Lease commenced on September 18, 2013 and is set to expire on November 30, 2020. The annual rental rate prorated for September 18, 2013 to November 20, 2013 was \$16.00 per square foot on a triple net basis, whereby N2 was responsible for operating expenses, taxes and maintenance of the building. The annual rental rate increased on December 1, 2013 and will increase each anniversary thereafter by \$0.50 per square foot. The Company believes that the terms of the N2 Bio Bedford Lease are commercially reasonable and reflective of market rates. Rent expense under the N2 Bio Bedford Lease, which is paid by N2 and not by the Company, was \$137,000 for the year ended December 31, 2013.

Hudson Lease

On August 29, 2008, the Company entered into a new Lease Agreement (the “Hudson Lease”) with SPI-Trust, with respect to 90,000 square feet of space, comprising the entire building in which Spire Semiconductor division occupied space beginning June 1, 2003. The term of the Hudson Lease commenced on September 1, 2008, and was to continue for seven years until August 31, 2015. The annual rental rate for the first year of the Hudson Lease was \$12.50 per square foot on a triple-net basis, whereby the tenant was responsible for operating expenses, taxes and maintenance of the building. The annual rental rate increases on each anniversary by \$0.75 per square foot. In addition, the Company was required to deposit with SPI-Trust \$300,000 as security for performance by the Company for its covenants and obligations under the Hudson Lease. SPI-Trust was responsible, at its sole expense, to make certain defined tenant improvements to the building. Rent expense from continuing operations under the Hudson Lease for the year ended December 31, 2013 was zero. Rent expense from discontinued operations under the Hudson Lease was zero for the year ended December 31, 2013. In connection with the sale of the Company's semiconductor business unit, the lease was terminated on March 9, 2012 and the Company was released from all future obligations under the lease as of such date. The security deposit of \$300,000 was used to off-set rent payments in the first quarter of 2012.

Non-Qualified Deferred Compensation Plan

Effective January 1, 2002, the Company adopted the Spire Corporation Non-Qualified Deferred Compensation Plan (the "Deferred Compensation Plan") for Roger G. Little, who was then the Company's Chief Executive Officer and President. Mr. Little served as Chief Executive Officer and President until his retirement on December 31, 2013. Under the Deferred Compensation Plan, the Company made equal monthly contributions to the Spire Corporation Non-Qualified Deferred Compensation Trust (the "Trust") up to the annually required amount of \$250,000. The Company recorded these contributions as selling, general and administrative expense when made. The trustee made all investment decisions for the Trust on behalf of Mr. Little. The Company did not guarantee a return on investment for Mr. Little. All earnings and losses on the Deferred Compensation Plan assets were borne by Mr. Little. All contributions and earnings were fully vested to Mr. Little when made but are subject to the Company's creditors in the event of bankruptcy. The Company made contributions only if it had "available cash" to meet its operational needs as determined by the Compensation Committee. If the Compensation Committee determines that there was not enough "available cash" then it could defer funding for a particular plan year only until cash becomes available.

On November 17, 2011, the Compensation Committee of the Board of Directors of the Company approved an amendment to the Deferred Compensation Plan for Mr. Little to permit him to elect, subject to Compensation Committee approval, to receive all or any part of the deferred portion of his compensation under the Deferred Compensation Plan in shares of the Company's common stock in lieu of cash. The number of shares to be issued in lieu of such deferred compensation shall be equal to the dollar amount that would otherwise be credited to the Deferred Compensation Plan divided by the closing sale price per share of common stock on the date on which the Compensation Committee approves Mr. Little's election. The shares shall be issued under, and be subject to the terms, conditions and limitations of, the Company's 2007 Stock Equity Plan (the "2007 Plan"). The Deferred Compensation Plan permitted one election to be made with respect to accumulated deferred compensation for 2010 and 2011 and, commencing in 2012, elections are made on a quarterly basis. All such elections shall be subject to and be contingent upon approval of the Compensation Committee. On November 17, 2011, Mr. Little elected to receive aggregate accumulated deferred compensation of \$500,000 for 2010 and 2011 in shares of common stock (and the Compensation Committee approved such election), which, based on the closing sale price of the Company's common stock on such date (\$0.78), is equal to approximately 641,025 shares. On June 21, 2012, Mr. Little elected to receive aggregate accumulated deferred compensation of \$62,500 for the third quarter of 2012 in shares of common stock (and the Compensation Committee approved such election), which, based on the closing sale price of the Company's common stock on such date (\$0.69), is equal to approximately 90,580 shares. On August 16, 2012, Mr. Little elected to receive aggregate accumulated deferred compensation of \$62,500 for the fourth quarter of 2012 in shares of common stock (and the Compensation Committee approved such election), which, based on the closing sale price of the Company's common stock on such date (\$0.55), is equal to approximately 113,636 shares. Because of limitation on awards under the Company's 2007 Stock Equity Plan, the Deferred Compensation Plan trust was issued 500,000 of such shares, valued at approximately \$384,000, and issued 145,241 of such shares, valued at approximately \$84,000, in 2012 and 2013, respectively. Compensation expense from continuing operations was approximately \$250,000 and

\$250,000 in the years ended December 31, 2013 and 2012, respectively. Accrued compensation expense related to the Deferred Compensation Plan was \$375,000 and \$209,000 at December 31, 2013 and 2012, respectively. Mr. Little retired as Chief Executive Officer and President of the Company on December 31, 2013. Mr. Little received a partial deferred compensation payment of approximately \$1.2 million in January 2014 and has the ability to receive the remaining deferred compensation balance on July 1, 2014.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

On January 1, 2002, the Company entered into an employment agreement with Roger G. Little, the Company's then Chief Executive Officer and President. The agreement was for a five-year term, subject to extension as provided thereunder. Under the terms and conditions of the employment agreement, Mr. Little received a base salary of \$278,775 and an annual payment under the Deferred Compensation Plan in the amount of \$250,000. He was also entitled to a payment under the Company's annual incentive program of up to 50% of base salary (depending on the attainment of specified performance goals as set by the

Compensation Committee). In 2013, the Compensation Committee made the determination to award Mr. Little \$92,925 under the Company's 2013 annual incentive plan. The employment agreement also provided for a Company vehicle for Mr. Little and for life insurance for which he was able to designate a beneficiary in the face amount of \$500,000. The agreement also precluded Mr. Little from competing with the Company during his employment and for a period of one year thereafter, and from disclosing confidential information. The agreement also entitled Mr. Little to paid vacations in accordance with the regular policy of the Company for the executive officers. Effective December 31, 2013, Mr. Little retired from his position as Chief Executive Officer and President of the Company.

No vote may be taken unless a quorum (i.e., a majority of the common stock issued, outstanding and entitled to vote) is present at the Meeting in person or by proxy. The approval of all matters as may properly come before the meeting requires the affirmative vote of a majority in interest of the stock represented and entitled to vote at the meeting. Broker non-votes are counted for purposes of determining the presence of a quorum, but are not counted for purposes of determining the result of any vote for such matters. Abstentions are counted in determining the presence of a quorum and have the effect of a vote against a proposal.

The Board has fixed April 2, 2014, as the record date for determining the stockholders entitled to vote at the Meeting. On that date, there were 9,207,874 shares of common stock of the Company issued, outstanding, and entitled to vote.

HOUSEHOLDING INFORMATION

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for us. Under this procedure, multiple stockholders who share the same last name and address will receive only one copy of the annual proxy materials, unless they notify us that they wish to continue receiving multiple copies. We have undertaken householding to reduce our printing costs and postage fees.

If you wish to opt-out of householding and continue to receive multiple copies of the proxy materials at the same address, you may do so at any time prior to thirty days before the mailing of proxy materials, which will typically be mailed in April of each year, by notifying us in writing at: Secretary, Spire Corporation, One Patriots Park, Bedford, Massachusetts 01730 or by contacting us at 781-275-6000. You also may request additional copies of the proxy materials by notifying us in writing at the same address or contacting us at 781-275-6000, and we will undertake to deliver such additional copies promptly. If you share an address with another stockholder and currently are receiving multiple copies of the proxy materials, you may request householding by notifying us at the above referenced address or telephone number.

OTHER MATTERS

The Board knows of no other matters that may come before the Meeting. If any other matters should properly come before the Meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their judgment on such matters. Such discretionary authority is conferred by the proxy.

All costs of this solicitation, which is being made principally by mail, but which may be supplemented by telephone or personal contacts by the Company's directors, officers, and employees without additional compensation, will be borne by the Company. Brokers will be requested to forward proxy soliciting material to the beneficial owners of the stock held in such brokers' names, and the Company will reimburse them for their expenses incurred in complying with the Company's request.

In the Company's filings with the Securities and Exchange Commission, information is sometimes “incorporated by reference.” This means that the Company is referring you to information that has previously been filed with the Securities and Exchange Commission, so the information should be considered as part of the filing you are reading. Based on the Securities and Exchange Commission regulations, the Audit Committee Report specifically is not incorporated by reference into any other filings with the Securities and Exchange Commission.

The Company's policy is to encourage its Board members to attend the Annual Meeting of Stockholders, and all of the members standing for re-election attended the Special Meeting in Lieu of the 2013 Annual Meeting of Stockholders.

STOCKHOLDER PROPOSALS - 2015 ANNUAL MEETING

In order to be included in the proxy statement and form of proxy for the 2015 Annual Meeting of Stockholders pursuant to Exchange Act Rule 14a-8, stockholder proposals must be received by the Company at its corporate offices in Bedford, Massachusetts, no later than December 18, 2014 (120 days before the anniversary of the date this Proxy Statement is being mailed to the Company's stockholders). The notice must include written consent by each proposed nominee to being named as a nominee and to serve as a director if elected. No person will be eligible for election as a director of Spire unless recommended by a majority of independent directors and nominated by the Board or nominated in accordance with the procedures set forth above.
