On October 4, 2005, SJWTX Water, Inc. The Asset Purchase Agreement will become effective when CLWSC receives written notification from the Texas Water Development Board that: (i) certain CLWSC Bond Debt held by the Texas Water Development Board may be discharged or otherwise purchased by SJWTX Water at closing and (ii) the Texas Water Development Board will authorize certain amendments to CLWSC's organizational documents necessary for CLWSC to consummate the transaction as contemplated by the Asset Purchase Agreement.

The purchase price of the assets consists of (i) \$3.2 million in cash payable to CLWSC at closing, (ii) SJWTX Water's assumption, retirement or recapitalization of all of CLWSC's outstanding debt and bond obligations (approximately \$20 million), and (iii) SJWTX Water's payment of certain CLWSC transaction expenses.

Once the Asset Purchase Agreement becomes effective, the acquisition will be subject to the satisfaction of various closing conditions set forth in the Asset Purchase Agreement, including obtaining the required approval of the members of CLWSC, the Texas Commission on Environmental Quality, and any other approvals required under the parties' governing documents and agreements and applicable laws and regulations.
