- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Section 2 - Financial Information

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As previously reported, on April 25, 2006, Portland General Electric Company (PGE) accepted offers from certain institutional buyers (Buyers) in the private placement market to purchase \$275 million of PGE's First Mortgage Bonds in two series. As contemplated by the parties at the time of PGE's acceptance of the offers, this transaction closed on May 24, 2006 (Issuance Date). One series of the Bonds, in the amount of \$175 million, bears interest from the Issuance Date at an annual rate of 6.31% and is scheduled to mature on May 1, 2036. The other series, in the amount of \$100 million, bears interest from the Issuance Date at an annual rate of 6.26% and is scheduled to mature on May 1, 2031. The Bonds are redeemable at the option of PGE at designated "make-whole" redemption prices. The Bonds were issued pursuant to a Bond Purchase Agreement between PGE and the Buyers and under PGE's Indenture of Mortgage and Deed of Trust, dated July 1, 1945, as supplemented (including the Fifty-Sixth Supplemental Indenture dated May 1, 2006) between PGE and HSBC Bank USA, National Association (as successor to The Marine Midland Trust Company of New York) in its capacity as trustee.

PGE intends to use the proceeds from the bond issuance for the early retirement of the outstanding \$150 million principal amount of 8 1/8% Series First Mortgage Bonds due in 2010, and for general corporate purposes.
