Historical information was updated for discontinued operations. No sections of the 2010 Form 10-K other than those identified above are being updated by this filing. More current information is included in other Company filings with the Securities and Exchange Commission. This Current report on Form 8-K should be read in conjunction with the 2010 Form 10-K, the Company’s Quarterly Reports on Form 10-Q for the quarterly periods ended July 31, 2010, October 31, 2010, and January 31, 2011 and other Company filings. Discontinued Operations

During the third quarter of fiscal year 2011 the Company sold an industrial property in Waconia, Minnesota, and three multi-family residential properties (the Company’s Miramont, Neighborhood and Pinecone Apartment complexes) located in Fort Collins and Colorado Springs, Colorado.

In accordance with generally accepted accounting principles, revenues and expenses associated with these operations have been classified as discontinued operations for all periods presented in our Quarterly Report on Form 10-Q for the period ended January 31, 2011, that was filed with the Securities and Exchange Commission on March 14, 2011.

Under SEC regulations, the same discontinued classification is also required for previously-issued financial statements for each of the years presented in our 2010 Form 10-K, even though the financial statements relate to periods prior to the discontinued classification. This reclassification has no effect on our reported net income for any reporting period.
