Item 1.01. Entry into a Material Definitive Agreement.

The discussion in Item 2.03 below is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On October 29, 2014, IRET Properties, a North Dakota Limited Partnership ("IRET Properties" or "Borrower") and a subsidiary of Investors Real Estate Trust (the "Company") entered into a First Amendment to Amended and Restated Loan Agreement (the "Loan Agreement") with First International Bank & Trust, a North Dakota state bank, as lender ("Lender"), pursuant to which Lender has agreed to provide a revolving credit facility with a commitment amount at the time of close of \$90 million. At the discretion of the Lender, this amount may be increased to \$100 million. First International Bank & Trust is owned by Stephen L. Stenehjem, a Trustee of the Company, and by members of his family. The Loan Agreement amends the Borrower's secured line of credit with the Lender and participant banks, provided pursuant to the Amended and Restated Loan Agreement dated November 20, 2013 between Borrower and Lender.

Subsequent to the end of the Company's first quarter of its fiscal year 2015, IRET Properties advanced \$5 million under the facility, which, in addition to the \$35 million advanced under the facility as of July 31, 2014, totals \$40 million currently drawn and outstanding under the facility. IRET Properties expects to borrow additional amounts under the facility from time to time for general corporate purposes, to finance acquisitions and development and redevelopment projects, and tenant improvements, and potentially to repay debt. The facility is secured by mortgages on 15 properties owned by the Borrower and its subsidiaries. The initial term of the facility is three years, with a maturity of September 1, 2017. Interest-only payments are due monthly based on the total amount of advances outstanding. The facility may be prepaid at par at any time.

IRET Properties may add additional eligible real estate properties as collateral for the facility if it chooses to remove an existing property from the mortgage collateral. IRET Properties may also remove property as collateral for the facility without substituting additional collateral if the remaining property in the collateral pool satisfies the minimum collateral requirements in the loan documents. Advances under the facility may not exceed 65% of the value of the properties provided as security.

The interest rate on borrowings under the facility is the Wall Street Journal Prime Rate + 1.25%, with a floor of 4.75% and a cap of 8.65% during the initial term of the facility.

The facility includes covenants and restrictions regarding minimum debt-service ratios to be maintained in the aggregate and individually on properties in the collateral pool, and the Borrower is also required to maintain minimum depository accounts totaling \$6 million with the Lender, of which \$1.5 million is to be held in a non-interest bearing account.

The Lender has informed IRET Properties that as of October 29, 2014, participants in the credit facility and their respective commitment amounts are as follows:

---

First International Bank & Trust (Lead Bank): \$10 million

The Bank of North Dakota: \$30 million

First Western Bank & Trust: \$18 million

Dacotah Bank: \$12 million

MidCounty Bank: \$4 million

Highland Bank: \$4 million

Town & Country Credit Union: \$4 million

American State Bank & Trust Company: \$6 million

United Community Bank of North Dakota: \$2 million

The above description of the credit facility is a summary only and is qualified in its entirety by reference to the Loan Agreement. A copy of the Loan Agreement, the terms of which are incorporated by reference herein, is attached as Exhibit 10.1 to this Current Report on Form 8-K.
