Item 1.01 Entry into a Material Definitive Agreement.

Amended and Restated Director Designation Agreement

On February 13, 2015, Kaiser Aluminum Corporation (the "Company") and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO, CLC (formerly known as the United Steelworkers of America, AFL-CIO, CLC) (the "USW") amended and restated the terms of the director designation agreement dated July 6, 2006 (the "Amendment"). Similar to the director designation agreement, the Amendment provides the USW with the right to designate for nomination the minimum number of candidates necessary to ensure that, assuming such candidates are elected by the Company's stockholders, at least 40% of the members of the board of directors (the "Board") immediately following such election of directors who were designated by the USW. The Amendment, however, provides the Company with the ability to increase the size of the Board from 10 to up to 12 members without increasing the number of candidates that the USW has the right to designate for nomination. In addition, the Amendment requires the Company and the USW to meet not less than annually to discuss each Board member designated for nomination by the USW and requires the USW to obtain the Company's approval prior to re-designating a Board member for nomination. As with the director designation agreement, the Amendment also provides that, so long as the Board maintains an audit committee, executive committee or nominating and corporate governance committee, each such committee will, unless otherwise required by the fiduciary duties of the Board, include at least one director who was designated by the USW to serve on the Board in accordance with the Amendment. The Amendment was entered into in connection with the renewal and ratification of a labor agreement with the members of the USW at the Company's Newark, Ohio and Spokane, Washington facilities and was effective upon ratification of the labor agreement on January 28, 2015. The Amendment will expire on December 31, 2020.

The preceding description of Amendment is a summary and is qualified in its entirety by the Amendment, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
