PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
June 2, 2005

PROXY SOLICITATION

This Proxy Statement is furnished in connection with the solicitation by

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

the Board of Directors (the "Board") of Pyramid Oil Company (the "Company") of proxies to be used at the Annual Meeting of Shareholders of the Company (the "Annual Meeting") to be held on June 2, 2005, and at any postponement or adjournment thereof. This Proxy Statement, together with the accompanying proxy, is first being mailed to shareholders on or about May 10, 2005. You are requested to sign, date and return the enclosed proxy card in order to ensure that a majority of the outstanding shares of common stock of the Company (the "Common Stock") are represented at the meeting.

Any proxy given by a shareholder of the Company may be revoked at any time before it is voted by attending the Annual Meeting and voting in person or by filing with the Secretary of the Company an instrument revoking the proxy or a duly executed proxy bearing a later date. If the enclosed form of proxy is properly executed and returned, the Common Stock represented thereby will be voted in accordance with the instructions given by the proxy. IF NO INSTRUCTIONS ARE GIVEN, THE COMMON STOCK WILL BE VOTED "FOR" (1) APPROVAL OF THE ELECTION OF THE NOMINEES FOR DIRECTORS NAMED HEREIN; AND (2) THE RATIFICATION OF THE COMPANY'S SELECTION OF SINGER LEWAK GREENBAUM & GOLDSTEIN, LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2005. If any other matters are properly presented at the meeting, or any adjournment thereof, the persons voting the proxies will vote according to their best judgment.

Solicitation of proxies will be primarily by mail, although some solicitation will be by telephone, telegraph or personal interview. Proxies may be solicited by officers, directors and regular employees of the Company. The Company will not pay any additional compensation for such solicitations. Arrangements may be made with brokerage houses and with the Company's transfer agent, U.S. Stock Transfer, Glendale, California, to send notices, proxy statements, proxies and other materials to shareholders. The cost for such services is expected to be nominal and will be borne by the Company.

Approval of the selection of Singer Lewak Greenbaum & Goldstein, LLP, requires the affirmative vote of the holders of a majority of the shares represented or in person or by proxy and voting on the item, provided that the shares voting affirmatively must also constitute a majority of the required quorum for the Annual Meeting.

4

RECORD DATE AND VOTING

Only holders of record of the Company's Common Stock at the close of business on April 11, 2005 shall be entitled to notice of and to vote at the Annual Meeting. Transferees of Common Stock which is transferred on the books of the Company subsequent to such date shall not be entitled to notice of or to vote at the Annual Meeting.

As of April 11, 2005, there were outstanding 2,494,430 shares of Common Stock. A majority of the outstanding shares of Common Stock entitled to vote, whether present or in person or by proxy, constitutes a quorum for the conduct of business at the Annual Meeting. Abstentions and "broker non-votes" on matters as to which they lack voting authority will be treated as shares present and entitled to vote for purposes of determining the presence of a quorum. Unless cumulative voting is requested by a shareholder, each share of Common Stock is entitled to one vote for the election of each director of the Company. Under the California General Corporation Law, if a shareholder gives notice prior to the commencement of voting on the election of directors of his or her intention to cumulate his or her votes, then all shareholders (or their proxies) may cumulate their votes. No cumulative voting will occur if no such

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

notice is given.

Cumulative voting permits each shareholder to cast an aggregate number of votes equal to the number of shares owned multiplied by the number of directors to be elected; all of such votes may be cast for a single nominee or may be allocated among any two or more nominees as the shareholder wishes.

If a proxy is marked "FOR" the election of directors, it may, at the discretion of the persons named in the enclosed form of proxy (the "Proxy Holders"), be voted cumulatively in the election of directors. Under either form of voting, the five nominees receiving the highest number of votes cast will be elected as directors.

If you hold your shares of Common Stock in "street name," please contact your broker or nominee as to the voting of your stock.

ELECTION OF DIRECTORS

Directors are to be elected at the Annual Meeting to serve until the next annual meeting and until their successors are elected and qualified. Unless authority to vote for directors is withheld in the proxy card, it is the intention of the Proxy Holders to vote for the election of the following five persons as directors: John H. Alexander, J. Ben Hathaway, Thomas W. Ladd, Gary L. Ronning and John E. Turco.

The Board has been informed that all nominees are willing to serve as directors. If any of them should decline or be unable to act as a director, the Proxy Holders will vote for the election of another person or persons as they, in their discretion, may choose. The Board has no reason to believe any nominee will be unable or unwilling to serve.

BOARD COMMITTEES; DIRECTOR NOMINATING PROCESS; SHAREHOLDER COMMUNICATIONS WITH THE BOARD

All directors of the Company comprise the Audit Committee, which reviews the Company's financial and accounting organization, financial reporting and the reports of the independent auditors and is responsible for the selection and oversight of the independent auditors. The Board of Directors has determined that Messrs. Thomas W. Ladd, Gary L. Ronning and John E. Turco are 'independent' within the meaning of Rule 4200(a)(15) of the Nasdaq Stock Market, Inc.

The Audit Committee held one meeting during the last fiscal year. All of the Company's Directors attended the Audit Committee meeting.

All directors of the Company comprise the Nominating Committee, which recommends prospective directors to fill vacancies that may arise from time to time and proposes individuals for election to the Company's Board by the Company's shareholders. The Nominating Committee held one meeting during the last fiscal year. All of the Company's directors attended the Nominating Committee meeting.

The Company has no Compensation Committee or other standing Committee. Because all directors serve as the Audit Committee and the Nominating Committee, the Board of Directors does not believe that it is necessary for either committee to have a written charter to govern its operations.

The Board of Directors, in its capacity as the Company's Nominating Committee, will consider shareholder nominations for candidates for membership on the Board. In evaluating such nominations, the Board seeks to achieve a balance of knowledge, experience and capability on the Board. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership and should be addressed to Lee G. Christianson, Secretary, Pyramid Oil Company, P.O. Box 832, Bakersfield, California 93302. Shareholder nominations should be delivered to Mr. Christianson at least 120 days before the date of the annual meeting.

The Board believes that directors should have the highest professional and personal ethics and values, consistent with longstanding Company values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties.

The Board utilizes a variety of methods for identifying and evaluating nominees for director. The Board periodically assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates for director. Candidates may come to the attention of the Board's through current
9

Board members, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Board, and may be considered at any point during the year. If any materials are provided by a shareholder in connection with the nomination of a director candidate, the materials will be forwarded to the Board. The Board will also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder.

All five of the director nominees identified in this proxy statement currently serve as directors of the Company.

Any shareholder can communicate with all directors or with specified directors by sending a letter to the Company's Corporate Secretary at the address listed above. All such letters will be forwarded to the entire Board or to the directors specified by the shareholder.

BOARD MEETINGS AND COMPENSATION

The Board of Directors met six times in 2004. Only non-employee directors receive payment for service as directors of the Company. Non-employee directors receive \$300 for each board meeting attended. Each director received a total of \$1,500 in directors fees during 2004. Each board meeting was attended by all of the directors.

Each director is encouraged to attend each annual meeting of shareholders. All directors attended the 2004 annual meeting of shareholders.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee currently is comprised of the full Board of Directors. The Board of Directors has determined that Mr. Turco is an "audit committee financial expert" as defined in Item 401(e)(2) of the Securities and Exchange Commission's Regulation S-B.

The Audit Committee oversees and monitors the participation of the Company's management and independent auditors throughout the financial reporting process. Other than their services as executive officers and directors of the Company, no member of the Audit Committee has any other material relationship with the Company.

In connection with its function to oversee and monitor the financial reporting process, the Audit Committee has, among other things: reviewed and discussed with the Company's management the audited financial statements for the fiscal year ended December 31, 2004, discussed with the Company's independent auditors those matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU 380); received the written disclosures and letter from the Company's independent auditors required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees); and discussed with the Company's independent auditors their

10

independence in light of any nonaudit services performed by them for the Company.

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

Based upon the foregoing, the Audit Committee approved the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Effective January 1, 1990, John H. Alexander, an officer and director of the Company participated with a group of investors that acquired the mineral and fee interest on one of the Company's oil and gas leases (Santa Fe Energy lease) in the Carneros Creek field after the Company declined to participate. The thirty-three percent interest owned by Mr. Alexander represents a minority interest in the investor group. Royalties on oil and gas production from this property paid to the investor group approximated \$143,000 in 2004, \$122,000 in 2003 and \$100,000 in 2002.

On January 14, 2000, pursuant to specific terms, conditions and obligations contained within the May 1984 oil and gas lease between Santa Fe Energy Company as lessor and Pyramid Oil Company as lessee, Pyramid quit-claimed all unearned acreage in said lease back to the lessors. Under the terms of the lease, Pyramid retained specific producing intervals within 10 acre spacings surrounding each well bore.

Effective April 1, 2002, the Company acquired the remaining 36.5 % working interest in the Santa Fe oil and gas lease in the Carneros Creek field and working interests (approximately 36.5%) in two other leases in the same area from the investor group noted above. The investor group acquired these working interests from the Company's former joint venture partner in these three oil and gas leases as the result of a court ordered settlement agreement concluding litigation between the investor group and the joint venture partner. The investor group sold the working interests to the Company for \$217,000. Mr. John H. Alexander, Vice President of the Company, owns a thirty-three percent interest in the investor group. The Company had notes payable to the investor group in the amount of \$108,502 at the end of December 31, 2002, of which \$108,502 was paid-off on the notes payable in 2003.

As a director, Mr. Alexander has abstained from voting on any of the above matters that have been brought before the Board of Directors.
