PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
June 4, 2009

PROXY SOLICITATION

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of Pyramid Oil Company (the "Company") of proxies to be used at the Annual Meeting of Shareholders of the Company (the "Annual Meeting") to be held on June 4, 2009, and at any postponement or adjournment thereof. This Proxy Statement, together with the accompanying proxy, is first being mailed to shareholders on or about May 8, 2009. You are requested to sign, date and return the enclosed proxy card in order to ensure that a majority of the outstanding shares of Common Stock of the Company (the "Common Stock") are represented at the meeting.

Any proxy given by a shareholder of the Company may be revoked at any time before it is voted by attending the Annual Meeting and voting in person or by filing with the Secretary of the Company an instrument revoking the proxy or a duly executed proxy bearing a later date. If the enclosed form of proxy is properly executed and returned, the Common Stock represented thereby will be voted in accordance with the instructions given by the proxy. IF NO INSTRUCTIONS ARE GIVEN, THE COMMON STOCK WILL BE VOTED "FOR" (1) APPROVAL OF THE ELECTION OF THE NOMINEES FOR DIRECTORS NAMED HEREIN; AND (2) THE RATIFICATION OF THE COMPANY'S SELECTION OF SINGERLEWAK LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2009. If any other matters are properly presented at the meeting, or any adjournment thereof, the persons voting the proxies will vote according to their best judgment.

Solicitation of proxies will be primarily by mail, although some solicitation will be by telephone, telegraph or personal interview. Proxies may be solicited by officers, directors and regular employees of the Company. The Company will not pay any additional compensation for such solicitations. Arrangements may be made with brokerage houses and with the Company's transfer agent, Computershare, Glendale, California, to send notices, proxy statements, proxies and other materials to shareholders. The cost for such services is expected to be nominal and will be borne by the Company.

Approval of the selection of SingerLewak LLP requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy and voting on the item, provided that the shares voting affirmatively must also constitute a majority of the required quorum for the Annual Meeting. With regard to the election of directors, the five nominees receiving the greatest number of votes will be elected.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON JUNE 4, 2009

RECORD DATE AND VOTING

Only holders of record of the Company's Common Stock at the close of business on April 30, 2009 shall be entitled to notice of and to vote at the Annual Meeting. Transferees of Common Stock which is transferred on the books of the Company subsequent to such date shall not be entitled to notice of or to vote at the Annual Meeting.

As of April 30, 2009, there were outstanding 4,677,728 shares of Common Stock. A majority of the outstanding shares of Common Stock entitled to vote, whether present in person or by proxy, constitutes a quorum for the conduct of business at the Annual Meeting. Abstentions and "broker non-votes" on matters as to which they lack voting authority will be treated as shares present and entitled to vote for purposes of determining the presence of a quorum. Unless cumulative voting is requested by a shareholder, each share of Common Stock is entitled to one vote for the election of each director of the Company and to one vote on every other matter to be voted upon at the Annual Meeting. Under the California General Corporation Law, if a shareholder gives notice prior to the commencement of voting on the election of directors of his or her intention to cumulate his or her votes, then all shareholders (or their proxies) may cumulate their votes in connection with the election of directors. No cumulative voting will occur if no such notice is given.

5

Cumulative voting permits each shareholder to cast an aggregate number of votes equal to the number of shares owned multiplied by the number of directors to be elected; all of such votes may be cast for a single nominee or may be allocated among any two or more nominees as the shareholder wishes.

If a proxy is marked "FOR" the election of directors, it may, at the discretion of the persons named in the enclosed form of proxy (the "Proxy Holders"), be voted cumulatively in the election of directors. Under either form of voting, the five nominees receiving the highest number of votes cast will be elected as directors.

If you hold your shares of Common Stock in "street name," please contact your broker or nominee as to the voting of your stock.

BOARD COMMITTEES; DIRECTOR NOMINATING PROCESS; SHAREHOLDER COMMUNICATIONS WITH THE BOARD

The members of the Audit Committee and Compensation Committee are Thomas W. Ladd, Gary L. Ronning and John E. Turco. The Company's Board of Directors has determined that directors Ladd, Ronning and Turco are 'independent' within the meaning of Rule 10A-3(b)(1) under the Securities Exchange Act of 1934 and Section 803.A(2) of the NYSE AMEX Company Guide. In addition, the Board of Directors has determined that director Herman is independent under Section 803.A(2) of the NYSE AMEX Company Guide, and that director Alexander is not independent since he is an employee of the Company.

The Audit Committee reviews the Company's financial and accounting organization, financial reporting and the reports of the independent auditors and is responsible for the selection and oversight of the independent auditors. The Company's Board of Directors has determined that Mr. Turco is an 'audit committee financial expert' within the meaning of Item 407(d)(5) of Securities and Exchange Commission Regulation S-K, and that Mr. Turco is 'financially sophisticated' within the meaning of Section 803.B(2) of the NYSE AMEX Company Guide. The Board of Directors based its determination upon Mr. Turco's employment experience since March 1991 as the Chief Financial Officer of Corotto Company, Inc.

The Audit Committee held four meetings during the last fiscal year. All of the Company's directors who were members of the Audit Committee attended all of the Audit Committee meetings. A copy of the Audit Committee's charter is available on the Company's website at www.pyramidoil.com.

The Compensation Committee recommends and approves the compensation of the Company's directors and executive officers, including approving individual executive officer compensation, reviews and recommends to the Board compensation plans, policies and benefit programs for employees generally. The Compensation Committee held one meeting during the last fiscal year. All of the Company's directors who were members of the Compensation Committee attended all of the Compensation Committee meetings. A copy of the Compensation Committee's charter is available on the Company's website at www.pyramidoil.com.

The Nominating Committee held one meeting during the last fiscal year. All of the Company's directors attended the Nominating Committee meeting. The Nominating Committee does not have a separate written charter.

The Board of Directors, in its capacity as the Company's Nominating Committee, will consider shareholder nominations for candidates for membership on the Board. In evaluating such nominations, the Board seeks to achieve a balance of knowledge, experience and capability on the Board. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership and should be addressed

10

to Lee G. Christianson, Secretary, Pyramid Oil Company, P.O. Box 832, Bakersfield, California 93302. Shareholder nominations should be delivered to Mr. Christianson at least 120 days before the date of the annual meeting.

The Board believes that directors should have the highest professional and personal ethics and values, consistent with longstanding Company values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties.

The Board utilizes a variety of methods for identifying and evaluating nominees for director. The Board periodically assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates for director. Candidates may come to the attention of the Board's through current Board members, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Board, and may be considered at any point during the year. If any materials are provided by a shareholder in connection with the nomination of a director candidate, the materials will be forwarded to the Board. The Board will also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder.

All five of the director nominees identified in this proxy statement currently serve as directors of the Company.

Any shareholder can communicate with all directors or with specified directors by sending a letter to the Company's Corporate Secretary at the address listed above. All such letters will be forwarded to the entire Board or to the directors specified by the shareholder.
