Item 1.01. Entry into a Material Definitive Agreement

Term Loan Agreement

On June 30, 2017, Clean Harbors, Inc., a Massachusetts corporation (the “Company”), and substantially all of the Company’s domestic subsidiaries as guarantors, entered into a \$400.0 million senior secured Credit Agreement (the “Term Loan Agreement”) with Goldman Sachs Lending Partners LLC, as administrative agent and collateral agent (the “Agent”), and certain other financial institutions. Loans under the Term Loan Agreement will mature seven years from June 30, 2017 and may be prepaid at any time without premium or penalty other than customary breakage costs with respect to Eurodollar based loans or if the Company engages in certain repricing transactions before December 31, 2017, in which event a 1.0% prepayment premium would be due. The Company’s obligations under the Term Loan Agreement are guaranteed by all of the Company’s domestic restricted subsidiaries and secured by liens on substantially all of the assets of the Company and the guarantors.

Borrowings under the Term Loan Agreement will bear interest, at the Company’s election, at either of the following rates: (a) the sum of the Eurodollar Rate (as defined in the Term Loan Agreement) plus 2.00%, or (b) the sum of the Base Rate (as defined in the Term Loan Agreement) plus 1.00%, with the Eurodollar Rate being subject to a floor of 0.00%. The Company has also agreed to pay certain customary fees under the Term Loan Agreement, including an annual administrative fee to the Agent.

On June 30, 2017, the Company borrowed \$400.00 million under the Term Loan Agreement and used approximately \$313.0 million of the proceeds to purchase approximately \$296.2 million aggregate principal amount (the “Repurchased Notes”) of the Company’s previously outstanding \$800.0 million aggregate principal amount of 5.25% senior notes due 2020 (the “2020 Notes”), pay accrued interest on the Repurchased Notes, and pay fees and expenses incurred in connection with the Term Loan financing and the tender offer for 2020 Notes. Subject to certain conditions, including the completion of such borrowing under the Term Loan Agreement, the Company had on June 28, 2017, accepted the Repurchased Notes for purchase in that tender offer.

On June 30, 2017, the Company also delivered a notice of redemption to the holders of the approximately \$503.8 million aggregate principal amount of 2020 Notes which remained outstanding after the purchase of the Repurchased Notes. Pursuant to that notice, the Company will redeem on August 1, 2017, approximately \$103.8 million aggregate principal amount of 2020 Notes at a redemption price of 101.313%, plus accrued but unpaid interest. The Company will finance the redemption through the remaining net proceeds of the Term Loan financing described above, plus available cash.

The Term Loan Agreement contains representations and warranties, affirmative and negative covenants, and events of default, which the Company believes are usual and customary for an agreement of this type. Such covenants restrict the Company’s ability, among other matters, to incur debt, create liens on the Company’s assets, make restricted payments or investments or enter into transactions with affiliates.

Amendment to Revolving Credit Agreement

On June 30, 2017, the Company entered into an amendment (the “Amendment Agreement”) to the Company’s Fifth Amended and Restated Credit Agreement dated as of November 1, 2016 (as so amended, the “Revolving Credit Agreement”) with Bank of America, N.A. (“BoFA”) as the administrative agent (the “Agent”), and the Lenders thereunder. Under the Revolving Credit Agreement, the Company has the right to obtain revolving loans and letters of credit for a combined maximum of up to \$300.0 million (with a sub-limit of \$250.0 million for letters of credit) and one of the Company’s Canadian subsidiaries has the right to obtain revolving loans and letters of credit for a combined maximum of up to \$100.0 million (with a \$75.0 million sub-limit for letters of credit).

As in effect prior to June 30, 2017, the Revolving Credit Agreement provided that the Company’s obligations under the Revolving Credit Agreement were secured by the accounts receivable and proceeds thereof of the Company and its domestic restricted subsidiaries. As described above, the Term Loan Agreement which the Company and its domestic restricted subsidiaries entered into on June 30, 2017, provides that the Company’s obligations under the Term Loan Agreement are secured by liens on substantially all of the assets of the Company and its domestic restricted subsidiaries. The primary purpose of the Amendment Agreement was to provide that the

Company's obligations under the Revolving Credit Agreement will also be secured by liens on substantially all of the assets (other than real estate) of the Company.

Intercreditor Agreement

On June 30, 2017, the respective Agents under the Term Loan Agreement and the Revolving Credit Agreement, acting on behalf of the respective lenders under such Agreements, entered into an intercreditor agreement dated as on June 30, 2017 (the "Intercreditor Agreement"), which was accepted by the Company and its domestic restricted subsidiaries. Among other matters, the Intercreditor Agreement would govern how the respective priorities of the security interests held by those respective Agents would be administered in the event of a default by the Company under either the Term Loan Agreement or the Revolving Credit Agreement. Under the Intercreditor Agreement, the Agent under the Revolving Credit Agreement would have a first-priority lien in the accounts receivable and proceeds thereof, and a second-priority lien in substantially all of the other assets (excluding real estate), of the Company and its domestic restricted subsidiaries, whereas the Agent under the Term Loan Agreement would have a second-priority lien in such accounts receivable and proceeds thereof and a first-priority lien in such other assets (but including certain real estate).

Disclosures Relating to both the Term Loan Agreement and the Amendment Agreement

The above descriptions of the material terms and conditions of the Term Loan Agreement, the Amendment Agreement, the related Security Agreements, and the Intercreditor Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of such documents which are filed as Exhibits to this Report. Certain lenders and agents that are parties to the Term Loan Agreement and the Amendment Agreement, or their respective affiliates, have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending or commercial banking services for the Company and its subsidiaries and affiliates, either directly or through affiliates, for which they have received, and may in the future receive, customary compensation and reimbursement of expenses.
