These are deferred common stock units acquired pursuant to the Company's 2004 Stock Incentive Plan and the Deferred Compensation Plan for Non-Employee Directors. The deferred common stock units are converted into shares of Company common stock on a one-for-one basis upon distribution. Distribution of shares of common stock occurs six months after a director's service on the Board terminates or upon another date or dates designated by the director pursuant to the Company's Deferred Compensation Plan for Non-Employee Directors.

(3) A total of 3,000 shares were transferred from the Reporting Person's direct ownership account to his trust thereby changing the form of his ownership of those shares from direct to indirect.

(2) Includes the deferred common stock units granted under one or more of the Company's directors' compensation plans. Also includes 121.91 deferred common stock units acquired on 6/30/2008 pursuant to the dividend reinvestment features of those plans which will be distributed as described in footnote 1 above. The total was reduced by 3,000 shares which have been transferred from direct ownership to the Reporting Person's trust, where they are now owned indirectly.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
