### INDEPENDENT ACCOUNTANTS' REPORT

To the Board of Directors and Shareholder of  
Sears Roebuck Acceptance Corp.:

We have reviewed the accompanying statements of financial position of Sears Roebuck Acceptance Corp. (a wholly-owned subsidiary of Sears, Roebuck and Co.) as of March 30, 2002 and March 31, 2001, and the related statements of income and cash flows for the 13 week periods then ended. These financial statements are the responsibility of the Sears Roebuck Acceptance Corp.'s management.

We conducted our reviews in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and of making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in the United States of America, the objective of which is the expression of an opinion regarding the financial

statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to such financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with auditing standards generally accepted in the United States of America, the statement of financial position of Sears Roebuck Acceptance Corp. as of December 29, 2001, and the related statements of income, shareholder's equity and cash flows for the year then ended (not presented herein); and in our report dated January 17, 2002, we expressed an unqualified opinion on those financial statements. In our opinion, the information set forth in the accompanying statement of financial position as of December 29, 2001 is fairly stated, in all material respects, in relation to the statement of financial position from which it has been derived.

### ITEM 2. ANALYSIS OF RESULTS OF OPERATIONS

During the first quarter of 2002, Sears Roebuck Acceptance Corp.'s ("SRAC") revenues decreased to \$237 million from \$304 million in the comparable 2001 period. SRAC's income is derived primarily from the earnings on its investment in the notes of Sears, Roebuck and Co. ("Sears") and invested cash. The decrease in revenue resulted primarily from a 134 basis point decrease in the average rates on earning assets in the first quarter of 2002 compared to the 2001 period.

SRAC's interest and related expenses decreased to \$188 million for the first quarter of 2002 from \$241 million for the first quarter of 2001 as a result of lower interest rates and debt levels. SRAC's cost of short-term funds averaged 2.50% in the first quarter of 2002, a 415 basis point decrease from 6.65% for the first three months of last year. SRAC's cost of long-term funds averaged 6.54% in the first quarter of 2002, a 16 basis point decrease from 6.70% for the first quarter of 2001. SRAC's short-term borrowings averaged \$3.6 billion in the first quarter of 2002, a slight increase from the 2001 first quarter average of \$3.5 billion. Average outstanding long-term debt of \$9.9 billion in the first quarter of 2002 decreased \$700 million compared to \$10.6 billion in the first quarter of 2001.

On March 25, 2002, SRAC issued a \$600 million ten-year discrete underwritten bond with a 6.7% coupon.

## Edgar Filing: SEARS ROEBUCK ACCEPTANCE CORP - Form 10-Q

SRAC's net income was \$32 million for the first quarter of 2002 and \$40 million for the first quarter of 2001. SRAC's ratio of earnings to fixed charges was 1.26, respectively for both the first quarter of 2002 and 2001.
