The Amendment primarily relates to the calculation of the interest coverage ratio under the Credit Agreement and allows the Company, subject to certain conditions and limitations, to add back to its consolidated net income: (i) extraordinary and other non-cash losses and expenses, (ii) one-time fees, cash charges and other cash expenses, premiums or penalties incurred in connection with any asset sale, equity issuance or incurrence or repayment of debt or refinancing or amendment of any debt instrument and (iii) cash charges and other cash expenses, premiums or penalties incurred in connection with any restructuring or relating to any legal or regulatory action, settlement, judgment or ruling, in an aggregate amount not to exceed \$400,000,000 for the period from October 1, 2012 until the termination of commitments under the Credit Agreement.
