REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

We have audited the accompanying statements of net assets available for benefits of the Seneca Foods Corporation Employees' Savings Plan ("the Plan") as of

Edgar Filing: SENECA FOODS CORP /NY/ - Form 11-K

December 31, 2002 and 2001, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2002 and 2001, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule listed in the foregoing Table of Contents is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

NOTE A - DESCRIPTION OF PLAN

The following description of Seneca Foods Corporation Employees' Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan intended to qualify as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code. Substantially all employees of Seneca Foods Corporation ("the Company") are eligible to participate after completion of twelve months employment and attainment of age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to contribute, on a pro-tax basis (elective deferrals), from 1% to 15% of their compensation up to a maximum of \$11,000 for the year ending December 31, 2002. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may contribute additional amounts at the discretion of the Company's Board of Directors. During the year ended December 31, 2002 the Company contributed twenty-five percent of the first four percent of base compensation that a participant contributes to the Plan. The Company contributions are invested directly in Seneca Foods Corporation common stock and are allocated to participants based on the participants pro rata share of total participating payroll.

Vesting

Participants are immediately vested in all elective contributions and related earnings. Matching contributions made by the Plan sponsor fully vest after a service period of five years.

Payment of Benefits

After termination of service, the participant's account balance is generally distributed in a lump sum if the balance is less than \$3,500.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and/or to terminate

Edgar Filing: SENECA FOODS CORP /NY/ - Form 11-K

the Plan subject to the provisions of ERISA. In the event of plan termination, the Administrator shall determine the method of distribution of the participants' accounts in accordance with the provisions of the plan.
