Item 1.01. Entry into a Material Definitive Agreement

Second Amendment to Shareholders Agreement

In connection with the 1998 issuance of convertible participating preferred stock, Seneca Foods Corporation (the “Company”) and certain of the Company’s substantial shareholders entered into a Shareholders Agreement providing, among other things, that (i) they would facilitate the election of two designees of certain affiliates of Carl Marks Management Company, L.P. (“CMMC”) to the Company’s Board of Directors (the “Board”); (ii) such designees would have at least 22% representation on committees of the Board; and (iii) the Company’s certificate of incorporation would be amended to require that certain major corporate actions would require unanimous approval of the Board, which amendment was filed on August 7, 1998. Pursuant to the Shareholders Agreement, two CMMC director designees, Andrew M. Boas and James F. Wilson, currently sit on the Company’s Board.

On July 8, 2009, the Shareholders Agreement was amended to provide that the Shareholders Agreement will terminate in the event of the consummation of the secondary offering of Class A Common Stock by certain shareholders of the Company (the “Offering”). See Item 7.01 below. In addition, the CMMC director designees have agreed to resign immediately upon termination of the Shareholders Agreement.

While the provision in the Company’s certificate of incorporation requiring unanimous board approval of certain major corporate actions will automatically expire when certain affiliates of CMMC own 15% or less of the Company’s outstanding Class A common stock (assuming conversion of all shares of participating preferred stock into Class A common stock), the parties to the amendment to the Shareholders Agreement have also agreed to facilitate the elimination of such provision from the Company’s certificate of incorporation if the Offering is consummated.

The description of the Second Amendment to Shareholders Agreement contained herein is qualified in its entirety by the text of such agreement, which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.

Agreement concerning Registration Rights

Also on July 8, 2009, the Company and the selling shareholders in the Offering entered into an Agreement relating to the rights and obligations of such parties arising under a Registration Rights Agreement dated June 22, 1998. The Agreement concerns, among other matters, the payment of registration expenses and certain indemnification issues in connection with the Offering. The Agreement further sets forth the rights of certain original selling shareholders identified therein in the event that all of their registrable securities are not sold in the Offering.

The description of the Agreement contained herein is qualified in its entirety by the text of such agreement, which is attached hereto as Exhibit 10.2 and is incorporated by reference herein.

Item 1.02. Termination of a Material Definitive Agreement

See Item 1.01 above.

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers

Andrew M. Boas and James F. Wilson, the two CMMC director designees, have agreed to resign from the Board immediately upon termination of the Shareholders Agreement, at which time the Company expects that the size of the Board will be reduced to eight directors. Neither Mr. Boas nor Mr. Wilson has expressed any disagreement with the

Company under Item 5.02(a) of Form 8-K.

Item 7.01. Regulation FD Disclosure

On July 9, 2009, the Company announced that certain of the Company's shareholders have commenced a secondary offering of 3,702,000 shares of Class A common stock. A copy of the Company's press release containing this announcement is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
