#### ITEM 2.05 COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES.

(Address of principal executive offices)

On May 7, 2007, the Company announced a plan to cease manufacturing operations at its Albany Door Systems operation in Halmstad, Sweden. In its Quarterly Report on Form 10-Q filed on May 9, 2007, the Company reported that the implementation and timing of this plan were subject to local legal requirements and works council and trade union notifications and consultations. Given these requirements, the Company was at the time unable to determine the amount of expense to be incurred for severance and termination payments, and therefore was

unable to determine total costs expected to be incurred.

The Company has now determined that it expects to incur charges during the second quarter of approximately \$2.4 million, of which approximately \$1.8 million will be for severance and other termination expense. The balance relates primarily to lease termination expense. All of the charges will result in cash expenditures during the second half of 2007.
