(1) Upon the closing of Capital Product Partners L.P.'s (the "Issuer") initial public offering on April 3, 2007 (the "Offering") of common units ("Common Units") representing limited partner interests in the Issuer, Capital Maritime & Trading Corp. ("Capital Maritime") beneficially owned 8,805,522 subordinated units of the Issuer. In addition, Capital Maritime owns 100% of Capital GP L.L.C., the general partner of the Issuer (the "General Partner"). The General Partner has a 2% general partner interest in the Issuer (1.8% on a fully-diluted basis) and incentive distribution rights, which represent the right to receive an increasing percentage of quarterly distributions in excess of specified amounts. Capital Maritime is the indirect beneficial owner of the General Partner's interest in the Issuer and its incentive distribution rights. The Marinakis family, including Evangelos M. Marinakis, through its beneficial ownership of Capital Maritime, may be deemed to beneficially own the Common Units held by Capital Maritime.

As described in the Issuer's Amendments to Schedule 13D filed on April 30, 2008, February 26, 2009 and May 9, 2011, Capital Maritime increased these holdings such that it owned an aggregate of 18,262,651 Common Units as of September 29, 2011.

As described in the Issuer's Amendment to Schedule 13D filed on October 29, 2011, in connection with the acquisition of Crude Carriers Corp. (the "Merger"), pursuant to that certain Agreement and Plan of Merger dated as of May 5, 2011, by and among Crude Carriers Corp., the Issuer, the General Partner and Poseidon Project Corp., the Issuer issued an aggregate of 24,967,240 Common Units to the shareholders of Crude Carriers Corp. as merger consideration. After the consummation of the Merger, in order for the General Partner to maintain a 2% general partner interest in the Issuer, Capital Maritime made a capital contribution of 499,346 Common Units to the General Partner, which the General Partner then contributed to the Issuer in exchange for 499,346 general partner units (the Common Units contributed by the General Partner to the Issuer having subsequently been canceled), such that Capital Maritime owned an aggregate of 17,763,305 Common Units as of October 5, 2011.

As described in the Issuer's Amendments to Schedule 13D filed on May 31, 2012 and June 13, 2012, the Issuer issued 3,433,333 Class B Convertible Preferred Units (the "Class B Units") to Capital Maritime pursuant to the Class B Convertible Preferred Unit Subscription Agreements dated as of May 11, 2012 and June 6, 2012, respectively, by and among the Issuer and the respective purchasers named therein.

As described in the Issuer's Amendment to Schedule 13D filed on March 29, 2013, the Issuer issued 307,576 Class B Units to Capital Maritime on March 19, 2013 and 307,575 Class B Units to Capital Maritime on March 26, 2013 pursuant to the Class B Convertible Preferred Unit Subscription Agreement, dated as of March 15, 2013, by and among the Issuer and the respective purchasers named therein.

In connection with a public offering of the Issuer's Common Units, which closed on August 13, 2013, the Issuer issued 279,286 Common Units to the General Partner for \$9.25 per Common Unit. Shortly after the closing of this offering, in order for the General Partner to maintain a 2% general partner interest in the Issuer, Capital Maritime made a capital contribution of 349,700 Common Units to the General Partner, which the General Partner then contributed to the Issuer in exchange for 349,700 general partner units (the Common Units contributed by the General Partner to the Issuer having subsequently been canceled), such that Capital Maritime owned an aggregate of 17,692,891 Common Units as of August 19, 2013.

The Issuer issued an aggregate of 17,250,000 of its Common Units in a public offering, issuing and delivering 15,000,000 Common Units on September 8, 2014, and, following the underwriters' full exercise of their over-allotment option, issuing and delivering an additional 2,250,000 Common Units on September 22, 2014 (the "Public Offering"). In conjunction with the Public Offering, and with a portion of the net proceeds the Issuer received therefrom, the Issuer repurchased 5,950,610 Common Units from Capital Maritime (the "Repurchased Units") pursuant to the Purchase Agreement, dated as of September 3, 2014, between the Issuer and Capital Maritime. The Issuer subsequently canceled all of the Repurchased Units.

On September 9, 2014, Capital Maritime converted the 4,048,484 Class B Units that it owned into an equivalent number of Common Units (the "Conversion"). Each Class B Unit is convertible at the option of the holder pursuant to the Issuer's Second Amended and Restated Agreement of Limited Partnership, as amended.

In September 2014, in order for the General Partner to maintain a 2% general partner interest in the Issuer, Capital Maritime made a capital contribution of an aggregate of 358,624 Common Units to the General Partner, which the General Partner then contributed to the Issuer in exchange for an aggregate of 358,624 general partner units, the

Common Units contributed by the General Partner to the Issuer having subsequently been canceled (the “September 2014 GP Unit Exchange”), such that Capital Maritime owned an aggregate of 15,432,141 Common Units following the September 2014 GP Unit Exchange.

Section 3.04 No Conflicts

The execution, delivery and performance of this Agreement by Seller do not, and the consummation of the transactions contemplated hereby will not, (a) with respect to applicable securities Laws, assuming the accuracy of the representations and warranties of Purchaser contained herein and its compliance with the covenants contained herein, and with respect to other Laws, violate any provision of any Law or Permit having applicability to Seller or any of its Subsidiaries, or any of their respective properties, including the Purchased Units, (b) conflict with, result in or constitute a violation of the certificate of incorporation, bylaws or other relevant organizational documents of Seller, (c) require any consent, approval or notice under or result in a violation or breach of or constitute a breach or violation of, or a default (or an event that, with notice or lapse of time or both, would constitute such a default) under any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which Seller or any of its Subsidiaries is a party or by which any of them or any of their respective properties, including the Purchased Units, may be bound, or (d) result in or require the creation or imposition of any Lien upon any property or assets of any of Seller or any of its Subsidiaries, including the Purchased Units,; provided, in the cases of clauses (a), (c) and (d), that any such conflict, violation, default, breach, termination, cancellation, failure to receive consent, approval or notice, or acceleration with respect to the foregoing provisions of this Section 3.04 would not, individually or in the aggregate, reasonably be expected to result in a Seller Material Adverse Effect.

Seller acknowledges that: (i) Purchaser may be, and Seller is proceeding on the assumption that Purchaser is, in possession of material, non-public information concerning Purchaser and its Subsidiaries (the "Information"), which is not or may not be known to Seller and that Purchaser has not disclosed to Seller (ii) Seller is voluntarily assuming all risks associated with the transactions contemplated hereby and expressly represents and warrants (x) other than the representations and warranties expressly made under this Agreement, Purchaser has not made, and Seller disclaims the existence of or its reliance on, any representation by Purchaser concerning it, the Purchased Units or the fairness of the Unit Price and (y) it is not relying on any disclosure or nondisclosure made or not made, or the completeness thereof, in connection with or arising out of the transactions contemplated hereby, and therefore has no claims against Purchaser with respect thereto (iii) if any such claim may exist, Seller, recognizing its disclaimer of reliance and Purchaser's reliance on such disclaimer as a condition to entering into this Agreement, covenants and agrees not to assert it against Purchaser or any of its officers, directors, stockholders, partners, representatives, agents or Affiliates; and (iv) Purchaser shall have no liability, and Seller waives and releases any such claim that it might have against Purchaser or its officers, directors, stockholders, partners, representatives, agents and Affiliates whether under applicable securities Law or otherwise, based on Purchaser's knowledge, possession or nondisclosure to Seller of any Information.

The word “including” shall mean “including but not limited to”. Whenever any party has an obligation under this Agreement, the expense of complying with that obligation shall be an expense of such party unless otherwise specified. Whenever any determination, consent or approval is to be made or given by Purchaser, such action shall be in Purchaser’s sole discretion unless otherwise specified in this Agreement. If any provision in this Agreement is held to be illegal, invalid, not binding or unenforceable, such provision shall be fully severable and this Agreement shall be construed and enforced as if such illegal, invalid, not binding or unenforceable provision had never comprised a part of this Agreement, and the remaining provisions shall remain in full force and effect. This Agreement has been reviewed and negotiated by sophisticated parties with the assistance of legal counsel and shall not be construed against the drafter.

Section 7.02 Survival of Provisions

The representations and warranties of Seller set forth in ARTICLE III and Purchaser set forth in ARTICLE IV, respectively, shall survive the execution and delivery of this Agreement for a period of twelve (12) months from the Closing Date. Section 7.03 No Waiver; Modifications in Writing

(a) Delay. No failure or delay on the part of any party in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies provided for herein are cumulative and are not exclusive of any remedies that may be available to a party at law or in equity or otherwise.

(b) Specific Waiver and Amendment. Except as otherwise provided herein, no amendment, waiver, consent, modification or termination of any provision of this Agreement shall be effective unless signed by each of the parties hereto. Any amendment, supplement or modification of or to any provision of this Agreement, any waiver of any provision of this Agreement and any consent to any departure by Seller from the terms of any provision of this Agreement shall be effective only in the specific instance and for the specific purpose for which made or given. Except as expressly provided in this Agreement, this Agreement shall not be construed so as to confer any right or benefit upon any Person other than the parties to this Agreement and their respective successors and permitted assigns.

(b) Assignment of Rights. None of the rights or obligations of Purchaser or Seller under this Agreement may be transferred by such Party to any other Person without the consent of the other Party. Any purported assignment in violation of the terms hereof is null and void.

(a) Notwithstanding anything herein to the contrary, this Agreement may be terminated at any time at or prior to the Closing (i) by the written notice of Purchaser to Seller upon a Seller Material Adverse Effect or (ii) by the written notice of either party hereto (if the notifying party is not in default, violation or breach of any representations, warranties, covenants and agreements contained in this Agreement, taking into account any materiality, material adverse effect or other qualifying language, as applicable) upon a default, violation or breach by the other party hereto of any representation, warranty, covenant or agreement set forth in this Agreement and such default, violation or breach, together with all other defaults, violations or breaches of such party, would result in a failure to satisfy a condition of the notifying party's obligation to consummate the transactions contemplated hereby that has not been cured, if curable, within a reasonable time after written notice thereof by the notifying party (and in any event no later than the Closing Date).

(b) Notwithstanding anything herein to the contrary, this Agreement shall automatically terminate if, at any time at or prior to the Closing:

(iii) The Underwriting Agreement is terminated in accordance with its terms.

(c) In the event of the termination of this Agreement as provided in this Section 7.09, this Agreement shall forthwith become null and void.
