Item 5.02.

Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 3, 2008, Manpower Inc. (the Company) entered into an amended and restated severance agreement with Darryl Green, with an effective date of November 10, 2008, which amended and restated a severance agreement, dated August 1, 2007, between the Company and Mr. Green (the Prior Agreement).

The purpose of the amendments was to bring certain payments under the Prior Agreement into compliance with, or to secure certain exemptions from, Section 409A of the Internal Revenue Code of 1986, as amended (the Code), and the final and transitional guidance promulgated thereunder, and to take into account recent guidance issued under Section 162(m) of the Code.

In addition, the amendments modify the definition of cause, remove any section relating to the accelerated vesting of unvested stock options upon a change of control, and revise the section relating to potential payment cutbacks when amounts under the agreement would be subject to Section 4999 excise taxes upon a change of control. Finally, the amendments were made to provide consistent benefits for executive and senior officers, as compared to similar agreements entered into by the Company with other Company officers earlier this year, including, but not limited to, calculation of the prorated bonuses or bonuses used in determining the amount of severance payments upon certain terminations of employment.

The foregoing brief description of the amendments is qualified in its entirety by reference to the amended and restated severance agreement filed therewith as exhibit 10.1, which is incorporated by reference into this Item 5.02.
