With the goal of holding its partner company interests for the long-term, ICG uses these collective resources to actively develop the business strategies, operations and management teams of the Company and its other partner companies. One representative of ICG, Walter W. Buckley, III, the Chief Executive Officer and Chairman of the Board of Directors of ICG, is currently a member of the Board of Directors of the Company. JOINT VENTURE AGREEMENT

This Agreement is made as of March 6, 2002 by and between Internet Capital Group, Inc. ("ICG") and Safeguard Scientifics, Inc. ("SSI").

WHEREAS, SSI and ICG and certain entities controlled by them own and/or have the right to acquire substantial numbers of shares of voting capital stock of Verticalnet, Inc. (the "Company"); and

WHEREAS, SSI and ICG desire to act jointly with respect to their interest in the Company.

NOW, THEREFORE, intending to be legally bound, the parties agree as follows:

1. Election of Directors. Each of SSI and ICG will vote all shares of the Company that it currently owns or hereafter acquires, and will use reasonable efforts in good faith to cause all other Company shareholders controlled by it to vote all of their shares of the Company currently owned or hereafter acquired, to elect to and maintain on the Company's Board of Directors, two designees of ICG reasonably acceptable to SSI.
2. Other Votes. The parties will consult with each other with regard to all matters submitted to a vote of the shareholders of the Company, and will attempt in good faith to agree on a course of action which is in the best interests of both SSI and ICG.
3. Right of First Refusal. If either of SSI or ICG or any of their majority owned subsidiaries intends to sell to an unaffiliated buyer less than all of its shares of capital stock of the Company, it will first offer to sell such shares to the other party at the fair market price of the shares, based on the average closing price of the common stock of the Company as reported on the principal market or exchange on which such shares trade for the five trading days immediately preceding the date on which the offer expires. Such offer will expire at 4:00 eastern time on the first trading day after the date the offer was made. If the offer is accepted for any or all of the shares, the parties will each be obligated to complete the transaction at the offered price within five business days after acceptance. If the offer is not accepted in whole, then the selling party may sell the remaining offered shares at any time within fifty days after the offer was made at a price of at least 80% of the market price at the time of the sale.
4. Sale of Entire Interest. If either of SSI or ICG desires to sell to an unaffiliated buyer in one or a series of related transactions all of the shares of capital stock of the Company owned by such party and its majority owned subsidiaries, such party will first discuss such

Edgar Filing: VERTICALNET INC - Form SC 13D

intention with the other party and will attempt in good faith to provide the other party to have the opportunity either to purchase all of the shares owned by the selling party and its subsidiaries or to participate in the sale of shares to the unaffiliated buyer.

CUSIP NO. 92532L 10 7

- 5. Notification Regarding Sale of Securities. ICG will provide SSI 50 days prior written notice of any sale by ICG of shares of Company common stock unless the Company shall not at the time of sale be deemed to be "controlled" by ICG within the meaning of the Investment Company Act of 1940, as amended, and the regulations promulgated thereunder; provided, however, that this notice requirement shall terminate at such time after the date hereof as SSI has sold, whether in one transaction or a series of transactions, an aggregate of 2,500,000 shares of Company common stock at a price per share in excess of \$1.00.
- 6. Management of the Company. Each of SSI and ICG acknowledges that (i) it is concerned with the management of the Company and intends to actively participate in discussions with the other party regarding the business of the Company and (ii) it has substantial expertise in the e-commerce industry. The parties will coordinate their public statements regarding this Agreement and the Company, including appropriate filings under Section 13 of the Securities Exchange Act of 1934, as amended.
- 7. Term and Termination. This Agreement shall continue in effect until the earliest of (a) the date the parties mutually agree in writing to terminate or amend this Agreement, (b) the date that is 180 days after either party notifies the other in writing of its intent to terminate this agreement and (c) the date that the aggregate number of shares of the Company owned by either ICG or SSI is less than 3% of all of the outstanding shares of all classes of Common Stock of the Company on a combined basis. This Agreement shall terminate automatically if it is determined by relevant authority not to create a valid joint venture; provided that the parties will prior to such termination meet to discuss in good faith and to determine whether this Agreement could be modified to constitute a valid joint venture so long as such modifications do not materially alter the respective rights and obligations of the parties.
- 8. Non-assignable Agreement. This Agreement, and the rights and obligations of the parties hereunder, shall be binding on the parties and their successors, but may not be otherwise assigned by either party.
- 9. Governing Law. This Agreement shall be governed in all respects by the laws of the State of Delaware as applied to contracts made and to be performed entirely within that state between residents of that state.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.
