Item 1.01 Entry into a Material Definitive Agreement

Bone Care International Inc. (Bone Care) has previously entered into a change in control severance agreement with each of its executive officers. The merger contemplated by the Agreement and Plan of Merger dated as of May 4, 2005 (the Merger Agreement) among Bone Care, Genzyme Corporation (Genzyme) and a wholly-owned subsidiary of Genzyme will constitute a change in control for purposes of these agreements.

As previously disclosed in the definitive proxy materials Bone Care filed with the Securities and Exchange Commission relating to the shareholder meeting to be held to consider the Merger Agreement, on May 25, 2005, Genzyme agreed that Bone Care could amend certain of the change in control severance agreements to provide for an additional payment to certain of Bone Care s executive officers in the event of a termination of the executive officer s employment that qualifies the executive for severance payments under his change in control severance agreement. For Messrs. Berns, Caruso, Hayden, Morgan, Durham, Mundy and Kokino, the additional payments would be \$598,950, \$363,000, \$272,250, \$254,100, \$199,650, \$163,350 and \$108,900, respectively. These payments are in lieu of compensation which the compensation committee of Bone Care s board of directors had discussed awarding to these executive officers prior to Genzyme s expression of its interest in acquiring Bone Care.

On May 31, 2005, the compensation committee of Bone Care s board of directors approved amendments to the change in control severance agreements to provide for the additional payments described in the immediately preceding paragraph.
