Item 1.01 Entry into a Material Definitive Agreement.

On July 28, 2008, the Registrant entered into an OLED Technology License and Technical Assistance Agreement and a Commercial OLED Material Supply Agreement with Kyocera Corporation. The agreements will become effective upon notice from Kyocera Corporation given on or before December 31, 2008. Under the Technology License and Technical Assistance Agreement, the Registrant granted Kyocera Corporation rights under various patents owned or controlled by the Registrant for Kyocera Corporation to make and sell specified organic light emitting device (OLED) display products. This agreement also acknowledges certain technical assistance that the Registrant has been providing, and would continue to provide, to Kyocera Corporation in connection with its manufacture of these licensed products. Under the agreement, Kyocera Corporation will pay the Registrant upfront license fees, fees for technical assistance and running royalties on its sales of licensed products. Under the Commercial OLED Material Supply Agreement, the Registrant agreed to sell to Kyocera Corporation certain OLED materials for use by Kyocera Corporation in manufacturing OLED products as authorized under the Technology License and Technical Assistance Agreement.
