ITEM 8. CHANGE IN FISCAL YEAR

On July 19, 2001, the Board of Directors of the Company approved a change of the Company's fiscal year-end to June 30 from January 31, effective June 30, 2001, and directed that a Form 10-Q/T report be timely filed with the Securities and Exchange Commission for the five month period ended June 30, 2001. The Board of Directors believes that the change to a June 30th fiscal year will enable SMF to report its results on a calendar quarter basis like the majority of reporting companies in the petroleum, energy and transportation sectors, and therefore allow for more coverage by the investment community. In addition, a June 30 year-end will enable SMF to report on a more natural business year consistent with the seasonality impact on its operating performance.

An August 2, 2001, Press Release is incorporated by reference and is attached hereto as Exhibit 99.1.
