**Item 1.01 Entry into Material Definitive Agreement.**

On December 7, 2005, the Compensation Committee (the Committee) of the Board of Directors of The Valspar Corporation, a Delaware corporation (the Company), approved and adopted an amendment to the Company's Key Employee Long Term Incentive Bonus Program (the Program), which was originally adopted by the Committee on February 26, 2002. Prior to the December 7, 2005 amendment, the Program provided that for each performance period the Committee would establish, no later than the end of the ninth month after the beginning of such period, a Performance Goal relating to the Company's cumulative earnings per share. The Program further provided that the Performance Goal could not be subsequently modified. The amendment to the Program adopted December 7, 2005 allows the Committee to modify the Performance Goal if deemed necessary by the Committee to accomplish the purposes of the Program.
