### **RISK FACTORS**

Before you decide to participate in the Plan and invest in our common shares, you should carefully consider the risks and uncertainties described in our most recent Form 10-K filed with the SEC as well as in the following discussion. In addition, you should consult your own financial and legal advisors before making an investment.

**You will not know the price of the shares you are purchasing under the Plan at the time you authorize the investment or elect to have your dividends reinvested.**

The price of our shares may fluctuate between the time you decide to purchase shares under the Plan and the time of actual purchase. In addition, during this time period, you may become aware of additional information that might affect your investment decision.

The Bank of New York Mellon, the Plan Administrator, administers the Plan. If you instruct the Plan Administrator to sell shares under the Plan, you will not be able to direct the time or price at which your shares are sold. The price of our shares may decline between the time you decide to sell shares and the time of actual sale.

If you decide to withdraw from the Plan, the Plan Administrator will continue to hold your shares unless you request a certificate for whole shares.

## DESCRIPTION OF THE PLAN

### Purposes

The FBL Share Direct Plan provides you with a convenient and economical method of systematically increasing your ownership interest in FBL through purchases of FBL common stock and reinvestment of quarterly dividends. We may use the Plan to raise capital for general corporate purposes through the sale to you of authorized but unissued common stock.

### Considerations

You should consider the following before you decide to participate in the Plan:

**Trading and Service Fees.** There are some fees associated with some of the Plan's services. Dividends are reinvested without charge of trading or service fees. You pay a trading fee of \$0.03 for each share of common stock purchased for your Plan account, plus service fees of \$10 for initial investments, \$5 for additional investments by check, \$3.50 if by individual electronic funds transfer and \$2 if by recurring monthly electronic bank transfer. For each sale of common stock from your Plan account you pay a trading fee of up to \$0.12 for each share of common stock, plus a \$15 service fee. We reserve the right to change the Plan's fees in the future on not less than 30 days written notice to participants.

**Investment Timing; Price Risks.** Because the prices at which Plan shares are purchased are determined as of specified dates or as of dates otherwise beyond your control, you may lose certain advantages otherwise available to you in being able to select the timing of your investments. For example, because the price charged to you for shares purchased in the open market or in negotiated transactions is the weighted average price at which the shares are actually purchased over a period of time following an investment, you may pay a higher or lower price for shares purchased under the Plan than for shares purchased on the investment date outside of the Plan.

**No Interest Paid.** No interest is paid on your cash investments pending their investment in common stock.

**FBL Employees and Farm Bureau Financial Services Agents.** FBL employees and Farm Bureau Financial Services agents may also be able to invest in the common stock through tax advantaged accounts such as FBL's 401(k) plan or the agents' matching savings plan. Please consider the tax implications of your investment.

### Administration

The Bank of New York Mellon administers the Plan. It has designated its affiliate, BNY Mellon Shareowner Services, and other agents to perform certain services for the Plan. Together those companies are responsible for the clerical and ministerial administration of the Plan, including receiving your investments, forwarding funds received from you or on your behalf to a registered broker/dealer for purchases of common stock, issuing statements of Plan account activities and

**Forms**

**Plan Authorization Form.** A Plan Authorization Form is used to enroll in the Plan, make initial cash investments, deposit your share certificates with the Plan Administrator (if done after enrollment), select your dividend option authorize electronic funds transfers, or change the amount of, or terminate your electronic funds transfers, or change your record address. A Plan Authorization Form is enclosed with this prospectus.

**Account Transaction Statement.** The tear-off portion of an account transaction statement is used to send in additional cash investments, request a certificate issuance, and to sell your Plan shares. An Account Transaction Statement is mailed to you after a cash investment, transfer, issuance, or sale of your Plan shares.

**Eligibility**

Any person or entity, whether or not currently a registered holder of FBL common stock, may participate in the Plan by enrolling in accordance with the procedures described in Enrollment and Participation below. We reserve the right to deny, modify, suspend or terminate participation by any person or entity. See Other Information Denial or Termination of Participation.

**Enrollment and Participation**

You may enroll in the Plan at any time by completing the Plan Authorization Form enclosed with this prospectus and returning it to the Plan Administrator at the address listed on the form.

**Shareholders.** If you are a registered holder of FBL common stock, you must complete a Plan Authorization Form to participate in the Plan. If you are a beneficial owner of common stock whose only shares are held in names other than your own (e.g., by brokers, trustees or bank nominees), you must complete a Plan Authorization Form and either:

- (a) become a shareholder of record by having the shares registered in your name, or
- (b) become a shareholder of record by enrolling in the Plan in the same manner as a nonshareholder.

**Nonshareholders.** If you are not a registered holder of FBL common stock, you must complete a Plan Authorization Form and pay a one-time account set-up fee of \$10. You must also make an initial cash investment of at least \$250 or authorize automatic monthly cash investments of at least \$50. The one-time set-up fee will be deducted from your initial investment. That is, if you make an initial investment of \$250, we will deduct the set-up fee of \$10 from the initial investment and invest only \$240.

**FBL Employees and Farm Bureau Financial Services Agents.** If you wish to use payroll deduction or commission deduction for investment in the Plan, contact the payroll department or the agency services department for more information. Note: Employees or agents who participate with payroll or commission deductions are not subject to the initial or additional minimum investment requirements.

## Investments

**Initial Investment.** If you are not a registered owner of common stock, you must include an initial cash investment of at least \$250 with your completed Plan Authorization Form or automatic debit via the Internet. Alternatively, you may authorize automatic monthly cash investments by electronic funds transfer of at least \$50. In either case, you must also pay a one-time account set-up fee of \$10 which we will deduct from the initial investment. See Enrollment and Participation above. Initial cash investments must be made by check or money order payable to FBL/BNYMellon in U.S. funds and drawn on a U.S. bank.

**Additional Investments.** You may make additional investments at any time by personal check, money order or electronic funds transfer from a designated U.S. bank account. You may vary your investments from a minimum of \$50 per investment up to a maximum of \$150,000 per year. Initial investments are included in the year in which they are made for purposes of determining whether the \$150,000 maximum has been reached.

**Check or Money Order.** Investments made by check or money order must be accompanied by a completed Plan Transaction Form and received by the Plan Administrator no later than one business day before an investment date to be invested on that investment date; otherwise, investments are held by the Plan Administrator for investment on the next investment date. Investments made by check or money order must be payable to FBL/BNYMellon in U.S. funds. Your check or money order must be sent to the address listed on your Plan statement. Checks or money orders sent to any other address will not be considered validly delivered.

**Electronic Funds Transfer.** In addition to making investments by check or money order, you may authorize an individual or automatic monthly electronic funds transfers from a designated bank account. For an individual funds transfer your bank account will be debited the next business day following receipt of your request. For automatic monthly electronic funds transfers, your bank account is debited on the 28th day of each month or, if that day is not a business day, the business day next following the 28th day. Funds are invested within five business days following collection of the funds by the Plan Administrator. You do not receive any confirmation of the transfer of funds other than as reflected in your monthly Plan account statements and in your bank account statements.

To authorize electronic funds transfers, complete and sign the automatic funds transfer section of the Plan Authorization Form and return it to the Plan Administrator together with a voided blank check or deposit slip for the account from which funds are to be transferred. Your automatic funds transfers will begin as soon as practicable after the Plan Administrator receives the Plan Authorization Form. You may change the amount of your monthly transfer or terminate your monthly transfer altogether by writing to the Plan Administrator and indicating you wish to change or terminate electronic funds transfers. You may also contact the Plan Administrator toll free at 1-866-892-5627. To be effective with respect to a particular investment date, your change or termination request must be received by the Plan Administrator at least 15 business days before the investment date.

**Investment Dates.** Cash payments will be invested promptly, but in no event later than five business days following receipt of the cash payment (except where deferral is necessary under applicable federal or state laws or regulations).

**No interest is paid on funds held by the Plan Administrator pending their investment in common stock. All investments, including the initial investment, are subject to collection by the Plan Administrator of full face value in U.S. funds.**

**Source of Shares.** The shares you purchase under the Plan are either authorized but unissued shares of common stock acquired directly from FBL, or common stock purchased by the Plan Administrator in the open market or in negotiated transactions. The Plan Administrator purchases shares in the open market or in negotiated transactions as soon as practicable (but in no event more than five business days) after receipt of your cash investment, subject to any waiting periods required under applicable securities laws or other regulations. We determine the source or sources of shares used to fulfill Plan requirements and, subject to certain regulatory restrictions on how often we can change our determination, we may change the source of shares from time to time without notice. We expect that generally all Plan purchases will be affected in open market transactions.

**Price of Shares.** The purchase price per share of authorized but unissued common stock acquired directly from FBL is the average of the high and low sale prices of the common stock on the applicable investment date as reported by the New York Stock Exchange or, if no such trading is reported for the investment date, on the next preceding day on which trading was reported. The price of shares purchased in the open market or in negotiated transactions is the weighted average price at which the shares are actually purchased for the applicable investment date. The Plan Administrator may in its discretion combine your funds with other participants' funds for the purpose of forwarding purchase orders and may offset purchase and sale orders for the same investment date by forwarding the net purchase or sale requirement. Because the prices at which shares are purchased or sold under the Plan are determined as of specified dates or as of dates otherwise beyond your control, you may lose any advantage otherwise available from being able to select the timing of your investment.

### **Trading Fees, Service Fees and Other Costs**

**Account Set-Up.** If you are not a registered holder of FBL common stock, including persons authorizing automatic monthly cash investments, you are charged a one-time account set-up fee of \$10. The one-time set-up fee will be deducted from your initial investment. That is, if you make an initial investment of \$250, we will deduct the set-up fee of \$10 from the initial investment and invest only \$240. FBL may waive this fee for accounts funded by payroll or commission deduction for its employees or agents.

**Trading and Service Fees. Dividends are reinvested without charge of trading or service fees.** In addition to the set-up fee discussed above, you pay a trading fee of \$0.03 for each share of common stock purchased for your Plan account and \$0.12 for each share of common stock sold for your Plan account, even if a Plan sales or purchase order is used to offset your order. There is also a \$5.00 fee for each purchase by check, a \$3.50 fee for each purchase by individual electronic funds transfer, a \$2.00 fee for each purchase by monthly recurring electronic transfer,

7

---

and a \$15.00 fee for each sale. Trading fees payable with respect to Plan sales are deducted from the proceeds payable to you.

**Commissions and Fees Subject to Change.** We may change from time to time the amount of trading and service fees charged to you upon 30 days prior notice.

### **Account Statements**

The Plan Administrator will maintain an account for you and will send account statements to you as soon as practicable after each investment and after any transfer, sale or withdrawal of Plan shares. Your account will be credited with full and fractional shares, computed to four decimal places. The account statements provide you with records of purchases and sales and should be retained for tax purposes.

### **Share Certificates**

Plan purchases are credited to your account and shown on your account statement. You do not receive certificates for your Plan shares unless you request them. This protects against loss, theft or destruction of stock certificates and reduces our administrative costs associated with the Plan. You may obtain certificates for some or all full Plan shares at any time by sending a Plan Transaction Form to the Plan Administrator or contacting the Plan Administrator toll free at 1-866-892-5627. Any remaining full and fractional shares continue to be credited to your account. Certificates for fractional shares are not issued under any conditions.

### **Share Safekeeping**

At any time beginning with your enrollment in the Plan, you may deposit with the Plan Administrator certificates representing shares of FBL common stock, whether or not the shares were acquired under the Plan, at no cost to you. To use this service, you must send your certificates to the Plan Administrator with a properly completed Plan Authorization Form or Plan Transaction Form. Shares represented by certificates deposited with the Plan Administrator are credited to your account and thereafter are treated as if they were acquired under the Plan. You are responsible for maintaining your own records of the cost basis of certificated shares deposited with the Plan Administrator.

If you are a beneficial owner of common stock registered in street or other nominee name, you may in some cases be able to electronically transfer your shares from your existing brokerage account to a Plan account. If you are a beneficial owner and want to take advantage of this service, you should contact the Plan Administrator to obtain transfer instructions.

We strongly recommend that you use registered or certified mail to mail your certificates to the Plan Administrator, insuring the certificates for 2% of the current market value of the shares represented. In any case, you bear the full risk of loss, regardless of the method used, in the event the certificates are lost.

**You should not endorse your certificates prior to mailing.**

#### **Gifts of Shares and Share Transfers Within the Plan**

You may purchase shares of common stock for others by making investments on their behalf. To do this, you need only complete a Plan Authorization Form in the name of the recipient and pay a one-time account set-up fee of \$10. You must also make an initial cash investment of at least \$250 or authorize automatic monthly cash investments of at least \$50. The one-time set-up fee will be deducted from your initial investment. That is, if you make an initial investment of \$250, we will deduct the set-up fee of \$10 from the initial investment and invest only \$240. The \$10 set-up fee does not apply to existing shareholders joining the Plan.

Your Plan shares also may be transferred to a Plan account of another person subject to compliance with any applicable laws. To do this, you must obtain a Plan Transaction Form and stock assignment form from the Plan Administrator and return the completed Plan Transaction Form and an executed stock assignment, to the Plan Administrator. Your signature on the stock assignment must be *medallion guaranteed* by an eligible financial institution. The form of stock assignment can be obtained from the Plan Administrator. If the person to whom the shares are gifted or transferred is not a participant in the Plan, the Plan Administrator will automatically open an account for the person and enroll him or her in the Plan to participate in dividend reinvestment.

You may not pledge or grant a security interest in Plan shares or transfer Plan shares outside of the Plan unless certificates representing the shares have been issued by the Plan Administrator.

#### **Sale of Shares**

You may sell some or all of your Plan shares by notifying the Plan Administrator (see **Administration** on page 3). The Plan Administrator may match or offset your sales orders against one or more purchase orders of other participants in the Plan. If not offset, the Plan Administrator will execute the order on your behalf in the open market or in a negotiated transaction. Sales orders generally are processed daily provided the request is received on a business day when the New York Stock Exchange is open. After settlement of the sale, the Plan Administrator will send you a check for the net proceeds of the sale. The proceeds you receive are based on the weighted average price at which the shares were sold less trading fees, any applicable service fees and applicable transfer taxes.

You will not have the authority or power to direct the date, time or sales price at which Plan shares may be sold. Requests to sell Plan shares must indicate the number of shares to be sold and not the dollar amount to be attained. Any request that does not clearly indicate the number of Plan shares to be sold will be returned to you with no action taken. You should be aware that prices may fluctuate during the period between a request for a sale, receipt by the Plan Administrator of the request, and ultimate sale in the open market no later than five business days from the date of receipt by the Plan Administrator. You will bear the risk of a price change.

#### **Termination**

## Edgar Filing: FBL FINANCIAL GROUP INC - Form S-3

You may discontinue the reinvestment of your dividends at any time by giving notice to the Administrator. To be effective for a given dividend payment, the Administrator must receive notice before the record date of that dividend. The Administrator will continue to hold your shares unless you request a certificate for any full shares and a check for any fractional share. You may also request the sale of all or part of any such shares. See *Sale of Shares* .

In addition, if you are a participant who makes investments by electronic funds transfers, your termination request must be received by the Plan Administrator at least 15 business days prior to the scheduled investment date to ensure that the request is effective as to the next investment.

You may re-enroll in the Plan by submitting a new Plan Authorization Form and complying with all other enrollment procedures (see *Enrollment and Participation* ). In order to minimize unnecessary Plan administrative costs and to encourage use of the Plan as a long-term investment vehicle, we reserve the right to deny participation in the Plan to previous participants who we or the Plan Administrator believes have been excessive in their enrollment and termination.

### Other Information

**Share Dividends and Stock Splits.** Any shares distributable to you pursuant to a share dividend or stock split by FBL on shares registered in your name or credited to your account under the Plan will be added to your account and will not be mailed or delivered directly to you. You may, however, request the Plan Administrator to issue certificates for such stock dividends or split shares once they are added to your account. If you send a notice of termination or a request to sell shares to the Plan Administrator between the record date and the payment date for a stock distribution, the request will not be processed until the stock distribution is credited to your account.

**Cash Dividends.** FBL in recent years has declared and paid a dividend on the common stock quarterly, payable the last business day of each calendar quarter to holders of record the 15<sup>th</sup> or preceding business day of the third month of the quarter. **Shareholders are cautioned that this prospectus does not represent a change in FBL's cash dividend policy nor a guarantee of future cash dividends, which will depend upon FBL's earnings, financial requirements, governmental regulations and other factors as determined by the Board of Directors in its discretion.**

**Voting Rights.** Voting rights of shares purchased under the Plan commence upon settlement of the transaction, which normally is three business days after purchase.

**Voting of Plan Shares.** For each meeting of shareholders, you will receive proxy materials that allow you to vote your Plan shares (including both full and fractional) by proxy. Alternatively, you may vote your Plan shares in person at the meeting.

**Limitation of Liability.** FBL and the Plan Administrator will not be liable for any good faith act or omission to act, including but not limited to any claim of liability:

10

---

- (a) arising out of the failure to terminate your account upon your death prior to the Plan Administrator's receipt of notice in writing of your death,
- (b) with respect to the prices or times at which shares are purchased or sold, or
- (c) as to the value of the shares acquired for you.

We reserve the right to interpret and regulate the Plan as we deem necessary or advisable in connection with the Plan's operations.

**Modification or Termination of the Plan.** We may suspend, modify or terminate the Plan at any time in whole or in part or with respect to your participation in the Plan in some jurisdictions. Notice of a suspension, modification or termination will be sent to all affected participants. No such event will affect any shares then credited to a participant's account. If your participation in the Plan is terminated by us in whole or in part, you will receive a certificate for all full Plan shares and a check in the amount of the market value of any fractional Plan share.

**Denial or Termination of Participation.** At our direction, the Plan Administrator may terminate your participation in the Plan if you do not own at least one full share in your name or hold shares through the Plan. We also reserve the right to deny, modify, suspend or terminate participation in the Plan by otherwise eligible persons to the extent we deem it advisable or necessary in our discretion to comply with applicable laws or to eliminate practices that are not consistent with the purposes of the Plan. Participants whose participation in the Plan is terminated will receive certificates for all full Plan shares and a check in the amount of the market value of any fractional Plan share.

**Insufficient Funds Policy.** In the event that any check is returned to the Plan Administrator unpaid for any reason, the Plan Administrator will consider the request for investment of such money null and void and will remove from your account Plan shares, if any, purchased upon the prior credit of such money. The Plan Administrator will be entitled to sell these shares to satisfy any uncollected amounts. If the net proceeds of the sale of such shares are insufficient to satisfy the balance of such uncollected amounts, the Plan Administrator will be entitled to sell such additional shares from your account as are necessary to satisfy the uncollected balance. In addition, you will be assessed a \$25.00 fee per transaction for any insufficient funds.

**Dividend Treatment.** The Plan is designed so that you and nonparticipating shareholders receive equivalent value when cash dividends are paid by the Company. If shares are acquired for your Plan account as a result of reinvestment of cash dividends, you will be treated as having received a taxable stock distribution equal to the full amount of money which could have been received as a cash dividend.

**Constructive Distribution.** If any brokerage fees are paid by FBL in the acquisition of shares on your behalf (which will not occur if the purchases are directly from FBL), you will be treated as having received a constructive taxable distribution in the amount of these fees. The Company will furnish you with annual information as to the amount of these taxable distributions.

**Cost Basis of Shares.** For federal income tax purposes, the cost basis of shares purchased with your cash investments is the purchase price of the shares plus any trading fees paid by you in connection with open market purchases.

**Gains and Losses from the Sale of Shares.** You do not realize any taxable income from the issuance of certificates representing Plan shares. You may realize gain or loss, however, at the time the shares are sold by the Plan Administrator or by you after you withdraw your shares from the Plan. The amount of realized gain or loss, if any, is based on the difference between the amount you receive for the shares and the cost basis of the shares.

**IRS Reports.** If, at your request, the Plan Administrator sells Plan shares for you, the Plan Administrator will report the proceeds from the sale to you and the Internal Revenue Service on Form 1099-B.

#### USE OF PROCEEDS

The proceeds to FBL from the sales, if any, of authorized but unissued common stock under the Plan are expected to be used for general corporate purposes. We have no current specific plan for the proceeds, or a significant portion thereof, at this time. We have no basis for estimating either the number of shares of common stock that will ultimately be sold under the Plan or the prices at which the shares will be sold. We will not receive any proceeds when shares of common stock are purchased under the Plan in the open market.

### Item 15. Indemnification of Officers and Directors

The Company's Restated Articles of Incorporation and Amended and Restated Bylaws provide that the Company shall indemnify its directors, officers, employees and agents to the fullest extent permitted by the Iowa Business Corporation Act (the "IBCA"). The IBCA provides that a company may indemnify its officers and directors if (i) the person acted in good faith, and (ii) the person reasonably believed, in the case of conduct in the person's official capacity with the Company, that the conduct was in the Company's best interests, and in all other cases, that the person's conduct was at least not opposed to the Company's best interests, and (iii) in the case of any criminal proceeding, the person had no reasonable cause to believe the person's conduct was unlawful. The Company is required to indemnify officers and directors against reasonable expenses incurred in connection with any proceeding in which they are wholly successful, on the merits or otherwise, to which the person may be a party because of the person's position with the Company. If the proceeding is by or in the right of the Company, indemnification may be made only for reasonable expenses and may not be made in respect of any proceeding in which the person shall have been adjudged liable to the Company. Further, any such person may not be indemnified in respect of any proceeding that charges improper personal benefit to the person, in which the person shall have been adjudged to be liable.

The Company maintains directors' and officers' liability insurance, which indemnifies directors and officers of the Company against certain damages and expenses relating to claims against them caused by negligent acts, errors or omissions.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of FBL pursuant to the foregoing provisions, or otherwise, FBL has been informed that in the opinion of the Securities and

Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

### Item 17. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the Prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in

the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by a Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of

the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of 314 securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of an undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of an undersigned registrant or used or referred to by an undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of any employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

## Edgar Filing: FBL FINANCIAL GROUP INC - Form S-3

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful

defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
