(d) On April 30, 2013, the board of directors of Valmont Industries, Inc. ("Valmont") appointed Kenneth Stinson as lead director and appointed the directors to committees as follows:

Governance and Nominating Committee: Clark Randt (Chairman), Glen Barton, James Milliken

International Committee: Kaj den Daas (Chairman), Clark Randt, James Milliken, Mogens Bay

The board of directors is divided into three classes. In order that each class will have the same number of directors following the retirement of Stephen Lewis on April 30, 2013, Catherine James Paglia resigned from the class of 2015 and was elected by the board of directors to the class of directors with terms expiring in 2016.

Non-employee directors receive (1) an annual retainer of \$75,000, (2) \$2,500 for each board meeting attended (\$1,000 if the participation was via teleconference), and (3) \$2,000 for each committee meeting attended. The lead director received an additional \$35,000 for the year and each committee chairman received an additional \$10,000 for the year. Non-employee directors also receive a grant of restricted stock units with a value of \$130,000 (based on the closing market price of the Company's common stock on the date of the Company's annual shareholders' meeting). The equity grants are made annually on the date of and following completion of the Company's annual shareholders' meeting. The restricted stock units vest on the first anniversary of the grant date (subject to deferral by the director).

(e) At the annual shareholders meeting on April 30, 2013, the shareholders of Valmont Industries, Inc. approved the Valmont 2013 Stock Plan. The stock plan authorizes the issuance of stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, deferred stock units and other forms of stock-based compensation to officers and other employees of Valmont and its subsidiaries. The maximum number of shares of Valmont's common stock that may be issued under the stock plan is 1,700,000. Any shares of common stock subject to an award under the stock plan, or subject to an outstanding award under the Valmont 1999 Stock Plan, Valmont 2002 Stock Plan, or Valmont 2008 Stock Plan, which for any reason is cancelled, terminated or otherwise settled without the issuance of any common stock are again available for awards under the Valmont 2013 Stock Plan. The principal features of the plan are summarized on pages 30 to 34 of Valmont's proxy statement for the annual shareholders meeting held on April 30, 2013 and incorporated herein by this reference. The forgoing description and the proxy statement summary are qualified in their entirety by reference to the Valmont 2013 Stock Plan, filed as an Exhibit 10.1 to this Form 8-K and incorporated herein by reference.

At the annual shareholders meeting the shareholders also approved the Valmont 2013 Executive Incentive Plan. Annual and/or long-term performance targets must be achieved in order for an award to be earned under the incentive plan. Such targets, which may be calculated on an absolute or relative basis, shall be based on stock price, earnings, earnings per share, growth in earnings per share, total shareholder return, achievement of annual operating profit plans, operating income performance, return on equity performance, return on capital, sales growth, expense or working capital targets, margin improvement, cash flow, or related financial goals, or any of the foregoing before or after the effect of acquisitions, divestitures, accounting charges, or other nonrecurring expenses, all as determined by the compensation committee of Valmont's board.
