THE FOLLOWING IS A TRANSCRIPT OF A PRERECORDED VOICE MESSAGE FROM GREGORY D. BRENNEMAN MADE AVAILABLE TO EMPLOYEES OF HAWAIIAN AND ALOHA FOR THE WEEK OF MARCH 18, 2002.

Hi, this is Greg with the voicemail update for the week of March 18th. I was surprised and disappointed by the decisions of Hawaiian Airlines to not extend the April 18th day for closing the merger. The failure to extend the timetable basically precludes completing the merger. It is my hope that Hawaii and each of you will someday receive the benefits this merger provides. Working together we accomplished a lot over a 3 month period. We have made tremendous progress in achieving a successful combination in virtually every critical area. This

includes developing a plan to combine and rapidly grow the airline. Negotiating a new fleet and new financing and working with community leaders and antitrust officials. I want to express thanks to each of the professional men and women of Aloha and Hawaiian for running a great operation during the merger approval process. I did not get a single call from the FAA concerning a disruption as a result of the merger. I'd also like to express appreciation to the union leaders. Thanks to them the negotiation process for merging the seniority lists and combining contracts was one of the smoothest in airline history. We were clearly moving forward in record time. Finally, I'd like to let each of you know how much I enjoyed meeting you. You are clearly true professionals in the airline industry. May you all have much future success. God bless and Mahalo. Remember to check the SEC website at sec.com if you would like more information. Thank you.
