Item 5. Other Events.

In May 2001, Reckson Associates Realty Corp. ("Reckson") formed a committee of its Board of Directors (the "Committee"), comprised solely of independent directors, to consider any action to be taken with respect to the loans made by Reckson Operating Partnership, L.P. ("ROP") to FrontLine Capital Group ("FrontLine"), a company that was spun-off by Reckson to its stockholders in 1998. FrontLine recently announced that HQ Global Holdings, Inc. ("HQ"), the primary business of FrontLine, is in default with respect to

certain covenant and payment obligations under its senior and mezzanine indebtedness. FrontLine reported that, as a result of these defaults, an event of default has also occurred under FrontLine's \$25 million secured credit facility (the "Facility") and that these events may result in other defaults by FrontLine and/or HQ, including, if the indebtedness under the Facility is accelerated, a default under FrontLine's indebtedness owed to ROP. FrontLine also reported that it and HQ are in active negotiations with their lenders concerning the restructuring of their indebtedness. Reckson is currently analyzing the likelihood of repayment by FrontLine of the indebtedness owed to ROP. This may result in the establishment of reserves against such indebtedness.
