Form 12b-25 Part IV(3)
Command Security Corporation
August 16, 2004

The Company expects a net loss, before preferred stock dividends of \$38,413, of approximately \$440,000 for the quarter ended June 30, 2004. At the end of this quarter last year the Company reported a net loss of \$134,977. The overall reduction in net income is due to the decrease in revenue for the federalization of pre-board screening at U.S. airports in November 2002 and the realization of lower margin levels on new contracts in the Aviation division. Additionally, the Company has experienced an adverse impact on workers compensation costs.
