Internet Gold Shares to be Dual-Listed on Israel's TASE

Thursday February 17, 8:47 am ET

PETACH TIKVA, Israel, February 17 /PRNewswire-FirstCall/ -- Internet Gold's (NASDAQ: IGLD - News) today announced that the Israel Securities Authority has approved its request to dual-list its shares on the Tel Aviv Stock Exchange (TASE). The Company expects that the listing process will be completed within the next few days and that once completed, the Company's shares will begin trading immediately on the TASE.

"By listing on the TASE, our shares will become accessible to Israeli institutions and individuals that invest only in TASE traded shares. We believe this will expand our trading volume significantly, increasing the liquidity of our shares," said Mr. Eli Holtzman, Internet Gold's CEO. "The combination of the TASE listing with our recent re-listing on Nasdaq's National Market will give our company a higher profile that we believe will work to the benefit of our shareholders."

About Internet Gold

Internet Gold is a communications company that provides Internet access and related value-added services, international telephony, e-advertising, content and e-Commerce services throughout Israel to both residential and business customers.

Internet Gold's operations are carried out through four subsidiaries. Through MSN Israel, its joint-venture (50.1% owned) with Microsoft Corp., the Company operates Israel's leading Internet portal. Its fully-owned subsidiary, Internet Gold International, specializes in the provision of international Internet and communication services. Its fully-owned subsidiary, GoldMind, focuses on the provision of Internet value-added services. Through GoldTrade, its fully-owned e-Commerce subsidiary, the Company has established itself as one of Israel's leading e-Commerce providers.
