1. Press Release dated August 17, 2017

Elbit Systems Confirmed that a Jury Found Hughes
Network Systems to have Infringed an Elbit Systems Patent

Haifa, Israel, August 17, 2017 – Elbit Systems Ltd. (NASDAQ: ESLT and TASE: ESLT) ("Elbit Systems") confirmed today, in an answer to media inquiries, that on August 7, 2017, a jury in the United States District Court for the Eastern District of Texas found Hughes Network Systems, LLC, to have infringed one of its patent, which generally relates to high-speed satellite communications, U.S. Patent No. 6,240,073.

The jury awarded Elbit Systems damages of approximately \$21million plus interest. The court has yet to issue a final order regarding the verdict, and the financial impact of this matter is not yet determinable.

This press release contains forward looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward-looking statements are based on management's expectations, estimates, projections and assumptions. Forward looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including

Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
