FOR IMMEDIATE RELEASE

JANUARY 29, 2002

25% Q4 PRO FORMA EBITDA GROWTH FROM USA'S OPERATING BUSINESSES
34% EBITDA GROWTH BUDGETED FOR OPERATING BUSINESSES FOR FULL YEAR 2002

NEW YORK, January 29, 2002 - USA Networks, Inc. (NASDAQ: USAI), to be renamed USA Interactive upon closing of the contribution of USA Entertainment to a joint venture to be controlled by Vivendi Universal, reported results today for its quarter ended December 31, 2001. Highlights are presented on a pro forma comparative Q4 basis, reflecting the pending Expedia and Vivendi transactions.

- o USA'S INTERACTIVE OPERATING BUSINESSES increased revenue by 17% to \$937.8 million and EBITDA by 25% to \$149.0 million. Total revenue increased by 14% to \$1,030 million and total EBITDA increased by 33% to \$120.3 million.
- o HSN increased its U.S. revenue by 9% to \$495.3 million and EBITDA by 3% to \$75.7 million, as expected, while reducing inventory levels by \$30.1 million, or 14%, to \$156.5 million, during the year. As evidenced that HSN is on track for a strong year, its U.S. revenue in January 2002 is up approximately 20% versus January 2001.
- o HOTEL RESERVATIONS NETWORK increased revenue by 42% to \$141.7 million and EBITDA by 30% to \$22.9 million. HRN added a record number of properties, 667, and increased its number of affiliates to over 23,800 during Q4. HRN is already having an outstanding 2002, having sold a record \$2.5 million in hotel rooms on January 9th.
- o TICKETMASTER increased ticketing revenue by 7% to \$131.8 million although EBITDA declined by 12%, primarily due to reduced profitability in selected international operations; declines in software sales which are sensitive to economic conditions; and the inclusion of Reserve America, a seasonal business. Ticketmaster also launched TICKETFAST -TM-, for print-at-home ticketing, and Ticketmaster Marketplace -TM-, a service for buying, selling and forwarding tickets.
- o EXPEDIA (transaction pending) increased revenue by 84% to \$81.8 million and reversed an EBITDA loss of \$2.9 million in Q4 2000 to an EBITDA profit of \$22.2 million. Expedia took the lead among online travel agencies, with \$704 million in gross bookings in Q4.
- o MATCH, one of the company's fastest-growing assets, increased revenue by

Edgar Filing: EXPEDIA INC - Form 425

145% to \$17.6 million and EBITDA by 451% to \$7.6 million. Match ended Q4 with total paid subscribers of 382,150, an increase of 51% over Q3.

- o USA is filing its REVISED BUDGET with the SEC, based on its strong fourth quarter results and additional information regarding the state of the travel and leisure markets. The revised budget projects EBITDA for USA's Interactive Operating Businesses to grow by 34% to \$648 million and total EBITDA to grow by 69% to \$607 million in 2002.
- o USA also today reiterated its goal of reaching 20% OF INTERACTIVE COMMERCE over the next several years through a combination of organic growth, investing in new initiatives, and significant acquisition activity. USA is filing material with the SEC, pursuant to Reg FD, which contains more detail on its strategy and goals.
- o USA ENTERTAINMENT (which is not reflected in the comparative pro forma results due to its pending contribution to a joint venture to be controlled by Vivendi Universal) Operating Businesses decreased revenue by 15% to \$357.0 million and EBITDA by 16% to \$126.8 million, due largely to a continuing weak advertising market.

- o Includes pro forma results for Expedia, the acquisition of which is expected to close in February 2002. Does not include results for USA Entertainment, the contribution of which to a joint venture with Vivendi Universal is expected to close by Q2 2002. Excludes results from USA Broadcasting, the sale of which to Univision was completed in August 2001.
- o EBITDA is defined as operating income plus (1) depreciation and amortization, (2) amortization of cable distribution fees (\$14.6 million & \$11.0 million, respectively), (3) amortization of non-cash distribution, marketing, and compensation expense, and (4) disengagement related payments to cable operators and marketing expenses (\$4.1 million) related to the transfer of HSN's distribution to cable (which has been accomplished).
- (a) In order to present comparable results for HSN Germany, the results have been translated from Euros to U.S. dollars at a constant exchange rate.
- (b) Represents non-recurring costs related to restructuring operations at HSN, HSN International and PRC, including costs for employee terminations.
- (c) Reflects estimated results generated by homes lost by HSN following the sale of USA Broadcasting to Univision.
- (d) HSN - International and other includes primarily Home Shopping Espanol and HSN Germany. USA was premature in its inclusion previously of HSN Germany as an Operating Business. Although we believe that HSN Germany will be profitable this year (and exceed its performance from last year), it continues to experience significant growing pains and is not close to operating at a stable, consistent basis (although there could be future variations in results). We, therefore, intend to include HSN Germany as part of HSN International and other for the foreseeable future, and we do not intend to move it back to an Operating Business based on any short-term improvement in results. For the fourth quarter, HSN Germany's sales and EBITDA were \$75.2 million and \$1.7 million, respectively, as compared to

Edgar Filing: EXPEDIA INC - Form 425

\$74.0 million and \$9.0 million, respectively, in the year ago period. We believe this change will result in a better understanding of the results of our Operating Businesses taken as a whole.

- (b) Excluding one-time income / (expense) of (\$25.7 million), pre-tax in Q4 '01, including \$8.1 million related to the Entertainment operations, and (\$184.4 million), pre-tax, in Q4 '00, including the write-down of Styleclick goodwill in Q4 '00 of (\$145.6 million), pre-tax.
- (c) Presented based upon net income available to common shareholders, giving effect to the preferred dividend related to the Expedia transaction.
- (d) Amounts based on net income before loss from discontinued operations in Q4 '00 of \$18.0 million.

Cash net income ("CNI") is defined as net income plus (1) amortization of non-cash distribution, marketing, and compensation expense (2) amortization of goodwill and intangibles and (3) minority interest related to Holdco, minus the 1.4% PIK dividend on the \$1.75 billion preferred security (\$24.5 million, pre-tax). Shares outstanding to compute CNI EPS is defined as actual shares outstanding plus 33.2 million shares of Holdco that are exchangeable into USA common stock minus 56.6 million shares of common stock held by Vivendi, as the Company believes these shares should be viewed as treasury, although the amount of shares treated as treasury will be lower at stock prices greater than \$40.82, as discussed in USA's 8-K filing with the SEC dated December 17, 2001. Related to Holdco, the Company intends to issue common stock for all remaining exchangeable shares upon completion of the Vivendi transaction. CNI EPS amounts are shown on a diluted basis, including the impact of dilutive securities.

ADOPTION OF NEW ACCOUNTING RULES FOR GOODWILL

Effective January 1, 2002, all calendar year companies will be required to adopt FAS 142, the new accounting rules for goodwill. The new rules eliminate amortization of goodwill and other intangible assets with indefinite lives and establish new measurement criterion for these assets. Although it has not completed its assessment, the Company anticipates a write-off of \$325 million to \$425 million primarily related to the Citysearch and Precision Response (PRC)

Edgar Filing: EXPEDIA INC - Form 425

businesses. Although Citysearch and PRC are expected to generate positive cash flows in the future, due to cash flow discounting techniques required by the new rules, the future cash flows do not support current carrying values. The expected range for the Citysearch write-off is \$75 million to \$125 million and for PRC \$250 million to \$300 million. The rules are expected to reduce USA's annual amortization expense by approximately \$230 million.

ELECTRONIC RETAILING HIGHLIGHTS

HSN's EBITDA increased by 3% to \$75.7 million on 9% higher revenue of \$495.3 million in the United States.

- o In a challenging environment, HSN continues to grow faster than virtually every major traditional retailer. In fact, HSN had one of its best quarters ever in terms of new business, adding approximately 735,000 new customers during Q4.
- o As compared to Q4 2000, EBITDA grew slower than revenue due to the build out its new California fulfillment facility to reduce shipping times to west coast customers, investments in alternative distribution channels, and continuing technology investments in HSN.com as the business scales.
- o HSN.com, which now represents approximately 10% of HSN's U.S. sales, grew revenue by 125% in Q4, generating more sales than in all of 2000. Its affiliate program, which began in August, now includes more than 3,000 affiliates.
- o Off-air sales (including continuity, upsells, waitlist, and SHOP THE SOAPS), which require little or no HSN TV airtime, generated more than \$100 million in sales during 2001, and are expected to grow by more than 25% in 2002.
- o In partnership with Carnival Cruise Lines and celebrity host Suzanne Somers, HSN's GODDESS CRUISE event generated 1,100 cabin bookings in 36 hours, becoming the fastest selling cruise in Carnival's history. And during the cruise, travelers placed more than 2,000 orders with HSN.
- o HSN recently announced deals with star personalities. Christopher Lowell, noted home authority and Emmy-winning host of the Discovery Channel's THE CHRISTOPHER LOWELL SHOW, will debut an exclusive line of home makeover items; Christine Alt, celebrity plus-size fashion model, will introduce an exclusive new collection of clothing for women of all sizes; and Michael Corbett, host of the syndicated television programs EXTRA!
