### ITEM 9. REGULATION FD DISCLOSURE.

On February 4, 2002, we announced our plans to offer 3,500,000 shares of common stock in a public offering. Of the 3,500,000 shares to be sold in the offering, 2,500,000 are being offered by us and 1,000,000 shares are being offered by The Carlino Family Trust. Net proceeds to us from the offering will be used to repay indebtedness under our existing credit facility. We will not receive any proceeds from the offering by The Carlino Family Trust.

In connection with the offering of the common stock, we anticipate disclosing to prospective purchasers of the common stock certain information. We have elected to provide certain of this information in this Current Report on Form 8-K as Exhibit 99.1 for informational purposes. None of the information contained in this Form 8-K or the exhibit hereto should be deemed to be filed under the Securities Exchange Act of 1934 or incorporated by reference into any other filings we have made or may make pursuant to the Securities Act of 1933 or into any other documents unless such portion of this Current Report on Form 8-K is expressly and specifically identified in such filing as being incorporated by reference therein.

We can not provide any assurance whether we will be able to complete the public offering of common stock. We presently expect to price the offering during the week of February 11, 2002.

This current report on Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale of any securities in any jurisdiction in which such offer or sale would be lawful.

This current report on Form 8-K, together with the information attached as an exhibit hereto, includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Exchange Act, regarding, among other things, our business strategy, our prospects and our financial position. These statements can be identified by the use of forward-looking terminology such as "believes," "estimates," "expects," "intends," "may," "will," "should" or "anticipates" or the negative or other variation of these or similar words, or by discussions of strategy or risks and uncertainties. Although we believe that the expectations reflected in such forward-looking statements are reasonable, they are inherently subject to risks, uncertainties and assumptions about us and our subsidiaries and, accordingly, we cannot assure you that such expectations will prove to be correct. Important factors that could cause actual results to differ materially from the forward-looking statements include, without limitation, risks related to the following:

All subsequent written and oral forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the cautionary statements included in this document.
