Section 1 – Conflict Minerals Disclosure

Item 1.01 Conflict Minerals Disclosure and Report

Gibraltar Industries, Inc. (“Gibraltar” or “the Company”) has evaluated its current product lines and determined that certain products that we manufacture or contract to manufacture contain tin, tungsten, tantalum, or gold, which are necessary to the functionality or production of the Company’s products into which these minerals have been incorporated. Rule 13p-1 established under the Securities Exchange Act of 1934 defines these minerals as “conflict minerals” and, as a result, the Company is required to conduct in good faith, a reasonable country of origin inquiry with respect to the source of these minerals. Accordingly, Gibraltar is filing this disclosure along with a Conflict Minerals Report to disclose the measures we have taken to determine whether the conflict minerals used in our products originated in the Democratic Republic of the Congo or adjoining countries.

Conflict Minerals Disclosure

The Company has engaged and is continuing to engage in a due diligence process, including surveying our direct suppliers via an industry-standard based survey template for conflict minerals, to try to determine the sources of the conflict minerals, used in our products and which are purchased through a complex supply chain.

Based on the results of our due diligence efforts, Gibraltar does not have sufficient information from our suppliers or other sources to determine the country of origin of the conflict minerals used in our products or identify the facilities used to process those conflict minerals. Therefore, we cannot exclude the possibility that some of these conflict minerals may have originated in the Democratic Republic of the Congo or an adjoining country and are not from recycled or scrap sources.

Item 1.02 Exhibit

The Conflict Minerals Report required by Item 1.01 is filed as Exhibit 1.02 to this Form.

A copy of Gibraltar's Conflict Minerals Report is filed as Exhibit 1.02 hereto and is publically available at [www.gibraltar1.com](http://www.gibraltar1.com) under the heading "Investor Info" and the sub-heading "SEC filings" section.
