PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of CNE Group, Inc., a Delaware corporation (the "Company"), of proxies for use in voting at the Annual Meeting of Stockholders

Edgar Filing: CNE GROUP INC - Form PRE 14A

to be held at 200 West 57th Street, Suite 800, New York, New York 10019, on Thursday, December 18, 2003 at 11:00 a.m. and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual Meeting. The approximate date on which this Proxy Statement and the accompanying proxy will be mailed to stockholders is November 18, 2003. The Company's Form 10-KSB (without exhibits) for the fiscal year ending December 31, 2002, including financial statements, is being mailed to stockholders along with this Proxy Statement. The shares represented by the proxies received, properly dated and executed and not revoked, will be voted at the Annual Meeting. A proxy may be revoked in writing at any time before it is exercised by filing with the Secretary of the Company at its principal office, 200 West 57th Street, Suite 507, New York, New York 10019, an instrument of revocation or a duly executed proxy bearing a later date. A proxy may also be revoked by attendance at the meeting and election to vote in person.

On the matters coming before the Annual Meeting, shares for which proxies are received will be voted in accordance with choices specified by the stockholders by means of the ballot on the proxy. If no choice is specified, each share will be voted FOR the election of the seven (7) nominees for Director listed in this Proxy Statement and FOR approval of Proposal No. 2 and Proposal No. 3 described in the attached notice and in this Proxy Statement.

The close of business on November 3, 2003 has been fixed as the record date for determining the stockholders entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof. As of the close of business on such date, the Company had 8,890,920 shares of Common Stock, \$0.00001 par value, outstanding.

A majority of the outstanding shares of Common Stock of the Company will constitute a quorum for the transaction of business at the Annual Meeting, but if a quorum is not present, in person or by proxy, the meeting may be adjourned from time to time until a quorum is obtained. Each share of Common Stock is entitled to one vote on all matters. No other class of securities will be entitled to vote at the meeting. There are no cumulative voting rights.

The two nominees for a term of three years; the two nominees for a term of two years; and the three nominees for a term of one year receiving the highest number of votes cast by the holders of common stock represented and voting at the meeting will be elected as the Company's directors for their respective terms and will constitute the entire board of directors of the Company.

2

The affirmative vote of at least a majority of the shares represented and voting at the annual meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) is necessary for approval of Proposal No. 2 and Proposal No. 3.

The expense of printing and mailing proxy materials will be borne by the Company. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers and other employees of the Company by personal interview, telephone, facsimile, e-mail or telegraph. No additional compensation will be paid for such solicitation. Copies of solicitation material will be furnished to brokerage houses, fiduciaries and custodians to forward to beneficial owners of Common Stock held in their names. The Company will reimburse those persons for their reasonable expenses in forwarding solicitation material to such beneficial owners.

If you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote

Edgar Filing: CNE GROUP INC - Form PRE 14A

those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items (in which case, the shares will be treated as "broker non-votes").

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business; and (ii) the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal (other than the election of directors).

Under current Delaware case law, while broker non-votes (i.e. the votes of shares held of record by brokers as to which the underlying beneficial owners have given no voting instructions) should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. The Company intends to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the voting on a proposal.

PROPOSALS TO STOCKHOLDERS

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Seven Directors whose terms expire at the Annual Meeting have been nominated for election, or reelection as the case may be, for various terms. Charles W. Currie and Michael J. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THESE NOMINEES AND IT IS INTENDED THAT THE PROXIES RECEIVED WILL BE VOTED "FOR" THESE NOMINEES UNLESS OTHERWISE PROVIDED THEREIN. THE BOARD KNOWS OF NO REASON WHY ANY OF THESE NOMINEES WILL BE UNABLE TO SERVE, BUT, IN SUCH EVENT, THE PROXIES RECEIVED WILL BE VOTED FOR SUCH SUBSTITUTE NOMINEE AS THE BOARD MAY RECOMMEND.

There are no family relationships among any of the Directors or executive officers of the Company, other than Carol L. Gutowski and Michael J. Gutowski, who are wife and husband. Edgar Filing: CNE GROUP INC - Form PRE 14A

INFORMATION CONCERNING COMMITTEES OF THE BOARD

The Company's By-Laws provide for an Executive Committee consisting of the Chairman of the Board and not less than two other Directors to exercise the powers of the Board during the intervals between meetings of the Board. The Board also has an Audit Committee that, in 2002, consisted of four outside Directors. This committee discusses audit and financial reporting matters with both management and the Company's independent certified public accountants. To ensure independence, the independent certified public accountants may meet with the Audit Committee with or without the presence of management representatives. During 2002, the Audit Committee, consisting of Joseph J. Anastasi, Charles W. Currie, David W. Dube and James J. Murtha, had four meetings. Since April 2003, the members of the Audit Committee have been Messrs. Dube, Anastasi and Currie. Each of these committee members is an Independent Director as that term is defined by the AMEX. In addition, Mr. Dube is a financial expert as defined in Securities and Exchange Commission rules. The Company believes that each of the Committee members is independent of management and free of any relationship that would interfere with his exercise of independent judgment as a member of this committee.

The principal function of the Audit Committee is to serve as an independent and objective party to assist the Board of Directors in monitoring the integrity of the financial statements of the Company, the compliance by the Company with legal and regulatory requirements, and the independence and performance of the Company's auditors.

The Board also has a Compensation Committee for the purpose of reviewing the compensation of officers and employees of the Company and making recommendations to the Board with respect thereto. During 2002, the Compensation Committee, consisting of Messrs. G. Benoit, K. Benoit, Currie and Dube, had two meetings. Since April 2003, the members of the Compensation Committee have been Messrs. Since April 2003, the members of the Nominating Committee have been Messrs. G. Benoit, Gutowski, Reid and Dube.

6

The Board also has an Incentive Compensation Committee for the purpose of administering and making incentive compensation awards under the Company's Incentive Compensation Plans. Audit Committee Report

The Audit Committee of the Board of Directors is currently composed of three independent directors and operates under a written charter prepared and adopted by the Board of Directors. The Audit Committee recommends to the Board of Directors, subject to stockholders' ratification, the selection of the Company's independent accountants.

Management is responsible for the Company's internal controls and financial reporting process. The Company's independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America, and for expressing an opinion on the conformity of the financial statements to accounting principles generally accepted in the United States of America. The Audit Committee's responsibility, as the representative of the Board of Directors, is to monitor and oversee the processes.

In this context, the Audit Committee met and held discussions with management and Eisner LLP, the Company's former auditors. Management represented to the Audit Committee that the Company's audited financial statements were prepared in accordance with accounting principles generally accepted within the United States of America, and the Audit Committee has reviewed and discussed the audited financial statements with management and Eisner LLP. In addition, the Committee has discussed with Eisner LLP the matters required to be discussed by Statement on Auditing Standards No. 61 Communication with Audit Committees. The Audit Committee also has received the written disclosures and letter from Eisner LLP required by Independence Standards Board Standard No. 1 Independence Discussions with Audit Committees, and has discussed with Eisner LLP its independence from the Company.

Based on reviews, discussions and other matters referred to in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2002.

This report is submitted by the Audit Committee of the Company's Board of Directors, David W. Dube, Chairman.

SUMMARY OF THE 2003 STOCK INCENTIVE PLAN

On April 30, 2003, the Board adopted the 2003 Stock Incentive Plan, which was amended by the Board on November 4, 2003 (the "2003 Plan"), that provides, among other things, for incentive and non-qualified stock options to purchase 5,000,000 shares of Common Stock. The purpose of the Plan is to aid the Company and its Affiliates in recruiting and retaining employees, directors, advisors and consultants and to motivate them to exert their best efforts on behalf of the Company and its Affiliates by providing incentives through the granting of Awards. The Company expects that it will benefit from the added interest that such employees, directors, advisors and consultants will have in the welfare of the Company as a result of their proprietary interest in the Company's success. The 2003 Plan will be administered by the Incentive Compensation Committee of the Board.

The following summary of the 2003 Plan is qualified in its entirety by reference to the complete text of the 2003 Plan which is attached to the Proxy Statement as Appendix A.

TERMS OF OPTIONS

The 2003 Plan permits the granting of both incentive stock options and non-qualified stock options. Generally, the option price of both incentive stock options and non-qualified stock options granted to employees must be at least equal to 100% of the fair market value of the shares on the date of grant. The maximum term of each option is ten years. For any participant who owns shares possessing more than 10% of the voting rights of the Company's outstanding shares of Common Stock, the exercise price of any incentive stock option must be at least equal to 110% of the fair market value of the shares subject to such option on the date of a grant and the term of the option may not be longer than five years. Options become exercisable at such time or times as the Board may determine at the time it grants options.

FEDERAL INCOME TAX CONSEQUENCES

Non-qualified Stock Options. The grant of non-qualified stock options will have no immediate tax consequences to the Company or the employee. In general, the exercise of a non-qualified stock option will require an employee to include in his gross income the amount by which the fair market value of the acquired shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price.

Edgar Filing: CNE GROUP INC - Form PRE 14A

Upon a subsequent sale or taxable exchange of the shares acquired upon exercise of a non-qualified stock option, an employee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such shares.

12

The Company will be entitled (provided applicable withholding requirements are met) to a deduction for federal income tax purposes at the same time and in the same amount as the employee is in receipt of income in connection with the exercise of a non-qualified stock option.

Incentive Stock Options. The grant of an incentive stock option will have no immediate tax consequences to the Company or the employee. If the employee exercises an incentive stock option and does not dispose of the acquired shares within two years after the grant of the incentive stock option or within one year after the date of the transfer of such shares to him (a "disqualifying disposition"), he will realize no compensation income and any gain or loss that he realizes on a subsequent disposition of such shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee's alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

ELIGIBILITY

Under the 2003 Plan, incentive stock options may be granted only to officers and employees and non-qualified stock options may be granted to officers, employees as well as directors, independent contractors and agents.

In April and November 2003, the Incentive Compensation Committee of the Board authorized the grant of 2,750,000 incentive stock options to six officers and 187,500 incentive stock options to an employee of the Company. In addition, the Board of Directors of the Company authorized the grant of 825,000 non-qualified stock options to various advisors to and independent contractors of the Company. Both of these actions are subject to ratification of the 2003 Plan by a majority of the shareholders of the Company.

GENERAL

The 2003 Stock Incentive Plan was effective on April 30, 2003, the date it was approved by the Board, and was amended by the Board on November 4, 2003, both such actions being subject to the approval of the 2003 Plan by the holders of a majority of the shares of the Company entitled to vote at the Annual Meeting, and shall continue until terminated or suspended by the Board. The 2003 Plan may be amended, terminated or modified by the Board at any time, except that the Board may not, without approval by a vote of the stockholders of the Company (i) increase the maximum number of shares for which options may be granted under the 2003 Plan, (ii) change the persons eligible to participate in the 2003 Plan, or (iii) materially increase the benefits accruing to participants under the 2003 Plan. No such termination, modification or amendment may affect the rights of an optionee under an outstanding option or the grantee of an award.

The Company believes that the 2003 Plan should be approved so that shares of Common Stock are available for grant to key employees, officers and directors as well as independent contractors and agents upon whose performance and contribution the long-term success and growth of the Company is dependent.

PROPOSAL NO. 3

RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

On July 3, 2003, the Audit Committee of the Board of Directors engaged Rosen Seymour Shapss Martin & Company LLP ("RSSM"), whose business address is 757 Third Avenue, New York, NY 10017, as independent public accountants to audit the financial statements of the Company and its subsidiaries for the fiscal year 2003 and to review the quarterly interim periods commencing June 30, 2003. This selection is being presented to the stockholders for their ratification at the Annual Meeting.

The Company had not consulted with RSSM prior to RSSM's retention on any matter regarding either (a) the application of accounting principles or the type of audit opinion that might be rendered on the Company's financial statements, or (b) any other matter that was either the subject of any disagreement between us and our former auditor or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K promulgated under the Securities Act of 1933).

The firm of Eisner LLP audited the Company's financial statements for the fiscal years 1987 through 2002. On June 30, 2003, the Company terminated Eisner LLP as independent public accountants. The reports of Eisner LLP on the Company's consolidated financial statements at December 31, 2002 and December 31, 2001 and for the years then ended did not contain an adverse opinion or a disclaimer of opinion; however, Eisner LLP's reports for the years ended December 31, 2002 and December 31, 2001 contained an explanatory paragraph due to uncertainty regarding the Company's ability to continue as a going concern. This uncertainty was also disclosed in the Company's condensed consolidated financial statements for the interim periods ended March 31, 2003 and June 30, 2003.

During the Company's two most recent fiscal years ended December 31, 2002 and any subsequent interim period preceding Eisner LLP's termination there were no disagreements with Eisner LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Eisner LLP would have caused them to make reference thereto in their report on the Company's financial statements. In addition, during the Company's two most recent fiscal years ended December 31, 2002 and any subsequent interim period preceding Eisner LLP's resignation there were no "reportable events" as defined in Item 304(a)(2)(i) and (ii) of Regulation SX.

In addition, Eisner LLP did not review any interim condensed financial statements for any period subsequent to March 31, 2003. Information included in Item 5 - Other Information of Part II of the March 31, 2003 Form 10-Q regarding the Company's pro-forma balance sheet as of March 31, 2003 was not examined or reviewed by Eisner LLP.

All audit and professional services provided by Eisner LLP were approved by the Audit Committee. The total fees billed by Eisner LLP were approximately \$123,500 in 2001 and

Edgar Filing: CNE GROUP INC - Form PRE 14A

14

\$134,800 in 2002. The fees for work in 2001 and 2002 are summarized below in terms of audit work and other work. Eisner LLP did not perform any tax work for the company in 2001 or 2002.

Audit Fees - The aggregate fees billed by Eisner LLP for professional services rendered for the audit of the Company's financial statements for the year ending December 31, 2001 and 2002 were approximately \$98,500 in 2001 and \$85,000 in 2002. These fees included review of the Company's quarterly filings with the SEC.

Other Fees - The aggregate fees billed by Eisner LLP for other fees were approximately \$25,000 in 2001 and \$31,200 in 2002. These fees reflect Eisner LLP's work relating to a re-creation of records assignment that was required due to the catastrophe of September 11, 2001 and consequential destruction of the Company's offices and records which were located at the World Trade Center in New York City.

The Board of Directors considers RSSM to be well qualified to serve as the independent public accountants of the Company. If, however, the stockholders do not ratify the appointment of RSSM, the Board of Directors may, but is not required to, reconsider the appointment. It is anticipated that a representative of RSSM will be present at the Annual Meeting and will be available to respond to appropriate questions. A representative of Eisner LLP will not be present.

Ratification of the selection of Rosen Seymour Shapss Martin & Company LLP as independent public accountants will require the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" SUCH RATIFICATION AND, UNLESS A STOCKHOLDER SIGNIFIES OTHERWISE, THE PERSONS NAMED IN THE PROXY WILL SO VOTE.

15

OTHER MATTERS

The Board of Directors of the Company does not know of any other matters to be presented for action at the Annual Meeting. Should any other matter come before the Annual Meeting, however, the persons named in the enclosed proxy will have discretionary authority to vote all proxies with respect to such matters in accordance with their judgment.

Proposals of stockholders to be considered for inclusion in the Proxy Statement and proxy card for the 2004 Annual Meeting of Stockholders must be received by the Company's Secretary, at the Company's offices located at 200 West 57th Street, Suite 507, New York, New York 10019 no later than February 1, 2004. The date of our 2004 Annual Meeting is anticipated to be June 3, 2004. If you want to present business at our 2004 Annual Meeting outside of the stockholder proposal rules of Rule 14a-8 of the Exchange Act, the Secretary must also receive notice of your proposal by February 1, 2004, but not before December 31, 2003, and you must be a stockholder of record on the date notice to stockholders is mailed and on the record date for determining stockholders entitled to notice of the meeting and to vote.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. WE URGE YOU TO FILL IN, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY IN THE PREPAID ENVELOPE PROVIDED,

Edgar Filing: CNE GROUP INC - Form PRE 14A

3

Appendix A

are subject to Awards (or portions thereof) which terminate or lapse without the payment of consideration may be granted again under the Plan.

4. Administration

- (a) The Plan shall be administered by the Committee, which may delegate its duties and powers in whole or in part to any subcommittee thereof consisting solely of at least two individuals who are intended to qualify as "Non-Employee Directors" within the meaning of Rule 16b-3 under the Act (or any successor rule thereto) and, to the extent required by Section 162(m) of the Code (or any successor section thereto), "outside directors" within the meaning thereof. In addition, the Committee may delegate the authority to grant Awards under the Plan to any employee or group of employees of the Company or an Affiliate; provided, that such grants are consistent with guidelines established by the Committee from time to time.
- (b) The Committee shall have the full power and authority to make, and establish the terms and conditions of, any Award to any person eligible to be a Participant, consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). Awards may, in the discretion of the Committee, be made under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or its Affiliates or a company acquired by the Company or with which the Company combines. The number of Shares underlying such substitute awards shall be counted against the aggregate number of Shares available for Awards under the Plan.
- (c) The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan, and may delegate such authority, as it deems appropriate. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to, Participants and their beneficiaries or successors).

Edgar Filing: CNE GROUP INC - Form PRE 14A

5. Limitations

- (a) No Award may be granted under the Plan after the fifth anniversary of the meeting of shareholders of the Company at which the Plan is approved, but Awards granted prior to such fifth anniversary may extend beyond that date.

4

Appendix A

- (b) No Option or Stock Appreciation Right, once granted hereunder, may be repriced.
- (c) With respect to any Awards granted to a Participant who is a non-employee member of the Board at the time of grant, such Awards shall be made pursuant to formulas established by the Board in advance of such grant. Any such Awards shall be made at the time such a Participant first becomes a member of the Board and, thereafter, on an annual basis at or following the annual meeting of stockholders. Such formulas may include any one or more of the following: (i) a fixed number of Options or Stock Appreciation Rights, (ii) a fixed number of Shares of Restricted Stock or a number of Shares of Restricted Stock determined by reference to a fixed dollar amount (calculated based on the Fair Market Value of a Share on the date of grant), and (iii) Other Stock-Based Awards determined either by reference to a fixed number of Shares or to a fixed dollar amount (calculated based on the Fair Market Value of a Share on the date of grant).
- (d) No award may be granted under the Plan which is not a "compensatory option" described in section 1.382-4(d)(7)(iii) of the Federal Income Tax Regulations.

6. Terms and Conditions of Options

Options granted under the Plan shall be, as determined by the Committee, nonqualified or incentive stock options for federal income tax purposes, as evidenced by the related Award agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine, and as evidenced by the related Award agreement:

- (a) Option Price. The Option Price per Share shall be determined by the Committee, but in the case of an employee option shall not be less than 100% of the Fair Market Value of a Share on the date an Option is granted.
- (b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted, except as may be provided pursuant to Section 15.
- (c) Exercise of Options. Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of this Section 6, the exercise date of an Option shall be the date a notice of exercise is received by the Company,

Edgar Filing: CNE GROUP INC - Form PRE 14A

together with provision for payment of the full purchase price in accordance with this Section 6(c). The purchase price for the Shares as to which an Option is exercised shall be paid to the Company, as designated by the Committee, pursuant to one or more of the following methods: (i) in cash or its equivalent (e.g., by check); (ii) in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles); (iii) partly in cash and partly in such Shares or (iv) if there is a public market for the Shares at such time, through the delivery of irrevocable instructions to a broker to sell Shares obtained upon the exercise of the Option and to deliver

5

Appendix A

promptly to the Company an amount out of the proceeds of such Sale equal to the aggregate Option Price for the Shares being purchased. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to the Plan.

- (d) Deferral. In the sole discretion of the Committee, in accordance with procedures established by the Committee, the Participant may be permitted to defer the issuance of Shares deliverable upon the exercise of an Option for a specified period or until a specified date.
- (e) ISOs. The Committee may grant Options under the Plan that are intended to be ISOs. Such ISOs shall comply with the requirements of Section 422 of the Code (or any successor section thereto). No ISO may be granted to any Participant who at the time of such grant, owns more than ten percent of the total combined voting power of all classes of stock of the Company or of any Subsidiary, unless (i) the Option Price for such ISO is at least 110% of the Fair Market Value of a Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such Shares to the Participant, shall notify the Company of such disposition and of the amount realized upon such disposition. All Options granted under the Plan are intended to be nonqualified stock options, unless the applicable Award agreement expressly states that the Option is intended to be an ISO. If an Option is intended to be an ISO, and if for any reason such Option (or portion thereof) shall not qualify as an ISO, then, to the extent of such nonqualification, such Option (or portion thereof) shall be regarded as a nonqualified stock option granted under the Plan; provided that such Option (or portion thereof) otherwise complies with the Plan's requirements relating to nonqualified stock options. In no event shall any member of the Committee, the Company or any of its Affiliates (or their respective

Edgar Filing: CNE GROUP INC - Form PRE 14A

employees, officers or directors) have any liability to any Participant (or any other person) due to the failure of an Option to qualify for any reason as an ISO.

- (f) Attestation. Wherever in this Plan or any agreement evidencing an Award a Participant is permitted to pay the exercise price of an Option or taxes relating to the exercise of an Option by delivering Shares, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and/or shall withhold such number of Shares from the Shares acquired by the exercise of the Option, as appropriate.

7. Terms and Conditions of Stock Appreciation Rights

- (a) Grants. The Committee may grant (i) a Stock Appreciation Right independent of an Option or (ii) a Stock Appreciation Right in connection with an Option, or a portion thereof. A Stock Appreciation Right granted pursuant to clause (ii) of the preceding sentence (A) may be granted at the time the related Option is granted or at any time prior to the exercise or cancellation of the related Option, (B) shall cover the same number of Shares covered by an Option (or such lesser number of Shares as the Committee may determine) and (C) shall be subject to the same terms

6

Appendix A

and conditions as such Option except for such additional limitations as are contemplated by this Section 7 (or such additional limitations as may be included in an Award agreement).

- (b) Terms. The exercise price per Share of a Stock Appreciation Right shall be an amount determined by the Committee but in no event shall such amount be less than the Fair Market Value of a Share on the date the Stock Appreciation Right is granted; provided, however, that notwithstanding the foregoing in the case of a Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, the exercise price may not be less than the Option Price of the related Option. Each Stock Appreciation Right granted independent of an Option shall entitle a Participant upon exercise to an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the exercise price per Share, times (ii) the number of Shares covered by the Stock Appreciation Right. Each Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, shall entitle a Participant to surrender to the Company the unexercised Option, or any portion thereof, and to receive from the Company in exchange therefor an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the Option Price per Share, times (ii) the number of Shares covered by the Option, or portion thereof, which is surrendered. Payment shall be made in Shares or in cash, or partly in Shares and partly in cash (any such Shares valued at such Fair Market Value), all as shall be determined by the Committee. Stock Appreciation Rights may be exercised from time to time upon actual receipt by the Company of written notice of exercise stating the number of Shares with respect to which the Stock Appreciation Right is being exercised. The date a notice of

Edgar Filing: CNE GROUP INC - Form PRE 14A

exercise is received by the Company shall be the exercise date. No fractional Shares will be issued in payment for Stock Appreciation Rights, but instead cash will be paid for a fraction or, if the Committee should so determine, the number of Shares will be rounded downward to the next whole Share.

- (c) Limitations. The Committee may impose, in its discretion, such conditions upon the exercisability or transferability of Stock Appreciation Rights as it may deem fit.

8. Restricted Stock

- (a) Grant. Subject to the provisions of the Plan, the Committee shall determine the number of Shares of Restricted Stock to be granted to each Participant, the duration of the period during which, and the conditions, if any, under which, the Restricted Stock may be forfeited to the Company, and the other terms and conditions of such Awards; provided that not less than 95% of the Shares of Restricted Stock shall remain subject to forfeiture for at least three years after the date of grant, subject to earlier termination of such potential for forfeiture in whole or in part in the event of a Change in Control or the death, disability or other termination of the Participant's employment.
- (b) Transfer Restrictions. Shares of Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered, except as provided in the Plan or the applicable Award agreement. Certificates, or other evidence of ownership, issued in respect of Shares of Restricted Stock shall be registered in the name of the Participant and deposited by such Participant, together with a stock power endorsed in blank, with the Company. After the lapse of the restrictions applicable to such Shares of Restricted Stock, the Company shall deliver such certificates, or other evidence of ownership, to the Participant or the Participant's legal representative.

7

Appendix A

- (c) Dividends. Dividends paid on any Shares of Restricted Stock may be paid directly to the Participant, withheld by the Company subject to vesting of the Restricted Shares pursuant to the terms of the applicable Award agreement, or may be reinvested in additional Shares of Restricted Stock, as determined by the Committee in its sole discretion.
- (d) Performance-Based Grants. Notwithstanding anything to the contrary herein, certain Shares of Restricted Stock granted under this Section 8 may, at the discretion of the Committee, be granted in a manner which is intended to be deductible by the Company under Section 162(m) of the Code (or any successor section thereto). The restrictions applicable to such Restricted Stock shall lapse based wholly or partially on the attainment of written performance goals approved by the Committee for a performance period established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period. The performance goals, which

Edgar Filing: CNE GROUP INC - Form PRE 14A

must be objective, shall be based upon one or more of the criteria set forth in Section 9(b) below. The Committee shall determine in its discretion whether, with respect to a performance period, the applicable performance goals have been met with respect to a given Participant and, if they have, shall so certify prior to the release of the restrictions on the Shares.

9. Other Stock-Based Awards

- (a) Generally. The Committee, in its sole discretion, may grant or sell Awards of Shares and Awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Shares ("Other Stock-Based Awards"). Such Other Stock-Based Awards shall be in such form, and dependent on such conditions, as the Committee shall determine, including, without limitation, the right to receive, or vest with respect to, one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Other Stock-Based Awards may be granted alone or in addition to any other Awards granted under the Plan. Subject to the provisions of the Plan, the Committee shall determine the number of Shares to be awarded to a Participant under (or otherwise related to) such Other Stock-Based Awards; whether such Other Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such Awards (including, without limitation, the vesting provisions thereof and provisions ensuring that all Shares so awarded and issued shall be fully paid and non-assessable). Notwithstanding any other provision, with respect to (i) Other Stock-Based Awards settled in Shares that are subject to time-based vesting, not less than 95% of such Other Stock Based Awards payable in Shares shall vest and become payable at least three years after the date of grant, subject to earlier vesting in whole or in part in the event of a Change in Control or the death, disability or other termination of the Participant's employment, and (ii) Other Stock-Based Awards settled in Shares that are subject to vesting upon the attainment of performance objectives, the minimum performance period shall be one year.
- (b) Performance-Based Awards. Notwithstanding anything to the contrary herein, certain Other Stock-Based Awards granted under this Section 9 may be granted in a manner which is intended to be deductible by the Company under Section 162(m) of the Code (or any successor section

thereto) ("Performance-Based Awards"). A Participant's Performance-Based Award shall be determined based on the attainment of written performance goals approved by the Committee for a performance period of not less than one year established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period. The performance goals, which must be objective, shall be based upon one or more of the following criteria: (i) consolidated earnings before or after taxes (including

Edgar Filing: CNE GROUP INC - Form PRE 14A

earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per Share; (v) book value per Share; (vi) return on shareholders' equity; (vii) expense management; (viii) return on investment; (ix) improvements in capital structure; (x) profitability of an identifiable business unit or product; (xi) maintenance or improvement of profit margins; (xii) stock price; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital and (xviii) return on assets. The foregoing criteria may relate to the Company, one or more of its Affiliates or one or more of its or their divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or any combination thereof, all as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code (or any successor section thereto), the performance goals may be calculated without regard to extraordinary items. The Committee shall determine whether, with respect to a performance period, the applicable performance goals have been met with respect to a given Participant and, if they have, shall so certify and ascertain the amount of the applicable Performance-Based Award. No Performance-Based Awards will be paid for such performance period until such certification is made by the Committee. The amount of the Performance-Based Award actually paid to a given Participant may be less than the amount determined by the applicable performance goal formula, at the discretion of the Committee. The amount of the Performance-Based Award determined by the Committee for a performance period shall be paid to the Participant at such time as determined by the Committee in its sole discretion after the end of such performance period; provided, however, that a Participant may, if and to the extent permitted by the Committee and consistent with the provisions of Section 162(m) of the Code, elect to defer payment of a Performance-Based Award.

10. Adjustments Upon Certain Events

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

- (a) Generally. In the event of any change in the outstanding Shares after the Effective Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination, combination or transaction or exchange of Shares or other corporate exchange, or any distribution to shareholders of Shares other than regular cash dividends or any transaction similar to the foregoing, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Awards, (ii) the maximum number of Shares for which Awards (including limits established for Restricted Stock or Other Stock-Based Awards) may be granted during a calendar year to any Participant, (iii) the Option Price or exercise price of any Stock Appreciation Right and/or (iv) any other affected terms of such Awards.

- (b) Change in Control. In the event of a Change in Control after the

Edgar Filing: CNE GROUP INC - Form PRE 14A

Effective Date, absent a specific provision in the Award, the Committee may, but shall not be obligated to, (A) accelerate, vest or cause the restrictions to lapse with respect to, all or any portion of an Award or (B) cancel Awards for fair value (as determined in the sole discretion of the Committee) which, in the case of Options and Stock Appreciation Rights, may equal the excess, if any, of value of the consideration to be paid in the Change in Control transaction to holders of the same number of Shares subject to such Options or Stock Appreciation Rights (or, if no consideration is paid in any such transaction, the Fair Market Value of the Shares subject to such Options or Stock Appreciation Rights) over the aggregate exercise price of such Options or Stock Appreciation Rights or (C) provide for the issuance of substitute Awards that will substantially preserve the otherwise applicable terms of any affected Awards previously granted hereunder as determined by the Committee in its sole discretion or (D) provide that for a period of at least 30 days prior to the Change in Control, such Options shall be exercisable as to all shares subject thereto and that upon the occurrence of the Change in Control, such Options shall terminate and be of no further force and effect.

11. No Right to Employment or Awards

The granting of an Award under the Plan shall impose no obligation on the Company or any Affiliate to continue the Employment of a Participant and shall not lessen or affect the Company's or Subsidiary's right to terminate the Employment of such Participant. No Participant or other person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants, or holders of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

12. Successors and Assigns

The Plan shall be binding on all successors and assigns of the Company and a Participant, including without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

13. Nontransferability of Awards

Unless otherwise determined by the Committee, an Award shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. An Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant.

14. Amendments or Termination

The Board or the Committee may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made, (a) without the approval of the shareholders of the Company, if such action would (except as is provided in Section 10 of the Plan), increase the total number of Shares reserved for the purposes of the Plan or increase the maximum number of Shares of Restricted Stock or Other Stock-Based Awards that may be awarded hereunder, or the maximum number of Shares for which

Awards may be granted to any Participant, (b) without the consent of a Participant, if such action would diminish any of the rights of the Participant under any Award theretofore granted to such Participant under the Plan or (c) to Section 5(b), relating to repricing of Options or Stock Appreciation Rights, to permit such repricing; provided, however, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Code or other applicable laws.

15. International Participants

With respect to Participants who reside or work outside the United States of America and who are not (and who are not expected to be) "covered employees" within the meaning of Section 162(m) of the Code, the Committee may, in its sole discretion, amend the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the requirements of local law or to obtain more favorable tax or other treatment for a Participant, the Company or an Affiliate.

16. Other Benefit Plans

All Awards shall constitute a special incentive payment to the Participant and shall not be taken into account in computing the amount of salary or compensation of the Participant for the purpose of determining any benefits under any pension, retirement, profit-sharing, bonus, life insurance or other benefit plan of the Company or under any agreement between the Company and the Participant, unless such plan or agreement specifically provides otherwise.

17. Choice of Law

The Plan shall be governed by and construed in accordance with the laws of the State of New York without regard to conflicts of laws, and except as otherwise provided in the pertinent Award agreement, any and all disputes between a Participant and the Company or any Affiliate relating to an Award shall be brought only in a state or federal court of competent jurisdiction sitting in Manhattan, New York.

18. Effectiveness of the Plan

The Plan shall be effective as of the Effective Date, subject to the approval of the shareholders of the Company.
