SECTION 1 - REGISTRANT'S BUSINESS AND OPERATIONS

Edgar Filing: ELEC COMMUNICATIONS CORP - Form 8-K

Item 1.01. Entry into a Material Definitive Agreement.

On February 8, 2005, the Company consummated a private placement with Laurus Master Fund, Ltd., a Cayman Islands corporation ("Laurus"), pursuant to which the Company issued a secured convertible term note in the principal amount of \$2,000,000 (the "Note"), and the Company issued a common stock purchase warrant (the "Warrant"), entitling Laurus to purchase up to 793,650 shares of the Company's common stock, par value \$.10 per share (the "Common Stock"). The Note and the Warrant were sold to Laurus, an "accredited investor" (as such term is defined in the rules promulgated under the Securities Act of 1933, as amended (the "Act")), for a purchase price of \$2,000,000.

The following describes certain of the material terms of the financing transaction with Laurus. The description below is not a complete description of the material terms of the transaction and is qualified in its entirety by reference to the agreements entered into in connection with the transaction, copies of which are included as exhibits to this Current Report on Form 8-K:

Note Maturity Date and Interest Rate. Absent earlier redemption by the Company or earlier conversion by Laurus, as described below, the Note matures on February 8, 2006; provided, however, that if the Company enters into a service provider agreement with a wholesale telephone service provider satisfactory to Laurus on or before August 1, 2005, the maturity date of the Note will be extended to February 8, 2008. Interest will accrue on the unpaid principal and interest on the Note at a rate per annum equal to the "prime rate" published in The Wall Street Journal from time to time, plus three percent (3%).

Payment of Interest and Principal. Interest on the Note is payable monthly on the first day of each month during the term of the Note, commencing March 1, 2005. Commencing May 1, 2005, the Company is required to make monthly principal payments of \$60,606.06 per month (together, with any accrued and unpaid interest payable on such date, the "Monthly Payment Amount").

Note Conversion Rights. All or a portion of the outstanding principal and interest due under the Note shall be converted into shares of Common Stock upon satisfaction of certain conditions. The Note is initially convertible into shares of Common Stock at a price of \$0.63 per share (together with any adjustments, the "Fixed Conversion Price"). The Fixed Conversion Price is subject to anti-dilution protection adjustments, on a weighted average basis, upon the Company's issuance of additional shares of Common Stock at a price that is less than the then-current Fixed Conversion Price.

Laurus may, at any time, convert the outstanding indebtedness of the Note into shares of Common Stock at the then-applicable Fixed Conversion Price.

Subject to the restrictions on conversion described below, Laurus shall be required to convert the Monthly Payment Amount due on any date into shares of Common Stock in the event (i) the average closing price of the Common Stock for the five consecutive trading days preceding such due date is greater than 115% of the Fixed Conversion Price, and (ii) the amount of such conversion does not exceed 25% of the aggregate dollar trading volume of the Common Stock for the 22-day trading period immediately preceding the due date of a Monthly Payment Amount.

In the event all or any portion of any Monthly Payment Amount is paid in cash, the Company shall be required to pay Laurus an amount equal to 102% of such Monthly Payment Amount.

Edgar Filing: ELEC COMMUNICATIONS CORP - Form 8-K

Right to Redeem Note. The Company has the option of prepaying the outstanding principal amount of the Note in whole or in part by paying an amount equal to (i) if such payment is made during the first year following the date of issuance of the Note, 120% of such principal amount; (ii) if such payment is made during the second year following the date the of issuance of Note, 125% of such principal amount; and (iii) if such payment is made during the third year following the date of issuance of the Note, 130% of such principal amount. The Company must give Laurus at least ten business days prior written notice of its intention to redeem any portion of the principal amount of the Note.

Security for Note. The Note is secured by a blanket lien on substantially all of the Company's assets pursuant to the terms of a security agreement executed by the Company and its subsidiaries in favor of Laurus. In addition, the Company has pledged its ownership interests in its subsidiaries pursuant to a stock pledge agreement executed by the Company in favor of Laurus securing its obligations under the Note. If an event of default occurs under the security agreement, the stock pledge agreement or the Note, Laurus has the right to accelerate payments under the Note and, in addition to any other remedies available to it, to foreclose upon the assets securing the Note.

Warrant Terms. The Warrant grants Laurus the right to purchase for cash up to 793,650 shares of Common Stock at an exercise price of (i) \$0.72 per share for the first 264,550 shares acquired; (ii) \$0.79 per share for the next 264,550 shares acquired and (iii) \$0.95 per share for the remaining shares acquired. The Warrant expires on February 8, 2012

Restrictions on Conversion of Note and Exercise of Warrant. The Company may pay amounts due under the Note in shares of Common Stock only so long as there is an effective registration statement under Act covering the resale of such shares or an exemption from such registration is available under Rule 144 of the Act. In addition, Laurus is not entitled to receive shares of Common Stock upon exercise of the Warrant, upon payment of principal or interest on the Note, or upon conversion of the Note if such receipt would cause Laurus to be deemed to beneficially own in excess of 4.99% of the outstanding shares of Common Stock on the date of issuance of such shares. Such provision may be waived by Laurus upon 75 days prior written notice to the Company.

2

Registration Rights. Pursuant to the terms of a Registration Rights Agreement between Laurus and the Company, the Company is obligated to file a registration statement on Form SB-2 or Form S-3 (or if such forms are not available, another appropriate form) registering the resale of the shares of Common Stock issuable upon payment or conversion of the Note and exercise of the Warrant. The Company is required to file the registration statement on or prior to March 25, 2005 and have the registration statement declared effective by the Securities and Exchange Commission on or prior to June 8, 2005. If the registration statement is not timely filed or declared effective within the timeframe described, or if the registration is suspended other than as permitted in the registration rights agreement, the Company will be obligated to pay Laurus a fee equal to 1.5% of the outstanding principal amount of the Note for each 30-day period (pro rated for partial periods) that such registration obligations are not satisfied.
