Item 1.01. Entry into a Material Definitive Agreement.

On February 1, 2013, Beazer Homes USA, Inc. (the “Company”) issued and sold \$200 million aggregate principal amount of its 7.250% Senior Notes due 2023 (the “Notes”) through a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States pursuant to Regulation S under the Securities Act. The Notes were initially sold pursuant to a purchase agreement, dated January 29, 2013, among the Company, the wholly-owned subsidiaries named as guarantors therein (the “Guarantors”) and Credit Suisse Securities (USA) LLC (the “Initial Purchaser”).

Interest on the Notes is payable semi-annually in cash in arrears on February 1 and August 1 of each year, commencing August 1, 2013. The Notes will mature on February 1, 2023.

The Notes were issued under an Indenture, dated as February 1, 2013 (the “Indenture”), among the Company, the Guarantors and U.S. Bank National Association, as trustee. The Indenture contains covenants which, subject to certain exceptions, limit the ability of the Company and its restricted subsidiaries (as defined in the Indenture) to, among other things, incur additional indebtedness, including secured indebtedness, and make certain types of restricted payments. The Indenture contains customary events of default. Upon the occurrence of an event of default, payments on the Notes may be accelerated and become immediately due and payable.

Upon a change of control (as defined in the Indenture), the Indenture requires the Company to make an offer to repurchase the Notes at 101% of their principal amount, plus accrued and unpaid interest.

The Company may redeem the Notes at any time prior to August 1, 2018, in whole or in part, at a redemption price equal to 100% of the principal amount, plus a customary make-whole premium, plus accrued and unpaid interest to the redemption date. In addition, at any time on or prior to August 1, 2016, the Company may redeem up to 35% of the aggregate principal amount of Notes with the proceeds of certain equity offerings at a redemption price equal to 107.250% of the principal amount of the Notes plus accrued and unpaid interest, if any, to the date fixed for redemption; provided, that at least 65% of the aggregate principal amount of the Notes originally issued under the Indenture remain outstanding after such redemption. On or after August 1, 2018, the Company may redeem some or all of the Notes at redemption prices set forth in the Indenture. These percentages range from 100.000% to 103.625%.

The Notes rank equally in right of payment with all of the Company's existing and future senior unsecured obligations, senior to all of the Company's existing and future subordinated indebtedness and effectively subordinated to the Company's existing and future secured indebtedness, including indebtedness under the Company's revolving credit facility and the Company's 6.625% Senior Secured Notes due 2018, to the extent of the value of the assets securing such indebtedness. The Notes and related guarantees are structurally subordinated to all indebtedness and other liabilities of all of the Company's subsidiaries that do not guarantee the Notes. The Notes are fully and unconditionally guaranteed jointly and severally on a senior basis by the Guarantors.

In connection with the issuance of the Notes, the Company and the Guarantors entered into a Registration Rights Agreement, dated as of February 1, 2013 (the “Registration Rights Agreement”), with the Initial Purchaser. The Registration Rights Agreement requires the Company to register under the Securities Act 7.250% Senior Notes due 2023 (the “Exchange Notes”) having substantially identical terms to the Notes and to complete an exchange of the privately-placed Notes for the publicly-registered Exchange Notes or, if the exchange cannot be effected, to file and keep effective a shelf registration statement for resale of the privately-placed Notes. Failure of the Company to comply with the registration and exchange requirements in the Registration Rights Agreement within the specified time period would require the Company to pay as liquidated damages additional interest on the privately-placed Notes until the failure to comply is cured.
