### SECTION 2 - FINANCIAL INFORMATION

#### ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT

##### CREDIT FACILITY

On August 31, 2004, the Company amended and restated its existing senior credit facility to provide an unsecured \$100 million facility which will expire on August 31, 2008. The Company has an option to increase the facility to \$125 million, subject to the terms of the agreement entered into with Bank of America, N.A., M & I Marshall & Ilsley Bank, Harris Trust and Savings Bank, and Wells Fargo Bank, National Association (the "Credit Agreement"). The facility provides sublimits of \$50 million for the issuance of standby letters of credit and \$10 million for certain short-term bid loans. The agreement had previously provided for an unsecured \$150 million credit facility which was due to expire on December 10, 2004. The amount of the new credit facility reflects the Company's anticipated borrowing needs, current cash position, and expectations with respect to cash to be provided by operations.

The Company will pay an annual facility fee (initially, .30%) and interest on borrowed funds other than bid loans based on the Eurodollar rate then in effect plus a stated margin (initially, .95%), each as determined by the Company's consolidated leverage ratio (consolidated indebtedness to consolidated capitalization). Loans under the facility are guaranteed by the Company's principal operating subsidiaries. The Company is required to maintain a consolidated leverage ratio of not more than 55%, a consolidated interest coverage ratio (EBITDDA to interest expense) of not less than 3.5 to 1, and a consolidated net worth of \$280 million (as increased by 25% of net quarterly income and proceeds from equity sales). The Credit Agreement also contains representations and warranties, covenants, and provisions for default customary for facilities of this nature for customers of the banks having similar creditworthiness. The Credit Agreement also provides for the acceleration of the maturity of any loans, at the option of the lenders, upon a change in control of the company, as defined in the agreement.
