### Item 4. Purpose of Transaction.

The purpose of this Amendment to Schedule 13D is to report that, since the last Schedule 13D filed by the Reporting Persons for this security, the Reporting Persons have had a material change in the amount of Shares they are deemed to beneficially own.

## Edgar Filing: AVALON HOLDINGS CORP - Form SC 13D/A

The Reporting Persons have acquired their Shares of the Issuer for investment. The Reporting Persons have no plans or proposals which, other than as expressly set forth below, would relate to or would result in: (a) the acquisition of additional securities of the Issuer or the disposition of presently-owned securities of the Issuer; (b) any extraordinary corporate transaction involving the Issuer; (c) a sale or transfer of a material amount of assets of the Issuer; (d) any change in the present Board of Directors or management of the Issuer; (d) any material change in the present capitalization or dividend policy of the Issuer; (f) any material change in the operating policies or corporate structure of the Issuer; (g) any change in the Issuer's charter or by-laws; (h) the Shares of the Issuer ceasing to be authorized to be quoted in the NASDAQ inter-dealer quotation system; or (i) causing the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934.

The Reporting Persons, however, reserve the right, at a later date, to effect one or more of such changes or transactions. The Reporting Persons believe that the public market value of the Issuer's Shares, which currently trades at levels below the amount of liquid assets and tangible book value per share, is significantly undervalued and does not adequately reflect the value the Issuer's underlying business and assets.

The Reporting Persons have been and may continue to be in contact with members of the Issuer's management, the Issuer's Board of Directors, other significant shareholders and others regarding alternatives that the Issuer could employ to maximize shareholder value including, but not limited to, the execution of a share buy-back program and/or a return of capital distribution to shareholders.

The Reporting Persons may also seek to pursue discussions with various persons relating to the composition, independence and functioning of the Issuer's Board of Directors. Although the Reporting Persons have no present plans to purchase additional Shares of the Issuer or sell any of their Shares of the Issuer, it may seek to purchase additional Shares of the Issuer or sell some or all of its Shares of the Issuer in the open market or in privately negotiated transactions from or to one or more sellers or purchasers, as the case may be, provided that, in accordance with its best judgment in light of the circumstances existing at the time, such transactions present an attractive (long or short term) opportunity for profit. The Reporting Persons further reserve the right to act in concert with any other shareholders of the Issuer, or other persons, for a common purpose should it determine to do so, and/or to recommend courses of action to management and the shareholders of the Issuer.

---
