(a) Effective as of the Effective Date, all "Advances" outstanding under the Existing Credit Agreement shall automatically be deemed Advances made and outstanding hereunder;

(b) Up to an aggregate principal amount of \$15,000,000, in one or more Advances for working capital purposes (collectively, the "Working Capital Advances"); and

(c) The balance of the Commitment, after deducting the aggregate principal amount of all Advances outstanding as of the date of any Notice of Drawdown, in one or more Advances, whereof each such Advance shall be applied by the Borrower to assist a Guarantor to finance a portion of the purchase price of an Additional Vessel under the relevant Memorandum of Agreement, and shall be an amount which, together with all other Advances of the Commitment then outstanding, shall not exceed seventy-five percent (75%) of the aggregate amount of the Fair Market Values of all Vessels which would be subject to a Mortgage immediately after the making of such Advance (determined on the basis of the most recent valuation for each Vessel delivered pursuant to Section 3.02(c) (iv)).

Within the limits of the Commitment, and of Section 2.02, the Borrower may borrow under this Section 2.01, repay pursuant to Section 2.04 and reborrow under this Section 2.01.

SECTION 2.02. Additional Vessels. Where the Borrower wishes to borrow an Advance other than a Working Capital Advance in relation to the proposed purchase of a vessel by a Guarantor, the Borrower shall notify the Lender (i) the name of such vessel (ii) the general description and deadweight tonnage (which shall be between 25,000 and 85,000 deadweight tons), (iii) the age of such vessel (which shall not be greater than ten years at the time of delivery to such Guarantor), (iv) the identity of the current owner, (v) the identity of the Guarantor, (vi) the purchase price of such vessel paid or to be paid by such

SECTION 2.03. Drawdown. (a) Each Advance shall be made on notice given not later than 11:00 A.M. (New York City time) on the third Business Day prior to the proposed Drawdown Date by the Borrower to the Lender. Each Advance shall be \$5,000,000 (\$1,000,000 in the case of any Working Capital Advance) or an integral multiple of \$1,000,000 in excess thereof.

(b) Each Notice of Drawdown shall be irrevocable and binding on the Borrower. The Borrower shall indemnify the Lender against any loss, cost or expense incurred by the Lender as a result of any failure to fulfill on or before the Drawdown Date specified in any Notice of Drawdown the applicable conditions set forth in Article III, including, without limitation, any loss, cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by the Lender to fund the Advance to be made by the Lender on such Drawdown Date when such Advance, as a result of such failure, is not made on such date.

SECTION 2.04. Repayment. (a) On any day on which the aggregate principal amount of the Advances exceeds the aggregate amount of the Lender's Commitment, the Borrower shall repay the principal amount of Advances in an amount equal to such excess.

(b) The Borrower shall repay in full all outstanding Advances immediately upon the occurrence of a Change of Control.

(c) In addition to, and without limitation of, the provisions of Section 7.01(l), on (i) the date of any transfer of title of a Vessel by the relevant Guarantor, and (ii) the earlier of (A) the date which is one hundred fifty (150) days following an Event of Loss of a Vessel, and (B) the date of receipt by the relevant Guarantor, the Borrower or the Lender of the insurance proceeds relating to such Event of Loss, the Borrower shall repay the Advances in an amount equal to the Relevant Percentage of the Advances outstanding immediately prior to such sale or Event of Loss.

(d) The Borrower may, upon not less than fourteen (14) Business Days' notice to the Lender identifying the Advance to be prepaid in whole or in part and stating the proposed date and aggregate principal amount of such prepayment (which notice shall be irrevocable), and if such notice is given the Borrower shall, prepay the outstanding principal amount of such Advance in whole or in part; provided, however, that each partial prepayment shall be in an aggregate principal amount not less than \$5,000,000 or an integral multiple of \$5,000,000 in excess thereof (or, if the aggregate outstanding principal amount of such Advance is less, such aggregate principal amount).

(e) Anything contained in this Agreement to the contrary notwithstanding, all then outstanding Advances shall be repaid on the Commitment

Termination Date.

(f) With respect to each repayment of Advances required by this Section 2.04, the Borrower may designate the specific Advance or Advances pursuant to which a repayment is made, provided that all Advances with Interest Periods ending on such date of required repayment shall be paid in full prior to the payment of any other Advances. In the absence of a designation by the Borrower as described in the preceding sentence, the Lender shall, subject to the preceding provisions of this subsection (g), make such designation in its sole reasonable discretion with a view, but no obligation, to minimize breakage costs owing pursuant to Section 9.04(b).

(g) Each such repayment of any Advance or relevant part thereof shall be accompanied by accrued interest to the date of such prepayment on the principal amount so repaid plus any amount payable pursuant to Section 9.04(b).

SECTION 2.05. Reduction of Commitment. (a) On each Scheduled Commitment Reduction Date prior to the Commitment Termination Date, the Lender's Commitment shall be reduced by an amount equal to \$25,000,000, and the Lender's Commitment shall be reduced to nil on the Commitment Termination Date.

(b) The Commitment shall be cancelled in full immediately upon the occurrence of a Change of Control.

(c) The Borrower may, upon not less than five (5) Business Days' notice to the Lender, terminate in whole or reduce in part the unused portion of the Commitment; provided, however, that each partial reduction of the Commitment shall be in an aggregate principal amount of \$5,000,000 or an integral multiple of \$5,000,000 in excess thereof.

SECTION 2.06. Interest. (a) Ordinary Interest. Subject to subsection (c) of this Section 2.06, the Borrower shall pay interest on the aggregate unpaid principal amount of each Advance from the relevant Drawdown Date until such principal amount shall be paid in full, at a rate per annum equal at all times during each Interest Period for such Advance to the sum of (i) the Relevant Interest Rate for such Interest Period plus (ii) the Applicable Margin in effect from time to time, plus (iii) the Mandatory Cost Rate in effect from time to time, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than three (3) months, on each day that occurs during such Interest Period every three (3) months from the first day of such Interest Period.

(b) Default Interest. The Borrower shall pay on demand interest on the unpaid principal amount of each Advance and on the unpaid amount of all interest, fees and other amounts then due and payable hereunder that is not paid when due from the due date thereof to the date paid, at a rate per annum equal at such time to two percent (2%) per annum above the rate per annum required to be paid on such Advance pursuant to clause (a) above.

(c) Interest Upon Default. Upon the occurrence and during the continuance of any Event of Default (or, in the case of any involuntary proceeding described in Section 8.01(f), a Default), the Borrower shall pay interest on the aggregate unpaid principal amount of each Advance from the date of the occurrence of such Event of Default or Default, as the case may be, until such Event of Default or Default, as the case may be, shall have been cured or waived, at a rate per annum equal to two percent (2%) per annum above the rate per annum required to be paid on such Advance pursuant to clause (a) above.

(d) Interest Rate when Transactions under Master Agreement. If a Transaction is to be entered into under the Master Agreement, the Relevant Interest Rate for each Interest Period applicable to any Advance the subject of the Transaction (commencing with the first Interest Period relating to such

## Edgar Filing: Eagle Bulk Shipping Inc. - Form 8-K/A

Transaction) shall be TELERATE unless the Borrower, by giving written notice (which shall be irrevocable) to the Lender not later than 11.00 A.M. (New York City time) three Business Days before the commencement of such first Interest Period, elects that the Relevant Interest Rate shall be RBS LIBOR rather than TELERATE.

SECTION 2.07. Interest Rate Determination. (a) The Lender shall calculate in relation to each Accounting Period the ratio (expressed as a percentage) (the "Advance Ratio") of (i) the aggregate amount of Advances outstanding on the first day of such Accounting Period, to (ii) the aggregate amount of the Fair Market Value of all Vessels then subject to a Mortgage and which have not become the subject of an Event of Loss, determined on the basis of valuations delivered to the Lender pursuant to Section 7.01(l) not more than twenty-one (21) days prior to the first day of such Accounting Period; provided, however, if valuations are not timely delivered for such purpose, then the aggregate amount of the Fair Market Value of all Vessels for such Accounting Period shall be deemed to be one (1); and provided further, however, that the Advance Ratio for the Accounting Period in which the Effective Date falls shall be calculated on the basis of the aggregate amount of Advances outstanding on the Effective Date and the valuation(s) delivered pursuant to Section 3.01(a) (xvii).

(b) The Lender shall give prompt notice to the Borrower of the applicable interest rate determined by the Lender for purposes of Section 2.06(a).

SECTION 2.08. Fees. (a) The Borrower agrees to pay to the Lender a non-refundable arrangement fee of \$900,000 on the date hereof.

(b) The Borrower agrees to pay to the Lender a commitment fee on the unused portion of the Lender's Commitment from the Effective Date until the Commitment Termination Date, calculated on a 360 day year basis, at a rate per annum equal to 0.25%, payable quarterly in arrears.

SECTION 2.09. Master Agreement. (a) If for any reason any Advance is not drawn down under this Agreement but nonetheless a Transaction has been entered into under the Master Agreement in relation thereto then, subject to Section 2.09(c), the Lender shall be entitled but not obliged to amend, supplement, cancel, net out, terminate, liquidate, transfer or assign all or any part of the rights, benefits and obligations created by the Master Agreement and/or to obtain or re-establish any hedge or related trading position in any manner and with any Person the Lender in its absolute discretion decides, and in the event of the Lender exercising any part of its entitlement aforesaid the Borrower's continuing obligations under the Master Agreement shall, unless agreed otherwise by the Lender, be calculated so far as the Lender considers it practicable by reference to the reduction schedule for the Commitment taking into account the fact that such Advance has not been advanced.

(b) In the case of repayment of all or part of any Advance under this Agreement or a reduction of the Commitment (whether scheduled or not) then, subject to Section 2.09(c), the Lender shall be entitled but not obliged to amend, supplement, cancel, net out, transfer or assign all or such part of the rights, benefits and obligations created by the Master Agreement which equate or relate to the Advance so repaid or prepaid or the part of the Commitment so reduced and/or to obtain or re-establish any hedge or related trading position in any manner and with any person the Lender in its absolute discretion decides, and in the case of such repayment or a partial prepayment or reduction of part of the Commitment and the Lender exercising any part of its entitlement as aforesaid the Borrower's continuing obligations under the Master Agreement shall, unless agreed otherwise by the Lender, be calculated so far as the Lender considers it practicable by reference to the reduction schedule (as it may be amended) for the Commitment taking account of the fact that more or less than

## Edgar Filing: Eagle Bulk Shipping Inc. - Form 8-K/A

the originally scheduled amount of the Commitment remains outstanding.

(c) If either (i) less than the full amount of any Advance is drawn down under this Agreement, or (ii) more or less than the originally scheduled amount of the Commitment remains outstanding following a repayment or a reduction of the Commitment under this Agreement, and the Lender in its absolute discretion agrees, following a written request of the Borrower, that the Borrower may be permitted to maintain all or part of a Transaction in an amount not wholly matched with or linked to all or part of an Advance, the Borrower shall within ten (10) days of being notified by the Lender of such requirement provide the Lender with, or procure the provision to the Lender of, such additional security as shall in the opinion of the Lender acting reasonably be adequate to secure the performance of such Transaction, which additional security shall take such form, be constituted by such documentation, and be entered into between such parties, as the Lender in its absolute discretion may approve or require, and each document comprising such additional security shall constitute a Credit Support Document (as defined in Section 14 of the Master Agreement).

(d) The Borrower shall on the first written demand of the Lender indemnify the Lender in respect of all loss, cost and expense (including the fees of legal advisers) incurred or sustained by the Lender as a consequence of or in relation to the effecting of any matters or transactions referred to in this Section 2.09.

(e) Without prejudice to or limitation of the obligation of the Borrower under Section 2.09(d), in the event that the Lender exercises any of its rights under Section 2.09(a) or (b) and such exercise results in all or part of a Transaction being terminated, such termination shall be treated under the Master Agreement in the same manner as if it were a Terminated Transaction (as defined in Section 14 of the Master Agreement) effected by the Lender after an Event of Default by the Borrower and, accordingly, the Lender shall be permitted to recover from the Borrower payment for early termination calculated in accordance with the provisions of Section 6(e)(i) of the Master Agreement.

SECTION 2.10. Increased Costs. (a) If, due to either (i) the introduction of or any change (other than any change in the Mandatory Cost Rate) in or in the interpretation of any law or regulation or (ii) the compliance by the Lender with any guideline or request from any central bank or other governmental authority in any case introduced, changed, interpreted or requested after the date hereof (whether or not having the force of law), there shall be (x) imposed, modified or deemed applicable any reserve, special deposit or similar requirement against assets held by, or deposits in or for the account of, the Lender or (y) imposed on the Lender any other condition relating to this Agreement or the Advances, and the result of any event referred to in clause (x) or (y) shall be to increase the cost to the Lender of agreeing to make or making, funding or maintaining the Advances, then the Borrower shall from time to time, upon demand by the Lender, pay to the Lender additional amounts sufficient to compensate the Lender for such increased cost; provided, however, that, before making any such demand, the Lender agrees to use its best efforts (consistent with its internal policy and legal and regulatory restrictions) to designate a different lending office for making and maintaining the Advances if the making of such a designation would avoid the need for, or reduce the amount of, such increased cost and would not, in the reasonable judgment of the Lender, be otherwise disadvantageous to the Lender. A certificate as to the amount of such increased cost, submitted to the Borrower by the Lender, shall be conclusive and binding for all purposes, absent manifest error.

(b) If the Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other governmental or monetary authority in regard to capital adequacy (whether or not having the force of law), in any case in which such law, regulation, guideline or request

## Edgar Filing: Eagle Bulk Shipping Inc. - Form 8-K/A

became effective or was made after the date hereof, has or would have the effect of reducing the rate of return on the capital of, or maintained by, the Lender or any corporation controlling the Lender as a consequence of the Lender's Commitment or the Advances hereunder and other commitments of such type, by increasing the amount of capital required or expected to be maintained by the Lender or any corporation controlling the Lender, to a level below that which the Lender or any corporation controlling the Lender could have achieved but for such adoption, effectiveness, change or compliance (taking into account the Lender's or such corporation's policies with respect to capital adequacy) then the Borrower shall, from time to time, pay the Lender, upon demand by the Lender, such additional amount as may be specified by the Lender as being sufficient to compensate the Lender for such reduction in return, to the extent that the Lender reasonably determines such reduction to be attributable to the existence of the Lender's commitment to lend hereunder; provided however, that before making such demand, the Lender agrees to use its best efforts (consistent with its internal policy and legal and regulatory restrictions) to enter into consultations with the Borrower in good faith and without prejudice to the rights of the Lender under this Agreement and the other Loan Documents with regard to the impact of such law, regulation, guideline or request and the amount of compensation required by the Lender as aforesaid. A certificate as to such amounts submitted to the Borrower by the Lender shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11. Illegality. Notwithstanding any other provision of this Agreement, if the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other governmental authority asserts that it is unlawful, for the Lender to perform its obligations hereunder to make the Advances or to fund or maintain the Advances or any portion thereof hereunder, then, upon written notice by the Lender to the Borrower, the Lender and the Borrower shall negotiate in good faith to agree on terms for the Lender to continue the Advances or any portion thereof on a basis which is not unlawful. If no agreement shall be reached between the Borrower and the Lender within a period which in the sole discretion of the Lender is reasonable, the Lender shall be entitled to give notice to the Borrower that the obligation of the Lender to make or maintain the Advances or any portion thereof shall be forthwith terminated and the amount of the Lender's Commitment shall be reduced accordingly, and thereupon the aggregate outstanding principal amount of the Advances or any relevant portion thereof shall become due and payable in full, together with accrued interest thereon and other sums payable hereunder, and such amounts as the Borrower shall be obligated to reimburse the Lender pursuant to Section 9.04(b) if earlier prepayment is required by any law, regulation and/or regulatory requirement; provided, however, that, before making any such demand, the Lender shall designate a different lending office for monitoring the Advances if the making of such a designation would avoid the need for giving such notice and demand and would not, in the judgment of the Lender, be otherwise disadvantageous to the Lender.

SECTION 2.12. Payments and Computations. (a) The Borrower shall make each payment hereunder and under the Note not later than 11:00 A.M. (New York City time) on the day when due in Dollars to the Lender at the Lender's Account in same day funds. Partial payments of overdue amounts in respect of fees, expenses, interest and/or principal shall (unless specifically provided for elsewhere herein or in any other Loan Document) be applied to the payment of such overdue fees, expenses, interest and/or principal, as the case may be, in such order as the Lender may determine.

(b) The Borrower hereby authorizes the Lender, if and to the extent payment of principal, interest or fees owed to the Lender is not made when due hereunder or under the Note, to charge from time to time against any or all of the accounts of the Borrower with the Lender any amount so due.

(c) All computations of interest shall be made by the Lender, on the

## Edgar Filing: Eagle Bulk Shipping Inc. - Form 8-K/A

basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable. Each determination by the Lender of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the Note shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment fee, as the case may be; provided, however, if such extension would cause payment of interest on or principal of the Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

SECTION 2.13. Taxes. (a) All payments by the Borrower of principal of, and interest on, the Advances, the Note and all other amounts payable by the Borrower hereunder shall be made free and clear of, and without deduction or withholding for or on account of any present or future income or franchise taxes and other taxes, fees, levies, duties, withholdings or other charges of any nature whatsoever now or hereafter imposed, withheld, collected or assessed by any taxing authority, but excluding (such non-excluded items being called "Taxes"), in the case of the Lender, (i) net income, capital, doing business, and franchise taxes imposed on the Lender by the jurisdiction under the laws of which the Lender is organized or any political subdivision or taxing authority thereof or therein, or by any jurisdiction in which the Lender's lending office with respect to this Agreement is located, as the case may be, or any political subdivision or taxing authority thereof or therein; and (ii) any taxes, fees, levies, duties, withholdings or other charges that would not have been imposed but for the failure of the Lender to comply with any certification, identification or other similar requirement with which the Lender is in its reasonable judgment eligible to comply, to establish entitlement to exemption from such tax. If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under the Note to the Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions of Taxes (including deductions of Taxes applicable to additional sums payable under this Section 2.13) the Lender receives an amount equal to the sum it would have received had no such deductions of Taxes been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law; provided, however, that the Lender shall designate a different lending office for making or maintaining the Advances if, in the judgment of the Lender, such designation would avoid the need for, or reduce the amount of, any Taxes required to be deducted from or in respect of any sum payable hereunder to the Lender and would not, in the judgment of the Lender, be otherwise disadvantageous to the Lender.

(b) In addition, the Borrower agree to pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made hereunder or under the Note or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or the Note (hereinafter referred to as "Other Taxes").

(c) The Borrower will indemnify the Lender for the full amount of Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.13) paid by the Lender and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within 45 days from the date the Lender makes written demand therefor.

(d) Within 30 days (or as soon thereafter as available) after the date of any payment of Taxes under this Section 2.13, the Borrower will furnish to the Lender, at its address referred to in Section 9.02, appropriate evidence of payment thereof.

(e) The Lender shall, on or prior to the Effective Date and from time to time thereafter if requested in writing by the Borrower (but only so long as the Lender is and remains lawfully able to do so), provide the Borrower with two duly completed copies of Internal Revenue Service Form W-8BEN or W-8ECI, as appropriate, or any successor form prescribed by the Internal Revenue Service, certifying that the Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments under this Agreement or the Note or certifying that the income receivable pursuant to this Agreement or the Note is effectively connected with the conduct of a trade or business in the United States.

(f) For any period with respect to which the Lender has failed to provide the Borrower with the appropriate forms described in subsection (e) above (other than if such failure is due to a change in law occurring after the date on which the Lender was originally required to provide such forms, or if such forms are otherwise not required under subsection (e) above), the Lender shall not be entitled to increased payments or indemnification under subsection (a) or (c) above with respect to Taxes imposed by the United States; provided, however, that should the Lender become subject to Taxes because of its failure to deliver a form required hereunder, the Borrower shall take such steps as the Lender shall reasonably request to assist the Lender to recover such Taxes if, in the judgment of the Borrower such steps would avoid the need for, or reduce the amount of, any Taxes required to be deducted from or in respect of any sum payable hereunder to the Lender and would not, in the judgment of the Borrower, be disadvantageous to the Borrower.

(g) Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements and obligations of the Borrower contained in this Section 2.13 shall survive the payment in full of principal and interest hereunder and under the Note.

SECTION 5.04. Waiver of Subrogation; Contribution. Notwithstanding any other provision of this Guaranty, until payment in full of the Guaranteed Obligations in cash after termination of any of the Lender's commitments with respect thereto, (i) each of the Guarantors hereby irrevocably waives any right to assert, enforce, or otherwise exercise any right of subrogation to any of the rights, security interests, claims, or liens which the Lender have against the Borrower in respect of the Guaranteed Obligations, (ii) none of the Guarantors shall have any right of recourse, reimbursement, contribution, indemnification, or similar right (by contract or otherwise) against the Borrower in respect of the Guaranteed Obligations, and (iii) each of the Guarantors hereby irrevocably waives any and all of the foregoing rights and also irrevocably waives the benefit of, and any right to participate in, any collateral or other security given to the Lender to secure payment of the Guaranteed Obligations.

SECTION 5.05. Reinstatement. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Lender.

SECTION 5.06. Waiver. Each of the Guarantors waives promptness, diligence, notice of acceptance, presentment, demand, protest and notice of dishonor with respect to any Guaranteed Obligation and this Guaranty and any requirement that the Lender exhaust any right or take any action against the Borrower or any other entity or any Collateral.

SECTION 5.07. Payments; No Reductions. (a) All payments under this Guaranty shall be made in accordance with Section 2.12 of this Agreement (concerning payments) free and clear of and without deduction for any and all present or future Taxes. If any Guarantor shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this paragraph) the Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Guarantor shall make such deductions and (iii) such Guarantor shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law. In addition, each of the Guarantors agrees to pay any Other Taxes which arise from any payment made hereunder or from the execution, delivery or registration by the Guarantors of, or otherwise with respect to, this Agreement. Each of the Guarantors will indemnify the Lender for the full amount of Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this paragraph) paid by the Lender and any liability (including, without limitation, penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within 45 days from the date the Lender makes written demand therefor. Within 30 days after the date of any payment of Taxes the Guarantors will furnish to the Lender the original or a certified copy of a receipt evidencing payment thereof. If no Taxes are payable in respect of any payment, the Guarantors will furnish to the Lender a certificate from each appropriate taxing authority, or an opinion of counsel acceptable to the Lender, in either case stating that such payment is exempt from or not subject to Taxes. Without prejudice to the survival of any other agreement contained herein, the agreements and obligations of the Guarantors contained in this Section shall survive the payment in full of the Guaranteed Obligations and principal and interest hereunder and any termination or revocation of this Guaranty.

SECTION 5.08. Set-Off. If any of the Guarantors shall fail to pay any of its obligations hereunder when the same shall become due and payable, the

Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Lender to or for the Guarantor's credit or account against any and all of the Guaranteed Obligations, whether or not the Lender shall have made any demand under this Guaranty. The Lender agrees promptly to notify the relevant Guarantor after any such set-off and application, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Lender under this paragraph are in addition to any other rights and remedies (including, without limitation, other rights of set-off) which the Lender may have.

SECTION 5.09. Continuing Guarantee. This Guaranty is a continuing guaranty, is joint and several with any other guarantee given in respect of the Guaranteed Obligations, and shall remain in full force and effect until the later of the termination of any commitment of the Lender under this Agreement and the payment in full of the Guaranteed Obligations and all other amounts payable hereunder and shall be binding upon each of the Guarantors, and their respective successors and permitted assigns. The obligations of each of the Guarantors under this Guaranty shall rank pari passu with all other unsecured obligations of such Guarantor.

SECTION 5.10. Right of Contribution. At any time a payment in respect of the Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Guarantors in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that no Guarantor may take any action to enforce such right until the Guaranteed Obligations have been paid in full in cash, it being expressly recognized and agreed by all parties hereto that any Guarantor's right of contribution arising pursuant to this Section 5.10 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor's obligations and liabilities in respect of the Guaranteed Obligations and any other obligations under this Guaranty. As used in this Section 5.10: (i) each Guarantor's "Contribution Percentage" shall mean the percentage obtained by dividing (x) the Relevant Net Worth (as defined below) of such Guarantor by (y) the aggregate Relevant Net Worth of all Guarantors; (ii) the "Relevant Net Worth" of each Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the "Net Worth" of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor's assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under this Guaranty) on such

## Edgar Filing: Eagle Bulk Shipping Inc. - Form 8-K/A

date. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 5.10, each Guarantor who makes any payment in respect of the Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Guaranteed Obligations have been irrevocably paid in full in cash. Each Guarantor recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain Solvent, in the determination of the Lender.

SECTION 5.11. Limitation of Liability. Each Guarantor and the Lender hereby confirms that it is its intention that the Guaranteed Obligations not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar Federal or state law. To effectuate the foregoing intention, each Guarantor and the Lender hereby irrevocably agrees that the Guaranteed Obligations guaranteed by each Guarantor shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such laws and after giving effect to any rights to contribution pursuant to any agreement providing for an equitable contribution among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

If the Obligors at any time shall not be in compliance with the preceding

sentence, and in any event within ten (10) days of being notified by the Lender of such noncompliance (which notification shall be conclusive and binding on the Obligors), the Obligors shall either: (1) provide the Lender with, or procure the provision to the Lender of, such additional security as shall in the opinion of the Lender be adequate to make up such deficiency, which additional security shall take such form, be constituted by such documentation and be entered into between such parties as the Lender in its absolute discretion may approve or require (and, if the Obligors do not make proposals satisfactory to the Lender in relation to such additional security within five (5) days of the date of the Lender's notification to the Obligors aforesaid, the Obligors shall be deemed to have elected to repay in accordance with (2) below); or (2) repay (subject to, and in accordance with Section 2.04(d), (f) and (g)) such part of the Advances as will ensure compliance with this Section 7.01(1)(i).

SECTION 9.03. No Waiver, Remedies. No failure on the part of the Lender to exercise, and no delay in exercising, any right hereunder or under the Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.04. Costs; Expenses. (a) Whether or not any Advance is made or the transactions contemplated by this Agreement are consummated (including the proposed execution and delivery of the other Loan Documents), the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses of the Lender in connection with the preparation, execution, delivery, administration, modification and amendment of the Loan Documents and the other documents to be delivered hereunder including, without limitation, the reasonable fees and out-of-pocket expenses of counsel for the Lender with respect thereto, and for advising the Lender as to its rights and responsibilities, or the protection or preservation of rights or interests, under the Loan Documents. The Borrower further agrees to pay on demand all reasonable out-of-pocket costs and expenses of the Lender in connection with the enforcement of the Loan Documents and the other documents to be delivered hereunder, whether in action, suit, litigation, any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally or otherwise (including, without limitation, the reasonable fees and reasonable expenses of counsel for the Lender with respect thereto) and expenses in connection with the enforcement of rights under this Section 9.04(a).

(b) If any payment of principal of any Advance (or any relevant portion thereof) is made by the Borrower to the Lender other than on the last day of the Interest Period for such Advance (or relevant portion thereof), as a result of a payment pursuant to Section 2.04, acceleration of the maturity of the Note pursuant to Section 8.01 or for any other reason, the Borrower shall, upon demand by the Lender pay to the Lender (i) any amounts required to compensate such Lender for any additional losses, costs or expenses which it may reasonably incur as a result of such payment, including, without limitation, any loss, cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by the Lender to fund or maintain such Advance (or any relevant portion thereof), plus (ii) an amount equal to the Applicable Margin which would, but for such payment of such Advance (or any relevant portion thereof), have accrued on such Advance (or any relevant portion thereof) from

the date of such payment to the earlier of (A) the end of the current Interest Period, and (B) the ninetieth (90th) day following the date of such payment.

(c) Each of the Obligors jointly and severally agrees to indemnify and hold harmless the Lender and each of its Affiliates, and their respective officers, directors, employees, agents, advisors and representatives (each, an "Indemnified Party") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and disbursements of counsel), that may be incurred by or asserted or awarded against any Indemnified Party, arising out of or in connection with or relating to (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the making of the Advances or consummation of any other transaction contemplated hereby, (ii) the Advances or the use of the proceeds therefrom, (iii) any actual or alleged presence or release of Environmentally Sensitive Material on or from any property owned or operated by any Obligor, or any Environmental Action related in any way to any Obligor, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnified Party is a party thereto, except, with respect to any particular Indemnified Party, to the extent such claim, damage, loss, liability or expense is either admitted to by such Indemnified Party or found in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct, provided that the foregoing exceptions to the liability of the Obligors with respect to such Indemnified Person shall not limit or affect the liability of the Obligors to any other Indemnified Party. Each of the Obligors jointly and severally further agrees that no Indemnified Party shall have any liability (whether direct or indirect, in contract, tort or otherwise) to any Obligor or any of their respective shareholders, members or creditors for or in connection with the transactions contemplated hereby, except, with respect to any particular Indemnified Party, to the extent such liability is either admitted to by such Indemnified Party or found in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct. The indemnities of this Section 9.04(c) shall survive the termination of this Agreement and the other Loan Documents.

SECTION 9.05. Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, the Lender is hereby authorized at any time and from time to time to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Lender to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower to the Lender now or hereafter existing under this Agreement and the Note held by the Lender, whether or not the Lender shall have made any demand under this Agreement or the Note and although such obligations may be unmatured. The Lender agrees promptly to notify the Borrower after any such set-off and application shall be made by the Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Lender under this Section 9.05 are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Lender may have.

SECTION 9.06. Assignments and Participations. (a) This Agreement shall be binding upon and inure to the benefit of the Lender and the Borrower and their respective successors and permitted assigns.

(b) The Borrower may not assign or transfer all or any part of its rights and/or obligations under this Agreement.

(c) The Lender may, at the Lender's expense and with the prior consent

of the Borrower which consent shall not unreasonably be withheld, assign or transfer all or any part of its rights or obligations under this Agreement and the Loan Documents; provided, however, the Lender may assign or transfer all or any part of its rights or obligations under this Agreement and the Loan Documents to any Affiliate of the Lender or, if an Event of Default shall have occurred and is continuing, to any other Person without the consent of the Borrower. The Lender shall notify the Borrower promptly following any such assignment or transfer.

(d) The Lender may change its lending office without the consent of the Borrower provided that the Lender shall notify the Borrower promptly following any such change of lending office and such change of lending office shall not result in a Material Adverse Effect with respect to the Borrower and its Subsidiaries, taken as a whole.

(e) The Lender may, at its own expense, sell participations to one or more banks or other entities in or to all or a portion of its rights and obligations under this Agreement (including without limitation, all or a portion of its Commitment, any Advance and the Note); provided, however, that (i) the Lender's obligations under this Agreement (including, without limitation, its Commitment to the Borrower hereunder) shall remain unchanged, (ii) the Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the Lender shall remain the holder of the Note for all purposes of this Agreement, (iv) the Borrower shall continue to deal solely and directly with the Lender in connection with this Agreement and (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by the Borrower therefrom, except to the extent that such amendment, waiver or consent would reduce or postpone any date fixed for payment of principal of, or interest on, the Note or any fees or other amounts payable hereunder, in each case to the extent subject to such participation.

(f) The Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.06, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower to be furnished to the Lender by or on behalf of the Borrower.

SECTION 9.07. Judgment. (a) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder or under the Note in Dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Lender could purchase Dollars with such other currency on the Business Day preceding that on which final judgment is given.

(b) The obligation of each Obligor in respect of any sum due from it to the Lender hereunder or under the Note or any other Loan Document shall, notwithstanding any judgment in a currency other than Dollars, be discharged only to the extent that on the Business Day following receipt by the Lender of any sum adjudged to be so due in such other currency the Lender may in accordance with normal banking procedures purchase Dollars with such other currency; if the Dollars so purchased are less than the sum originally due to the Lender in Dollars, such Obligor agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Lender against such loss, and if the Dollars so purchased exceed the sum originally due to the Lender in Dollars, the Lender agrees to remit to such Obligor such excess.

SECTION 9.08. Governing Law; Submission to Jurisdiction. (a) This Agreement and the Note shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) Each Obligor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each Obligor hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State Court or, to the extent permitted by law, in such Federal court. Each Obligor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Subject to the foregoing and to paragraph (c) below, nothing in this Agreement shall affect any right that any party hereto may otherwise have to bring any action or proceeding relating to this Agreement against any other party hereto in the courts of any jurisdiction.

(c) Each Obligor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any New York State or Federal court and the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court and any immunity from jurisdiction of any court or from any legal process with respect to itself or its property.

(d) Each Obligor agrees that service of process may be made on it by personal service of a copy of the summons and complaint or other legal process in any such suit, action or proceeding, or by registered or certified mail (postage prepaid) to its address specified in Section 9.02, or by any other method of service provided for under the applicable laws in effect in the State of New York.

SECTION 9.09. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH OF THE OBLIGORS AND THE LENDER IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO ANY OF THE LOAN DOCUMENTS, THE ADVANCES OR THE ACTIONS OF THE LENDER IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT THEREOF.

SECTION 9.11. Entire Agreement. This Agreement, the Note and the other Loan Documents embody the entire agreement between the parties relating to the subject matter hereof and supersede all prior agreements, representations and understandings, if any, relating to such subject matter.

SECTION 9.12. Severability of Provisions. Any provision of the Loan Documents that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or enforceability without invalidating the remaining provisions thereof or affecting the validity or enforceability of such provision in any other jurisdiction.

SECTION 9.12. Master Agreement and Collateral Documents. Effective as of the Effective Date, each reference in the Master Agreement and any of the Collateral Documents executed prior to the Effective Date to "Credit Agreement" shall mean and refer to this Agreement.
