EDWARD W. POLLOCK
(Name of Persons(s) Filing Proxy Statement, if Other Than the Registrant)

Payment of Filing Fee (Check the appropriate box):

No fee required.

Fee computed on table below per Exchange Act Rules 14a-6(i)(1) and 0-11.

- (1) Title of each class of securities to which transaction applies:
- (2) Aggregate number of securities to which transaction applies:
- (3) Per unit price or other underlying value of transaction computed pursuant to Exchange Act Rule 0-11 (set forth the amount on which the filing fee is calculated and state how it was determined):
- (4) Proposed maximum aggregate value of transaction:
- (5) Total fee paid:

Fee paid previously with preliminary materials:

Check box if any part of the fee is offset as provided by Exchange Act Rule 0-11(a)(2) and identify the filing for which the offsetting fee was paid previously. Identify the previous filing by registration statement number, or the form or schedule and the date of its filing.

- (1) Amount previously paid:
- (2) Form, Schedule or Registration Statement No.:
- (3) Filing Party:
- (4) Date Filed:

On April 12, 2017, Liz Cohernour was interviewed on WELE-AM 1380 radio. A written transcript of the interview is attached hereto.

4/12/17 Interview with Big John

0:00:00.520,0:00:03.680

All right. Let's take a phone call.
Hi, we are in the big house.

0:00:05.010,0:00:08.160

Hi, Big John.
It's Liz Cohernour calling.

0:00:08.333,0:00:10.867

Hey, Liz, I'm going to just call you
Liz Wintergreen

0:00:10.933,0:00:12.200

'cause you got a hard name.

0:00:12.367,0:00:14.167

I certainly do.

0:00:14.233,0:00:16.967

Yeah. So you work
for Wintergreen, right?

0:00:17.433,0:00:19.367

-Yes, I do.
-Something like that.

0:00:19.433,0:00:21.800

-Yeah.
-So we have to tell that,

0:00:22.200,0:00:23.990

I wanna warn you,

0:00:24.720,0:00:27.810

I talked to your boss, Steve,
and he said you'll be cool, so...

0:00:29.700,0:00:31.800

All right. Anyway,

0:00:32.033,0:00:34.133

we have Republican eavesdroppers.

0:00:34.500,0:00:36.600

-Okay?

-So we can't use big words

0:00:36.667,0:00:37.700

on the radio.

0:00:37.900,0:00:39.500

-Okay?

-I'll be right at home.

0:00:39.567,0:00:41.733

All right. So, Liz works

0:00:41.790,0:00:45.320

for this guy, Bill Winters,
and Wintergreen and this whole thing.

0:00:45.600,0:00:49.333

And you all know, 27% or there,

0:00:49.400,0:00:52.600

close to that, of CTO or CTL,

0:00:52.667,0:00:55.633

Consolidated Tomoka
Land Company of stock.

0:00:56.233,0:00:57.233

Right.

0:00:57.300,0:01:02.167

And you and Winters don't think
that AllBright, who we can't stand.

0:01:03.000,0:01:04.400

And Patten, who we can't stand.

0:01:04.467,0:01:06.400

You know neither one of them
live in our town.

0:01:07.233,0:01:09.833

I heard that. That they
accepted the jobs,

0:01:09.900,0:01:11.367

but they didn't move to Daytona.

0:01:11.433,0:01:13.500

Yeah, they live in Winter Park
with the rich people,

0:01:13.567,0:01:16.867

something like that, 'cause they're
snobs and they don't live with us.

0:01:17.067,0:01:20.900

You know, we used to have
a guy, Bob Allen,

0:01:21.410,0:01:25.067

he was terrific. And I guess
we got spoiled by him.

0:01:25.567,0:01:29.967

And we expect everybody that runs
Consolidated Tomoka to be a Bob Allen.

0:01:30.033,0:01:33.400

And that, these guys are like
recovering bankers or something.

0:01:33.633,0:01:34.967

Oh, yeah... That were there.

0:01:35.040,0:01:37.710

So you guys up there,
Wintergreen in New Jersey,

0:01:38.130,0:01:41.490

you think that you could
put together a better plan

0:01:41.767,0:01:45.633

for stockholders
of Consolidated Tomoka Land.

0:01:46.033,0:01:49.733

-Absolutely.
-Tell us a little bit about your plan.

0:01:50.367,0:01:51.567

Sure, Well,

0:01:51.900,0:01:53.033

first of all,

0:01:54.267,0:01:57.767

our plan is to come in
with four experienced directors.

0:01:58.233,0:02:00.910

In that, backgrounds
that will be helpful to the company.

0:02:01.650,0:02:07.000

So David Winter's my business partner
and he has been an analyst

0:02:07.533,0:02:09.267

for 30 years.

0:02:09.333,0:02:14.633

A portfolio manager, he's done
lot of real estate transactions. And,

0:02:15.267,0:02:17.100

I... A lawyer by training,

0:02:17.167,0:02:18.733

but please don't hold that
against me...

0:02:18.800,0:02:22.500

No, we'd like worse, we just got a guy
in the internal big city commission

0:02:23.233,0:02:26.800

who's a lawyer and he didn't like
that the money was running,

0:02:26.867,0:02:28.400

'cause some rich people supported him.

0:02:28.600,0:02:32.800

But he's supporting poor people's
stuff and we really liked him.

0:02:33.667,0:02:37.320

We honestly believe in doing
what it is that we think is right.

0:02:37.767,0:02:40.200

And what we think is right
is to be looking out

0:02:40.267,0:02:42.100

for the interest of all shareholders.

0:02:42.233,0:02:44.733

And to put shareholder interest
ahead of management's.

0:02:45.180,0:02:46.520

And so...

0:02:46.733,0:02:49.833

The board of directors worked
for the owners of the company

0:02:49.900,0:02:52.833

and that's exactly what it is
that we believe we should be doing.

0:02:53.230,0:02:55.790

Our other two director candidates
are Eddie Polec,

0:02:56.200,0:02:59.500

and... Who's got real estate
and industrial background

0:02:59.567,0:03:01.700

and he's actually
gone through Daytona.

0:03:01.767,0:03:04.100

He spent a lot of time there,
he might look familiar to you

0:03:04.167,0:03:06.200

when you see him
at the annual meeting.

0:03:06.267,0:03:08.633

-Okay.

-He's been there and actually

0:03:08.900,0:03:11.980

done an appraisal of each
of the pieces of property

0:03:12.333,0:03:15.367

that CTO owns in Volusia County.

0:03:15.690,0:03:17.830

So he's very familiar with that.

0:03:18.067,0:03:20.967

And Evan Ho is a guy who's really good

0:03:21.033,0:03:25.000

with credit risks
and the 1041 portfolio.

0:03:25.067,0:03:27.200

Is he a Chinese person?

0:03:27.567,0:03:28.767

He is indeed.

0:03:28.833,0:03:33.433

Let me tell you, our Shores Resort
and Spa, our fanciest joint in town.

0:03:34.000,0:03:36.433

Just got bought up
by some Chinese people.

0:03:37.440,0:03:38.990

I mean, our world's changing.

0:03:39.500,0:03:43.233

Oh, you know
and Evan worked for a number of years

0:03:43.300,0:03:46.300

in Hong Kong and China
in his early career

0:03:47.067,0:03:50.400

doing work with real estate
and other projects.

0:03:50.467,0:03:52.800

-Yeah.

-And he has some very good connections

0:03:52.867,0:03:55.700

with people from that part
of the world

0:03:55.810,0:03:58.400

who are interested in expanding

0:03:58.667,0:04:02.167

their business and their activities
to include Florida.

0:04:03.633,0:04:06.200

So Evan has very good connections

0:04:06.867,0:04:09.467

to make them aware of Daytona.

0:04:10.067,0:04:12.840

They know of Miami
and they know of Orlando, but

0:04:13.633,0:04:16.700

I don't think that
there's been a lot of

0:04:17.233,0:04:18.933

investment like that.

0:04:19.000,0:04:22.600

Although, you mentioned,
you're one best spa. That's terrific.

0:04:22.833,0:04:27.067

Well, it's the Shores Resort and Spa,
it's like a hotel.

0:04:27.133,0:04:28.367

-Yes, I...

-But they call it

0:04:28.433,0:04:31.067

resort spa, it's for rich people.

0:04:32.567,0:04:34.367

No, I was there this morning

0:04:34.433,0:04:36.633

and they don't want me to park

0:04:36.967,0:04:39.667

on the same side of the street
while I got a little electric car,

0:04:39.733,0:04:41.900
so I go around the barricades.

0:04:42.290,0:04:45.430
And so, I hate to go there.

0:04:46.100,0:04:49.333
So somebody thinks that
I thought were wrong.

0:04:49.400,0:04:52.000
I couldn't even get
clean park or local...

0:04:52.900,0:04:54.900
A guitar playing rider.

0:04:56.100,0:04:57.933
He'd rather be playing guitar
than riding.

0:04:58.800,0:05:03.090
To write about AllBright selling
the stock. I didn't understand that.

0:05:04.167,0:05:05.733
You know, it's...

0:05:06.700,0:05:08.433
We didn't understand it either.

0:05:08.500,0:05:12.000
And he was selling a stock
at a very fast clip,

0:05:12.267,0:05:16.267
which is something that SEC requires

0:05:16.867,0:05:20.333
executives from listed companies
to report

0:05:20.400,0:05:23.133
their buying and selling
of their own corporate stock.

0:05:23.550,0:05:26.467

And IFS is the biggest

0:05:26.860,0:05:31.280

consulting firm that advises people
how to vote their proxy stock.

0:05:31.633,0:05:34.133

And one of the things
they don't like is

0:05:34.200,0:05:36.800

people who leverage
their own corporate stock.

0:05:37.200,0:05:40.300

And AllBright had borrowed
against his own stock.

0:05:40.533,0:05:41.633

And...

0:05:41.800,0:05:44.180

he said on a recorded conference call,

0:05:45.300,0:05:47.500

for where he was announcing
quarterly earnings,

0:05:47.867,0:05:49.133

that he was selling the stock

0:05:49.200,0:05:50.967

because he had to get
his leverage down.

0:05:51.340,0:05:53.700

And to meet the IFS requirements.

0:05:54.167,0:05:55.167

So it was...

0:05:55.233,0:05:57.433

If it was Friday, you were pretty much
gonna be seeing

0:05:57.500,0:05:59.567

a form saying AllBright
had sold more stock.

0:05:59.660,0:06:00.940

And he has sold a lot.

0:06:01.767,0:06:03.567

About how much... That...

0:06:03.633,0:06:06.267

The one that I tried to get
Clayton Park to write about,

0:06:06.560,0:06:09.140

was 17,500 shares, I think.

0:06:10.467,0:06:13.567

Would we have collected based on

0:06:13.760,0:06:16.390

the CTO public filings that they make?

0:06:16.730,0:06:20.880

Is that, he sold about 58,000 shares

0:06:21.133,0:06:22.233

of his own stock.

0:06:22.300,0:06:25.033

Yeah, and he gets them

0:06:25.490,0:06:27.570

at a cheaper price or something?

0:06:28.000,0:06:31.500

Often they have different bonus awards

0:06:31.933,0:06:35.390

and so... Yes, they can...

0:06:36.167,0:06:38.133

They're all structured differently

0:06:38.200,0:06:41.967

and frequently they are acquired
at less than

0:06:42.633,0:06:44.800

the price that you or I
would pay for the stock.

0:06:45.133,0:06:47.367

Some of it dusts over time,
so he has to wait

0:06:47.433,0:06:49.367

for the stock to get
to a certain price.

0:06:51.420,0:06:52.820

So, it is...

0:06:53.100,0:06:56.300

The actual ownership that he has
in the company that he could

0:06:56.600,0:07:00.090

sell right now if he wanted to,
because it truly belongs to him,

0:07:00.367,0:07:04.680

is relatively small.
I don't know the exact number.

0:07:04.933,0:07:07.567

I think somewhere
around 28,000 shares.

0:07:07.633,0:07:08.633

Okay.

0:07:09.267,0:07:13.600

And if he sold 58,000
in the last year,

0:07:13.667,0:07:16.267

that gives you a clue
to his confidence in the company.

0:07:16.400,0:07:19.500

Right. So it seems like

0:07:19.567,0:07:22.600

it's just sort of a hobby to him
or something, I don't know.

0:07:23.567,0:07:24.567

And...

0:07:25.220,0:07:27.080

Then Hyatt Brown,
you know who that is?

0:07:27.450,0:07:29.450

-I do indeed. He's that...
-So.

0:07:29.710,0:07:31.990

-...big insurance broker.
-Yeah.

0:07:32.120,0:07:35.480

So I got shares in CTO, I got

0:07:35.550,0:07:37.700

shares in Brown and Brown and ISC.

0:07:37.767,0:07:39.600

And I'm mad at ISC because I missed

0:07:39.667,0:07:41.667

their annual meeting today
'cause they didn't

0:07:41.890,0:07:44.580

publish a little thing about it.

0:07:45.260,0:07:48.230

And I don't...
They know annual meetings

0:07:48.533,0:07:50.667

aren't gonna be
like Consolidated Tomoka.

0:07:50.733,0:07:52.933

You're probably gonna have
a sold-out house.

0:07:53.667,0:07:56.000

Good. I look forward
to seeing investors.

0:07:56.067,0:07:59.267

We've heard from a lot of them who are
very supportive of what we're doing.

0:07:59.633,0:08:00.633

And...

0:08:01.367,0:08:05.000

many of them
we've met with over the years.

0:08:05.067,0:08:07.667

I know I have seen you at many
of those shareholder meetings.

0:08:07.733,0:08:10.067

All right, I would love to go
just to try to antagonize

0:08:10.133,0:08:11.900

AllBright and Bob Patten.

0:08:13.567,0:08:15.367

Because they are snobs.

0:08:16.167,0:08:17.167

Well, let me tell...

0:08:17.240,0:08:20.460

...get some information
for all investors, but...

0:08:21.767,0:08:25.660

Well, let me tell you, I have
a couple of friends that work there.

0:08:26.733,0:08:30.200

They are not that important.
They are not like these two guys.

0:08:31.733,0:08:33.067

Well, they still have jobs

0:08:33.133,0:08:34.967

because I have to be able
to tell them that.

0:08:36.100,0:08:39.140

I think that it's very important for

0:08:39.420,0:08:41.733
the people who work at CTO

0:08:42.300,0:08:45.567
to have jobs, and to have
interesting jobs where they're able to

0:08:45.800,0:08:49.867
take full advantage of their skills
and talents and to move forward.

0:08:51.133,0:08:55.133
So it is not our plan to go in
and fire people at all.

0:08:55.285,0:08:56.300
Okay.

0:08:57.500,0:09:01.800
I highly suspect that
we're gonna be getting to know

0:09:02.070,0:09:05.400
some really good, qualified,
hardworking people.

0:09:05.633,0:09:06.633
And...

0:09:07.167,0:09:09.567
it's been our experience in the past

0:09:09.820,0:09:11.600
that we've met some of the

0:09:12.200,0:09:14.133
people who don't have
the big titles there,

0:09:14.200,0:09:15.833
who we've been very impressed by.

0:09:16.033,0:09:18.867
And I think there's only
about 12 people work there.

0:09:18.933,0:09:21.400
-So am I close on that or...
-Yes.

0:09:22.367,0:09:23.367

Really small.

0:09:23.440,0:09:24.967

It is small.

0:09:25.700,0:09:26.733

A lot of their...

0:09:27.767,0:09:31.100

real land sales work is outsourced
to the brokers.

0:09:32.700,0:09:33.700

And...

0:09:34.800,0:09:38.433

a company with this kind
of assets and portfolio,

0:09:38.500,0:09:40.800

it should be relatively
small number of people.

0:09:41.180,0:09:44.010

So this guy, Ho, took a look
at the properties they got.

0:09:44.333,0:09:48.333

Can you... I don't know if you
are able to do this or not.

0:09:48.400,0:09:50.633

But they did a Trader Joe's thing,

0:09:50.700,0:09:52.367

we're not supposed
to call Trader Joe's,

0:09:52.633,0:09:54.633

then they did the Tanger thing.

0:09:54.700,0:09:57.200

And then they did
the Margaritaville thing.

0:09:57.267,0:09:58.400

-Right?

-Right.

0:09:58.910,0:10:01.633

Did you guys think
they were good, bad or

0:10:02.533,0:10:04.300

-anything common...

-Well,

0:10:04.367,0:10:05.933

I would say that

0:10:06.333,0:10:08.933

real estate very much goes in cycle.

0:10:09.000,0:10:12.067

We all know that, if we are trying
to be buying or selling a house.

0:10:12.567,0:10:16.967

And Daytona, a few years ago,
like most other countries,

0:10:17.033,0:10:19.200

the real estate market
was in the doldrums.

0:10:19.667,0:10:25.070

And now it's really looking
pretty good. This is the time,

0:10:25.200,0:10:28.233

in a real estate cycle,
to be making sales.

0:10:28.467,0:10:30.733

And so I think that's good.

0:10:31.610,0:10:35.640

Tanger outlets are probably
an asset for people who want

0:10:36.300,0:10:38.900

quality, reasonably priced items,

0:10:39.900,0:10:42.267

good access to I-95 right there.

0:10:42.333,0:10:44.433

I have to tell ya,
I think it's a rip off.

0:10:44.867,0:10:47.400

-Is it?
-Yeah, I'm not a fashion plague.

0:10:47.467,0:10:49.533

You probably don't remember
why we're calling.

0:10:49.600,0:10:53.767

So... But I sure do upscale
street person attire.

0:10:53.967,0:10:58.067

And I'm known
for my mismatched plaids.

0:10:58.133,0:10:59.900

Because that's my fashion statement.

0:10:59.967,0:11:02.167

-I do remember you wearing plaids.
-Yeah?

0:11:02.280,0:11:05.750

So I wear Crocs
'cause they're really comfortable.

0:11:06.067,0:11:08.233

And so I went to the Croc outlet,

0:11:08.300,0:11:09.700

-right?
-Right.

0:11:09.767,0:11:12.700

They wanted \$33 for a pair of Crocs.

0:11:13.180,0:11:16.050

And I could go to Marshall's
and get it for 17.

0:11:16.630,0:11:18.720

So I thought, that's not too good.

0:11:18.990,0:11:21.030

Now that sounds pricey.

0:11:21.100,0:11:24.300

The last time I was
at the Tanger outlet mall,

0:11:24.367,0:11:27.500

it was shortly
after they had opened and

0:11:27.633,0:11:30.667

there was a lot of space
that was left available to be rented.

0:11:30.733,0:11:35.530

Right. But do you think they sold it
for the right amount of money or...

0:11:35.733,0:11:38.633

Do you have any comment
on the business deal?

0:11:39.067,0:11:43.633

Rather than comment
on the specific one, if I were

0:11:43.700,0:11:47.433

to make a couple of general comments
about their land transactions.

0:11:47.833,0:11:49.033

And that is,

0:11:49.560,0:11:51.140

they seem to

0:11:51.500,0:11:54.333

announce contracts
for land at one price

0:11:54.580,0:11:57.400

and to close them
at a much lower price.

0:11:57.740,0:11:58.890

And that is

0:11:59.000,0:12:02.267

their routine MO and...

0:12:03.133,0:12:06.267

If I sell my house
and I get a contract on it,

0:12:06.333,0:12:09.000

I'm not likely to be changing
the price of the day of the closing.

0:12:09.167,0:12:11.900

Right. How about
the Margaritaville deal?

0:12:11.967,0:12:13.500

Did you look at that at all?

0:12:14.267,0:12:16.833

We saw the Margaritaville deal.

0:12:17.300,0:12:19.833

I understand that there
are a number of baby boomers

0:12:19.900,0:12:23.533

who are interested
in moving to Florida.

0:12:24.900,0:12:28.000

And certainly Daytona should be
an attractive destination.

0:12:29.200,0:12:33.000

This is, as I understand it,
the first one in sort of a series

0:12:33.067,0:12:35.100

of Margaritaville type

0:12:35.640,0:12:36.970

investment.

0:12:38.033,0:12:41.400

I don't know, what do you guys think
of it there? You're much closer to it.

0:12:41.467,0:12:43.733

Well, I haven't done
my homework on it yet.

0:12:43.800,0:12:45.733

But my initial

0:12:46.633,0:12:49.967

fears are they will not pay
school impact fees,

0:12:50.267,0:12:52.400

because it'll be
55 and over community.

0:12:52.970,0:12:57.590

And I'm not sure about the rest
of the school taxes, so

0:12:57.900,0:13:02.700

I need to do more homework before
I could comment. But on Trader Joe's,

0:13:03.800,0:13:06.333

the taxpayers
in the city of Daytona Beach

0:13:06.400,0:13:08.233

and the County of Volusia
happen to have,

0:13:09.200,0:13:12.200

put up 4.5 million bucks.

0:13:12.867,0:13:15.233

And... No, time out.

0:13:15.667,0:13:18.500

They put up, I'm sorry,
five million bucks. Five million.

0:13:19.600,0:13:23.100

Two point five for city of Daytona,
two point five from the County.

0:13:23.967,0:13:26.967

Bob Allen ran that place for

0:13:27.700,0:13:31.033

fifteen years, maybe 20 years,
I'm not sure, a really long time.

0:13:31.533,0:13:35.600

And he only came to us one time
for money, that was 375,

0:13:35.667,0:13:37.900

three hundred and seventy five
thousand from the County,

0:13:37.967,0:13:40.933

three seventy five from the city,
for the tennis center,

0:13:41.240,0:13:46.120

which of course now is empty
because USA tennis moved to

0:13:46.630,0:13:48.667

Lake Nona in Orlando.

0:13:49.533,0:13:51.933

So that will be
a little bit of a burden.

0:13:52.733,0:13:56.833

And that's the only time
he asked for money

0:13:56.900,0:14:00.033

so AllBright... Of course,
AllBright says it wasn't for him.

0:14:00.340,0:14:04.200

These companies don't...
I don't think they...

0:14:04.333,0:14:06.867

I think AllBright said, "You can
get the money from the County."

0:14:06.933,0:14:09.300

Then he called the County probably
and said, "Hey,

0:14:09.367,0:14:10.967
we can get him if you do this."

0:14:11.233,0:14:14.533
Rather than him doing it
as a private businessman.

0:14:14.833,0:14:17.133
And then he did the same thing
with Tanger

0:14:17.200,0:14:21.100
but we only spent 2.25 and 2.25, 4.5.

0:14:21.340,0:14:24.890
So total outright taxpayer money,
9.5 million.

0:14:26.380,0:14:29.820
That's almost unheard of except for

0:14:30.050,0:14:34.600
one Daytona which just had
a similar deal but for more money.

0:14:34.920,0:14:39.340
But this bit about hitting
the taxpayers on private stuff

0:14:40.120,0:14:41.600
doesn't sit with me properly.

0:14:42.800,0:14:46.133
No, I can understand that. It's...

0:14:48.633,0:14:53.167
Taxpayers don't like
paying the bills for somebody else.

0:14:53.233,0:14:55.200
-Right.
-Who's new and coming into town...

0:14:55.320,0:14:58.300
Tanger must be a billionaire.
Did you ever meet Tanger?

0:14:58.700,0:14:59.933

I did not.

0:15:00.000,0:15:03.633

Yeah, so he had a big fancy thing
for the ground-breaking.

0:15:04.160,0:15:09.030

But then, his grand opening
was for 4,000. Everybody's and...

0:15:09.340,0:15:11.240

It was special.

0:15:11.467,0:15:13.533

But he's got this tall,
blond girlfriend,

0:15:13.600,0:15:15.440

but I went up to him
and I said, "Man, Tanger,

0:15:16.120,0:15:19.900

if I had to pick a rich person
out of the crowd, you would be it."

0:15:20.133,0:15:24.333

Because he just had that
really rich look.

0:15:24.967,0:15:27.100

-So was he flattered?
-I don't know.

0:15:28.033,0:15:30.300

No, I'll probably never see him again.

0:15:30.600,0:15:32.867

But...

0:15:33.800,0:15:35.467

See this Margaritaville.

0:15:36.220,0:15:38.380

Our roads aren't ready
for Margaritaville.

0:15:38.460,0:15:40.567

Our roads aren't ready for Tanger,
for that matter.

0:15:41.067,0:15:45.567

And we still had to give him
9.5 million on top of that.

0:15:45.633,0:15:47.400

-So...
-That's a lot of money.

0:15:47.470,0:15:49.300

Yeah, so I'm a little...

0:15:49.533,0:15:52.133

So I'm worried about the next project.

0:15:52.200,0:15:54.500

The next project I think is of Sam's.

0:15:54.880,0:15:59.633

And then Northern American
Development something...

0:16:00.000,0:16:03.567

is gonna put a whole bunch of stuff
but we don't know what it is yet,

0:16:03.633,0:16:05.867

so, we're still finding out.

0:16:06.333,0:16:09.667

Yeah, no, it's...
One of the challenges is

0:16:10.967,0:16:13.967

getting so much of the information,
so piecemeal.

0:16:14.100,0:16:16.467

-Right.
-That it's difficult.

0:16:17.340,0:16:19.820

The Wintergreen team

0:16:20.967,0:16:24.767

of director candidates is very much
in favor of improved disclosure.

0:16:25.990,0:16:29.060

And having people really be able
to understand more,

0:16:29.200,0:16:31.300

what's going on
and what the motives are.

0:16:31.367,0:16:35.200

And our motives are to raise
the share price and to help Daytona.

0:16:35.267,0:16:39.200

You've a whole bunch
of Hyatt coming out.

0:16:39.267,0:16:43.633

He had 10,000 shares, which I thought
that wasn't a huge amount, but...

0:16:44.767,0:16:46.333

Because Hyatt's got a lot of money.

0:16:46.667,0:16:47.667

Right.

0:16:48.133,0:16:50.967

But where are the shares located?

0:16:51.033,0:16:54.767

Are they local people or they're
all over the country, or what?

0:16:55.867,0:16:58.567

The shares in CTL
are all over the country.

0:16:58.633,0:17:01.400

I'll tell you, it didn't surprise me
for how your branches come out

0:17:01.467,0:17:03.133

in favor of the existing management.

0:17:03.200,0:17:06.167

He's been selling them insurance
and collecting premiums

0:17:06.900,0:17:08.500

for very long time.

0:17:08.567,0:17:10.433

Well, that's his modus operandi.

0:17:11.733,0:17:16.433

He's always in favor of a place
that will buy him insurance policies.

0:17:16.500,0:17:19.333

Yep. And they've been
doing that for decades.

0:17:19.400,0:17:20.400

Yeah.

0:17:20.467,0:17:23.467

So do you have a shot

0:17:23.967,0:17:26.133

at takeover or what do you think?

0:17:26.200,0:17:29.467

I think that we have
a very big shot at it.

0:17:29.590,0:17:34.000

And we've heard from shareholders
from across the country,

0:17:34.833,0:17:38.700

who are very pleased that we are
stepping up and stepping forward

0:17:38.950,0:17:41.480

to do what has to be done.
It's really...

0:17:42.200,0:17:45.933

They need to have a board
that stands up for shareholder

0:17:46.470,0:17:51.120

interest for the good of the company.
And who

0:17:51.560,0:17:53.560
looks out for and stands up

0:17:53.933,0:17:57.600
against a management team
that seems to be focused on itself.

0:17:59.100,0:18:02.300
And our objective is really for

0:18:02.680,0:18:06.250
CTL employees to be treated fairly.
For them to be

0:18:07.333,0:18:11.760
paid and bonused reasonably
for their criteria to make sense,

0:18:12.833,0:18:15.100
for the company
to have better disclosure

0:18:15.420,0:18:17.650
for it to have higher quality 1031,

0:18:17.780,0:18:19.710
which is their investment portfolio.

0:18:20.040,0:18:21.200
And...

0:18:21.450,0:18:24.420
for the real estate transactions
that are going on

0:18:24.567,0:18:27.100
in Daytona and Volusia County
to make sense

0:18:27.167,0:18:29.733
and for people to understand
and know what's going on.

0:18:29.867,0:18:32.167
Well, if you guys
had been running the CTL,

0:18:32.233,0:18:34.533

do you think you would've made
the same deals or not?

0:18:35.400,0:18:38.600

I think we would have made
some very different deals.

0:18:39.667,0:18:40.667

Okay.

0:18:40.733,0:18:43.367

So it's Mr. Money,

0:18:44.167,0:18:47.200

he tells me what to do.
Not like I forgot having shares.

0:18:47.267,0:18:49.367

He told me how many shares
I had, but I forgot.

0:18:50.333,0:18:51.433

And...

0:18:51.633,0:18:53.433

so he said it's a small tapper.

0:18:53.500,0:18:56.900

So it's 200 and something million
dollars or something like that.

0:18:56.967,0:19:00.367

It is right around
a 300 million dollar company, yeah.

0:19:00.600,0:19:02.333

So that's pretty small, right?

0:19:02.400,0:19:03.800

It is pretty small.

0:19:03.867,0:19:05.000

Yeah.

0:19:05.090,0:19:09.240

And so every vote matters
and we are on the Green card.

0:19:09.540,0:19:12.030

Right. And you sent me
one of those things.

0:19:12.520,0:19:15.120

-A proxy or something, right?
-Yes, we did indeed.

0:19:15.230,0:19:17.733

Now we should tell people
when the meeting is.

0:19:18.433,0:19:21.600

The meeting is actually
on my birthday, April 26th.

0:19:21.870,0:19:23.030

Okay.

0:19:23.900,0:19:27.067

So now, Mr. Money,
I'm going to bring my...

0:19:27.240,0:19:29.000

There it is, right in the book,
two o' clock.

0:19:29.267,0:19:32.567

LPGA Clubhouse.
Where it always is. Right?

0:19:32.640,0:19:33.730

Yeah, absolutely, yes.

0:19:33.800,0:19:36.460

Yeah, and so...

0:19:37.833,0:19:39.967

So I'm going to bring
my Green thing with me

0:19:40.033,0:19:41.700

and you can help me fill it out.

0:19:42.167,0:19:43.900

Absolutely be glad to do that.

0:19:43.967,0:19:46.633

Okay, 'cause I didn't have it
last time and I couldn't vote.

0:19:47.600,0:19:51.133

There were a few people
who had that issue last year.

0:19:51.667,0:19:56.170

And thankfully, the proposals that
we supported, went through anyway.

0:19:56.430,0:19:58.970

And so shareholders were not deluded

0:19:59.967,0:20:02.433

and the say on pay
didn't go through and...

0:20:02.930,0:20:06.733

So there are some big topics
on the agenda this time

0:20:06.800,0:20:11.580

and we really hope that shareholders
support us. Both the Green card

0:20:11.940,0:20:15.860

and that we can make a real difference
in CTO that will help

0:20:16.067,0:20:17.967

the company and Daytona very much.

0:20:18.033,0:20:19.700

All right, so you're
in a different world.

0:20:19.767,0:20:21.533

I gotta push a button,
but don't go anywhere.

0:20:21.600,0:20:24.533

The big talker, WELE, Ormond Beach.

0:20:24.600,0:20:25.967

At the MFCC.

0:20:27.033,0:20:30.467

Let's see here. So you're
in a different world from me

0:20:30.533,0:20:33.033

and maybe some of the people
that are listening, I don't know.

0:20:33.550,0:20:36.220

But so...

0:20:36.400,0:20:38.333

Is this what Wintergreen does,

0:20:38.400,0:20:41.300

goes around and takes over companies?
What do you do?

0:20:41.833,0:20:44.800

No, this is actually unusual for us.

0:20:45.167,0:20:49.067

Although, David Winters and I
started working together

0:20:49.133,0:20:52.833

about 30 years ago and Eddie and Evan,
the other two candidates,

0:20:52.910,0:20:55.267

we worked with them for over a decade.

0:20:56.430,0:20:58.850

We have a US mutual fund

0:20:59.330,0:21:02.350

We're global value investors.
We look for bargains.

0:21:03.267,0:21:06.333

We like companies
with good management, low risk,

0:21:06.700,0:21:08.280

and we treat people fairly.

0:21:08.733,0:21:10.510

Let them know what's going on.

0:21:10.600,0:21:14.460

So that's our primary concern
and along the way,

0:21:15.433,0:21:18.220

when we run into a company that is

0:21:19.233,0:21:22.100

not behaving as we believe they should

0:21:22.167,0:21:24.367

and we speak up
and engage with management,

0:21:25.167,0:21:27.240

normally it's done in a pleasant

0:21:28.033,0:21:30.033

way, where we express our opinion

0:21:30.100,0:21:32.267

and often management
makes some changes

0:21:32.667,0:21:34.100

to meet shareholder needs.

0:21:34.167,0:21:36.400

We're not looking for special deals
for ourselves.

0:21:36.460,0:21:40.160

We just want all shareholders,
all investors, to be treated fairly.

0:21:40.767,0:21:42.567

It's often their retirement money.

0:21:43.433,0:21:46.533

And people are off living their
own lives, working their own jobs.

0:21:46.800,0:21:49.300

They need somebody to look out
for their interests

0:21:49.420,0:21:51.390
and that's really what we do.

0:21:51.740,0:21:55.700
And we have had real estate
experience. We've worked on

0:21:56.220,0:21:59.233
Florida east coast, Canadian company

0:21:59.950,0:22:02.270
called Pacific Forester made
some big changes.

0:22:02.540,0:22:04.880
David was very active in Weyerhaeuser.

0:22:05.150,0:22:07.480
So we've done a number of companies

0:22:07.830,0:22:10.710
and we step in like this
where it's necessary.

0:22:10.900,0:22:12.940
Last time we stepped in was

0:22:13.020,0:22:15.640
a small company,
you probably heard of Coca Cola.

0:22:15.767,0:22:16.767
Yeah.

0:22:17.150,0:22:19.980
And, a few years ago, Coca Cola

0:22:21.000,0:22:23.267
was trying to get

0:22:23.467,0:22:25.233
what we call "The Big Grab,"

0:22:25.767,0:22:28.410
which was a huge bonus plan

0:22:28.580,0:22:32.200
approved for their
very tippy-top shareholders.

0:22:32.470,0:22:35.330

And we took exception to it

0:22:35.630,0:22:37.010

and...

0:22:37.520,0:22:38.890

in the end, although the

0:22:39.010,0:22:43.110

plan was approved by investors...

because of our work

0:22:43.210,0:22:46.580

and other shareholders who joined

in the objection with us.

0:22:46.930,0:22:49.390

Coca Cola had to alter

their guidelines

0:22:49.750,0:22:52.900

so that the top management

was not paid,

0:22:53.733,0:22:58.880

the approximately, 28 billion dollars

extra that they wanted, so...

0:22:59.740,0:23:03.070

It's part of our norm to stand up

for shareholder rights

0:23:03.140,0:23:06.830

and to work for better disclosure

and equal treatment.

0:23:07.170,0:23:10.500

Well, when you say

a lot of people got the stock

0:23:10.810,0:23:12.620

for retirement, well,

0:23:13.410,0:23:16.400

that's not my case, but I...

0:23:19.167,0:23:21.780

have to know what else to do
with the money and

0:23:21.867,0:23:23.933

Mr. Money does a good job with it,

0:23:24.000,0:23:26.533

so better than anywhere else,
that's for sure.

0:23:26.733,0:23:32.067

So... But this AllBright
and Bob Patten,

0:23:32.467,0:23:38.100

they are so detached, they don't seem
like they have that philosophy.

0:23:39.833,0:23:44.233

I think that CTL, in general, has been

0:23:44.650,0:23:47.240

run for the benefit
of the management team

0:23:48.167,0:23:50.600

over the last couple years especially.

0:23:50.667,0:23:53.933

-And we take exception to that.

-Right.

0:23:54.510,0:24:01.250

Well, the meeting's on your birthday
on the 26th and it's at 2:00 pm.

0:24:01.660,0:24:07.570

And it's at the LPGA Clubhouse,
so I will be there.

0:24:08.500,0:24:11.930

Anything else you'd like to tell us
about whether we should go Green?

0:24:12.700,0:24:15.970

I thank you for the interview
and the opportunity

0:24:16.067,0:24:19.760

to chat with you Big John. It's been a pleasure. And I believe that

0:24:20.967,0:24:23.767

Wintergreen is the way for CTO

0:24:23.833,0:24:26.967

to get out of the quagmire that it's in, and to move forward.

0:24:27.290,0:24:31.900

Okay. So we might lose AllBright and Bob Patten,

0:24:32.567,0:24:35.867

but we probably won't lose anybody else or not many other people.

0:24:35.933,0:24:40.230

It would... Our plan is to give everybody a fair shot.

0:24:40.860,0:24:42.133

And...

0:24:42.600,0:24:47.500

with proper direction, a lot of people can behave and do a lot better than

0:24:47.567,0:24:50.167

they have done in the past when left to their own devices.

0:24:50.570,0:24:54.930

So I think we really do need some management here. And if

0:24:55.733,0:24:58.267

there are a couple of employees who leave,

0:24:58.933,0:25:02.400

there are other very well qualified people

0:25:02.467,0:25:04.260

who are happy to step into the roles

0:25:04.333,0:25:08.600

and in the case of those gentlemen,
I'm certain that they would be

0:25:09.200,0:25:11.400

working hard for a lot less money.

0:25:11.533,0:25:18.367

Well, our median pay
in Volusia County circa 34-35 thou.

0:25:19.333,0:25:23.733

So I'm sure that all the jobs there
pay far more than that.

0:25:23.800,0:25:28.633

So you shouldn't have trouble to get
somebody fill an empty position.

0:25:29.000,0:25:31.767

I'm telling that people
are calling up telling us

0:25:31.833,0:25:33.967

they have qualifications and

0:25:34.400,0:25:36.200

they would like to do some work.

0:25:37.400,0:25:41.900

And I think that there are consultants
and advisors who can come in

0:25:42.170,0:25:45.067

and in short order
make some big difference,

0:25:45.350,0:25:48.670

big changes that help
the regular people.

0:25:49.067,0:25:51.633

So we've been talking
to Liz and she works

0:25:51.700,0:25:54.633

with Wintergreen
and Bill Winters, and...

0:25:54.700,0:25:57.060

-David Winters.
-Oh, I'm sorry, David Winters.

0:25:57.260,0:26:00.890

And he's the cute guy
I met late at times.

0:26:01.190,0:26:05.700

And so they're going to be here
on the 26th at least.

0:26:05.967,0:26:07.900

And we're going to be
in an annual meeting

0:26:07.967,0:26:10.133

for Consolidated Tomoka Land Company.

0:26:10.500,0:26:14.500

And I'm not... I've lost faith
in Clayton Parks.

0:26:14.567,0:26:18.100

So he might put something
in the paper about it but

0:26:18.467,0:26:21.000

Mr. Money said that he's got
a whole bunch of people

0:26:21.067,0:26:23.867

they don't stock and they're all going
to be there for the show

0:26:24.700,0:26:28.820

at the LPGA clubhouse
2 o' clock on the 26th.

0:26:29.333,0:26:32.333

Very good. We look forward
to seeing all of you then.

0:26:32.400,0:26:35.100

Thank you very much
and good luck from all of us.

0:26:35.467,0:26:37.300

Thank you very much.
Take care, Big John.

0:26:37.367,0:26:38.600

-Bye now.
-Bye.

0:26:39.240,0:26:40.700

All right, wasn't that nice?

0:26:40.767,0:26:43.300

All right. So sister should
be here momentarily

0:26:43.367,0:26:45.500

and Sarah should be here momentarily.

0:26:46.600,0:26:48.567

We're going to talk
about counseling agent,

0:26:48.633,0:26:50.800

so I'm going to take
a break right now.

0:26:51.267,0:26:54.067

And that was Liz
from Wintergreen Associates

0:26:54.133,0:26:55.433

or something like that,

0:26:55.667,0:26:59.633

who wanna take over the operations
of the board of Consolidated Tomoka.

0:26:59.700,0:27:02.533

And they're not even gonna fire
AllBright and Bob Patten.

0:27:03.233,0:27:04.967

They're just gonna
straighten things out.

ADDITIONAL INFORMATION

The participants in the proxy solicitation are Wintergreen Fund, Inc., Wintergreen Partners Fund, LP, Wintergreen Partners Offshore Master Fund, Ltd., Wintergreen Advisers, LLC, David J. Winters, Elizabeth N. Cohernour, Evan H. Ho and Edward W. Pollock.
