The information set forth in Item 3 of this Amendment No. 45 is hereby incorporated herein by reference.

#### Further Amended Family Trading Credit Facility

The Issuer previously entered into an agreement with Family Trading pursuant to which Family Trading lent the Issuer up to \$15.0 million under an unsecured revolving credit facility (the "Family Trading Credit Facility") in order to fund the Issuer's newbuilding program and working capital relating to its operating vessels. The Family Trading Credit Facility was due to be repaid December 31, 2016 but the maturity was extended until February 28, 2017.

On February 21, 2017, the Issuer amended and restated the Family Trading Credit Facility (the "Amended Family Trading Credit Facility") in order to, among other things, remove any limitation in the use of funds drawn down under the facility, reduce the mandatory cash payment due under the facility when the Issuer raises capital through the issuance of certain securities, remove the revolving feature of the facility, extend the facility for up to three years and give Family Trading the option to get repaid for any amounts outstanding under the facility in cash or in Common Shares of the Issuer. Additionally, the interest rate of the facility increased to 10% (from 9%) and the commitment fee

decreased to 2.5% (from 5%). Subject to certain adjustments pursuant to the terms of the Amended Family Trading Credit Facility, the number of Common Shares to be issued as repayment of the amounts outstanding under the facility will be calculated by dividing the amount redeemed by 80% of the lowest daily Volume-Weighted Average Price ("VWAP") of the Issuer's Common Shares on the Nasdaq Capital Market during the twenty consecutive trading days ending on the trading day prior to the payment date (the "Applicable Price"), provided, however, that at no time shall the Applicable Price be lower than \$0.60 per Common Share (the "Floor Price").

---

Further, in the case where the Issuer raises capital (whether publicly or privately) and the Applicable Price is higher than the lowest of (henceforth the "Issuance Price"):

- a. the price per share issued upon an equity offering of the Issuer;
- b. the exercise price of warrants or options for Common Shares;
- c. the conversion price of any convertible security into Common Shares; or
- d. the implied exchange price of the Common Shares pursuant to an asset to equity or liability to equity swap,

then the Applicable Price will be reduced to the Issuance Price. Finally, in case the Applicable Price is higher than the exercise price of the Warrants, the Applicable Price will be reduced to the exercise price of such outstanding Warrants.

On September 26, 2017, the Issuer amended and restated the Amended Family Trading Credit Facility (the "Further Amended Family Trading Credit Facility") in order to, among other things, increase the maximum borrowing capacity to \$20 million, insert a revolving feature, increase the interest to 12%, reduce the commitment fee to 2% and increase the arrangement fee to 5%.

On October 30, 2018, the Issuer entered into an addendum to the Further Amended Family Trading Credit Facility in order to, among other things, increase the maximum borrowing capacity of the facility to \$25 million.

On December 31, 2018, the Issuer entered into another addendum to the facility in order to, among other things, set the repayment date of the facility to December 31, 2025, increase the maximum borrowing capacity of the facility to \$30 million, increase the interest rate to 15% and apply the current arrangement fee rate to the whole principal of the loan.

On January 22, 2019, the Issuer entered into another addendum to the facility, which provided that interest will not be payable in cash, if such payment violates any provision of any senior secured facility that the Issuer has entered or (as the case may be) will enter into, or any senior secured facility for which the Issuer has provided or (as the case may be) will provide a guarantee, for as long as such provisions, if any, remain in effect.

On March 29, 2019, the Issuer entered into the Stock Purchase Agreement with Family Trading for the sale of 27,129 newly issued Series E Preferred Shares at a price of \$1,000 per share. The proceeds of the sale were used for the full and final settlement of all amounts due under the Further Amended Family Trading Credit Facility.

#### Series E Perpetual Convertible Preferred Stock

The following description of the Series E Preferred Shares is subject to and qualified in its entirety by reference to the Statement of Designations (the "Statement of Designations") of the Series E Preferred Shares. Copies of the Stock Purchase Agreement and Statement of Designations have been incorporated by reference into this report as Exhibits I and J, respectively.

The Series E Preferred Shares have the following characteristics:

**Conversion.** Each holder of Series E Preferred Shares, at any time and from time to time, has the right, subject to certain conditions, to convert all or any portion of the Series E Preferred Shares then held by such holder into the Issuer's Common Shares at the conversion rate then in effect. Each Series E Preferred Share is convertible into the number of the Issuer's Common Shares equal to the quotient of \$1,000 plus any accrued and unpaid dividends divided

by the lesser of the following four prices (the "Series E Conversion Price"): (i) \$1.00, (ii) 80% of the lowest daily VWAP of the Issuer's Common Shares over the twenty consecutive trading days expiring on the trading day immediately prior to the date of delivery of a conversion notice, (iii) the conversion price or exercise price per share of any of the Issuer's then outstanding convertible shares or warrants, (iv) the lowest issuance price of the Issuer's Common Shares in any transaction from the date of the issuance the Series E Perpetual Preferred Stock onwards, but in no event will the Series E Conversion Price be less than \$0.60.

Limitations of Conversion. Holders of the shares of Series E Preferred Shares shall be entitled to convert the Series E Preferred Shares in full, regardless of the beneficial ownership percentage of the holder after giving effect to such conversion.

---

**Voting.** The holders of each Series E Preferred Share are entitled to the voting power of one thousand (1,000) Common Shares of the Issuer. The holders of Series E Preferred Shares and the holders of the Issuer's Common Shares shall vote together as one class on all matters submitted to a vote of shareholders of the Issuer. The holders of Series E Preferred Shares have no special voting rights and their consent shall not be required for taking any corporate action.

**Distributions.** Upon any liquidation, dissolution or winding up of the Issuer, the holders of Series E Preferred Shares shall be entitled to receive the net assets of the Issuer *pari passu* with the Common Shares.

**Redemption.** The Issuer at its option shall have the right to redeem a portion or all of the outstanding Series E Preferred Shares. The Issuer shall pay an amount equal to one thousand dollars (\$1,000) per each Series E Preferred Share (the "Liquidation Amount"), plus a redemption premium equal to fifteen percent (15%) of the Liquidation Amount being redeemed if that redemption takes place up to and including March 29, 2020 and twenty percent (20%) of the Liquidation Amount being redeemed if that redemption takes place after March 29, 2020, plus an amount equal to any accrued and unpaid dividends on such Preferred Shares (collectively referred to as the "Redemption Amount"). In order to make a redemption, the Issuer shall first provide one business day advanced written notice to the holders of his intention to make a redemption (the "Redemption Notice"), setting forth the amount it desires to redeem. After receipt of the Redemption Notice, the holders shall have the right to elect to convert all or any portion of its Series E Preferred Shares. Upon the expiration of the one business day period, the Issuer shall deliver to each holder the Redemption Amount with respect to the amount redeemed after giving effect to conversions effected during the notice period. The Series E Preferred Shares shall not be subject to redemption in cash at the option of the holders thereof under any circumstance.

**Dividends.** The holders of outstanding Series E Preferred Shares shall be entitled to receive out of funds legally available for the purpose, semi-annual dividends payable in cash on the last day of June and December in each year (each such date being referred to herein as a "Semi Annual Dividend Payment Date"), commencing on the first Semi Annual Dividend Payment Date in an amount per share (rounded to the nearest cent) equal to fifteen percent (15%) per year of the liquidation amount of the then outstanding Series E Preferred Shares computed on the basis of a 365-day year and the actual days elapsed. Accrued but unpaid dividends shall bear interest at fifteen percent (15%). Dividends paid on the Series E Preferred Shares in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated *pro rata* on a share-by-share basis among all such shares at the time outstanding. The Issuer's Board of Directors may fix a record date for the determination of holders of Series E Preferred Shares entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 30 days prior to the date fixed for the payment thereof. Dividends will not be payable in cash, if such payment violates any provision of any senior secured facility that the Issuer has entered or (as the case may be) will enter into, or any senior secured facility for which the Issuer has provided or (as the case may be) will provide a guarantee, for as long as such provisions, if any, remain in effect.

**Ranking.** All Series E Preferred Shares shall rank *pari passu* with all classes of the Issuer's Common Shares.

As of April 15, 2019, upon conversion at the Series E Conversion Price (\$0.60) of \$27.1 million Series E Preferred Shares currently outstanding, Family Trading would receive 45,215,000 Common Shares.

#### Series D Preferred Stock

On April 21, 2017, the Issuer was informed by one of its senior lenders, ABN Amro Bank N.V. ("ABN Amro"), that the Issuer was in breach of a loan covenant that requires that any member of the family of Mr. Evangelos Pistiolis, the Issuer's President, Chairman and Chief Executive Officer, maintain an ownership interest (either directly and/or indirectly through companies beneficially owned by any member of the Pistiolis family and/or trusts or foundations of

which any member of the Pistiolis family are beneficiaries) of 30% of the outstanding Common Shares. ABN Amro requested that either the family of Mr. Evangelos Pistiolis maintain an ownership interest of at least 30% of the outstanding Common Shares or maintain a voting rights interest of above 50% in the Issuer. In order to regain compliance with the loan covenant, on April 27, 2017, the Issuer's board of directors authorized the Issuer to create a new class of non-convertible preferred stock with voting power of one thousand (1,000) Common Shares per preferred share and grant 100,000 of these preferred shares to the Pistiolis family.

On May 8, 2017, the Issuer issued 100,000 shares of Series D Preferred Stock to Tankers Family. One share of Series D Preferred Stock has the voting power of 1,000 Common Shares. Shares of the Series D Preferred Stock are not convertible into Common Shares and have no dividend or other economic rights.
